HAWKINS HERITAGE

Published by The Hawkins Family Organization
Olyve Hallmark Abbott, Editor

PURPOSE: The Hawkins Family Organization began in 1985. It is conducted by mail and has no scheduled meetings. We want to promote genealogical research on Hawkins families and related lines; to promote and share family history; and to strengthen extended family ties.

NEWSLETTERS: *HAWKINS HERITAGE* is published three times a year in April, August, and December. We encourage members to contribute material to the editor. It is preferable if you type your material, but if not convenient, please share it anyway. Write your name or initials on each page.

QUERIES: Members are also encouraged to send queries to the editor. Send enough to cover your questions. Please include siblings whenever possible.

MEMBERS AND SUBSCRIPTIONS: We began *HAWKINS HERITAGE* with the hope of identifying the parents of James and Margaret ? Hawkins, b. c1765 and 1768, probably in Virginia. Taxation records show that they lived in Stafford CO Virginia from 1793 until 1825, when they migrated to Clark CO Kentucky. One son, John R., married into the Hawkins/Bourne line, which may be a connecting branch of the above James. Because of an apparent need for group research, our publication is now open to descendants of all Hawkins lines.

Individual membership and subscription is \$12 per year. Contributing Membership and subscription is \$20 per year (may vote.)

Subscriptions begin with the April issue. Subscribers during the membership year may receive back issues of the current year or begin with the next year and pay for and single back issues, which are \$4 each. The 1st issue: December 1986; 2nd, April 1987; then three issues per year beginning April 1988 to current.

PEDIGREE SERVICE: You are welcome to send your Hawkins pedigree chart to be checked with our collection. You will be given any additional information which we might have on file, that would match up with your own. Your chart will be filed for possible future contact. Our ancestor files deal mostly with Hawkins of the south and southwest, but we do have some other areas. Cost of this service is \$1 to cover search and photocopies, plus SASE.

OFFICERS:

President: Kathleen Briglio

Vice President, Newsletter Editor, Pedigree Service:

Olyve Hallmark Abbott, 3737 Summercrest Dr., Fort Worth, TX 76109

Send group sheets, charts, queries and material for publication to Olyve.

Membership Chairman:

Joan George, 15051 Humphrey Circle, Irvine, CA 92604.

Mrs. George accepts membership dues, orders, and checks for back issues.

HAPPY HOLIDAYS

December, 1997

Dear Hawkins Cousins,

Can it really be that time of year again? It seems as if I just put decorations back in their boxes. Last year I bought yards and yards of ten-inch-long clear plastic icicles to string around the eaves, with twinkle lights behind them. You don't really think I got them up, do you?

I have enjoyed hearing from everyone during the year, and please write any time. We have several new subscribers, two presenting coincidences. Richard T. Hawkins of Harrisonville, MO (25625 S. Lincoln Rd. 64701) is researching William Eaton Hawkins -- we had information on William Eaton in last month's issue. Then I wrote to Roberta Hawkins Berkeley, whose query was in the same issue of *Reminisce Extra* that my Jigsaw Puzzle article was in. I've included her data in this issue. This is one way we locate other Hawkins researchers, so send in a query often.

As I write this, Thanksgiving is not quite here yet, but plans are being made. I hope yours is grand, and that you all enjoy a meaningful and Happy Christmas Season, with a wonderful New Year to follow.

The best of everything.
Olivia

ON-LINE

Member, Cathy Hawkins, writes that she hopes to connect Hawkins researchers with her new **On-Line Newsletter**. If you are interested in subscribing, please E-Mail Cathy at **CHawk36650@aol.com**. "And put Sub Hawkins in the subject."

HAWKINS HERITAGE QUERIES

This is a continuation of queries published in our past issues. They are duplications for those who have subscribed for several years, but I hope it is convenient to have queries compiled for review; and may be helpful to new subscribers. (Some addresses may no longer be accurate.)

April, 1994:

Hawkins - Johnson

The Honorable **Joseph Hawkins** and his wife, **Cornelia**, lived in Texas when their son, **Tellitus Tellemicus** was born on 7-April-1859.¹ Family tradition has it that Joseph was a judge. Tellitus was a deputy sheriff or ranger, and died from wounds from a bank robbery in 1930 in Galveston, TX and was buried in Kyle. He was married to Louisa Cruz. They had a son, **Thomas Martin Hawkins**, born 22-March-1889, born in Wimberly, TX. After Louisa died, Tellitus was married three additional times, to **Hallie Richmond McNeill**, **Maude L. Lee**, and **Agnus Leon**.

Tellitus and Louisa's son, Thomas, was married on 5-Nov-1917 to **Mary Frances Reynolds** in Fort Collins, CO. She was daughter of **William F. Reynolds** and **Ettie Isadore Roberts**, and was born 29-Nov-1900 in Chicago, and died 19-Nov-1925 in Manila, Luzon, Philippine Islands. Does anyone have further information on this family, and on the ancestry of **Judge Joseph Hawkins** and his wife, **Cornelia Johnson**?
. . . Please write to Tim Johnson, 8 Boxwood Road, Port Washington, NY 11050.

Hawkins - Halliday/Holliday

Sally Ann Hawkins, daughter of **James Hawkins**, married **George Halliday**, on March 3, 1835 in Fleming CO KY. Evidence shows that James is the same James Hawkins who was born ca1765 and lived in Stafford CO VA from 1791 to 1826,

¹ The date listed in the original April, 1994 issue was a typo. I believe 1859 would be correct. - Olyve.

at which time he and his wife, **Margaret**, and their family moved to Clark CO KY. During that period in Stafford CO, there were also three Hallidays shown on the taxation records. Does anyone have information concerning these Hallidays? . . . Olyve H. Abbott, 3737 Summercrest Drive, Ft. Worth, TX 76109.

Hawkins - Moody - Hedges - Kissick

Jane Hawkins, daughter of **James and Margaret Hawkins**, was born ca 1810 in VA, and married **James H. Moody** 28-July-1830 in Fleming CO KY. They had at least one child, **Joseph Harvey Moody**, b. 12-8-1840, d 30-6-1898 in Farmers, Rowan CO KY. **Joseph** married **Ivelia Jane Hedges** in Maysville, KY on 26-12-1861.

Walter Scott Moody, b 4-9-1835 in Bath CO KY, d 27-1-1876 in Lewis CO KY, married **Margaret Ann Hedges**, daughter of **Jesse Hedges** and **Lucy Ann Hawkins**, daughter of **James Hawkins**. They had at least **Cora**; **Mary Jane**, b. 23-1-1865; **Lucy**, b 1868 (d. single); and **Mota Francis**, b. 16-9-1870. Any information appreciated -- Olyve.

Hawkins - Springs - Scott - Wiess - Roamell

Seeking information on **Dr. J.W. Hawkins** from IL. Married first ??? and had a daughter, **Margaret E.**, born Nov. 20, 1860 in IL. Moved to Guadalupe County, Sequin, TX, and married **Mary Elizabeth Springs**, March 25, 1872. They had a son, **William Ashbury** (or Asbury) b. July 7, 1872, who m. **Cynthia L. Scott**, May 8, 1901. A daughter, **Lizzie**, was b. in 1874 and m. **Thomas C. Wiess**, Oct. 10, 1897.

The first daughter, **Margaret**, m. **Solomon M. Roamell** Oct. 16, 1880. **Dr. J. W. Hawkins** d. between 1874 and early 1880. **Mary Hawkins** d. November 23, 1911.

Please write **Pat Hawkins Hatfield**, 9306 Miami Ave., Lubbock, TX 79423.

Williamson Hawkins - Rebecca Littleton

Paula Hawkins Johnson has reason other than genealogical research to identify her ancestry. This is her information as she has it at this time.

Williamson Hawkins

Date and place of birth unknown - possibly 1827-1832
His wife was possibly **Rebecca Littleton**.

Robert Crusoe Hawkins

Born June 30, 1855 in Tennessee (Malvrin?)
Wife was **Mary Ann Stewart**
Her mother was **Mary Ann Jackson Stewart**.
Robert died in Arkansas in 1919, a doctor of medicine.

Because of a rare health situation in her family (many generations can be skipped.) Paula is anxious to know more about her ancestry. Please write to her at 3355 N.E. 76th Avenue, Portland, OR. (1-503-252-6311.)

August, 1994:

Can anyone provide information, either speculative or proof, regarding **Joseph Hawkins** who married **Annetke Jane Edwards** about 1739, and moved to North Carolina?

Background for this query: There are various reports that seem to connect a **Joseph Hawkins** who settled in the Shenandoah Valley as early as 1740, with a Quakeress, **Annetka Jane Edwards**, as wife. In the will of **Joseph Hawkins**, recorded in Frederick CO VA in 1770, his wife was clearly Sarah. we do not know any details of Joseph or Sarah's lives before they moved to this frontier area new Woodstock, VA.

There are good reasons why the family record of **Joseph Hawkins and Annetke**, as retold by Zella Armstrong in her writings as inaccurate. It may be that there are two Joseph Hawkins who are confused with one another, but lived about the same time period.

It seems to me that it might be helpful to try to see if there was another Joseph who married Annetke in 1739, and what happened to him. . . . Wanita Lucas, 100 West Fourth, Pana, IL 62557.

Farris Hawkins

Searching for information on **Farris Hawkins** or his wife. They were in Marion CO AL in 1850. Listed on census:

Marion CO AL Beat #4

24-24 **Hawkins, Farris** 25 M, Shoemaker - TN;

Charlette, 26 F - TN; **William**, 4m - AL; **Amanda J.**, 3f - AL; **John A.**, 6/12 m-AL.

. . . Please write to Martha Junkin, Rt.#1 Box 18A, Gordo, AL 35466.

John Westley/Wesley Hawkins Rebecca Best

Also known as "J.W.," was born ca 1817/18 in Rowan CO NC. He married **Rebecca A. Best** about 1827/28 East Tennessee. In 1850 John and Rebecca were in Andrew CO, MO (near St. Joseph.) In 1857 they were in Chase CO KS (Clements.) They moved to KS about 1857 with four children. They had two children while in Chase CO. (Parents and four children on 1857 KS Territorial Census.) Their children were **William Riley**, b1849 MO; **Isaac Richard** b1850 MO; **Susan Frances** (my gr grandmother) b1852 Andrew CO MO and married **John Thomas Patton** in 1870 in Chase CO KS; **Rebecca Jane** b1854 MO; **Prince Lafayette "Fayette"** b1857 Chase CO KS; **John Henry** b1860 KS.

John Westley Hawkins served in Northern Army in Civil War. He d1864 of pneumonia at a regimental hospital in AR. I believe he was buried near Ft. Smith, AR. I have a burial for a John W. but the company and regiment numbers and names do not match up. My Hawkins family were some of the first settlers in Chase CO KS. Some still remain there. Is anyone working on the same or related lines? The children of **John W.** and **Rebecca Hawkins** are in KS and OK and maybe TX and CA. I will share information Margaret E. Haynes, P.O. Box 5233, Palm Harbor, FL 34684.

Nordyke

I have been working on the Quaker family called **NORDYKE** that started in NJ and either trekked through the Southern States or went directly to Southwest Ohio by 1825. Afterwards, the various Nordyke groups not in Ohio went on to the plains states: Westward. They went in a round-about manner from VA to GA to the Carolinas to TN, KY, to OH. They would leave a daughter here or there, but by the Civil War, that name was gone from the South. Only a few served in the Union armies and none in the Southern forces. If there is any direct or indirect relationship with any of the members of **Hawkins Heritage**, I would like to share information. Thank you very much for looking. I hope to hear from you.

. . . Richard L. Allen, 8043 Greenleaf Terrace #33, Glen Burnie, MD 21061-4949.

Alvin Hawkins

My mother's father was **Alvin LeRoy Hawkins**, born in the 1890's in Kansas. His father was **Nicholas Grant Hawkins** and was born in Cedar CO MO. His father was **John Hawkins**, shown in 1860 census. John's birthplace was listed as KY.

. . . Please contact Peggy Bruce, 4705 Briar Patch OLN., St. Cloud, FL 34771.

Nancy Ragsdale, daughter of John Hawkins?

Trying to prove if **Nancy Ragsdale**, w/o **Joseph Ragsdale** is d/o **John Hawkins** and if this **John Hawkins** is b/o **Abraham Hawkins**. Also trying to find Joseph Ragsdale's father, believed to be **Gabriel Ragsdale**. Could this John Hawkins be the one who married **Lydia Comer** in Orange CO NC or Union CO SC in 11/31/1799? There is a **Lydia Hawkins**, age 84, MD in 1850 in Law. CO IN census, in **Peter Hawkins** household. Peter Hawkins is 32 years old . . . Please write to Michael Butcher, 6867 N. Red Hill, Ellettsville, IN 47429-9744.

Hawkins - Freyschlaf

I am trying to find information on **Lucy HAWKINS Freyschlaf**, 1828-1922. I believe her to be the granddaughter of **Benjamin Hawkins**, the Indian Agent. Lucy is buried in the evergreen Cemetery in Fayetteville. She is listed in School Days, School Days, History of Education 1830-1950 (**Mrs. Edward Freyschlaf**.) This was The Female Seminary which opened in 1839 with fourteen Cherokee girls of prominent Indian families of wealth. In the LDS computer, Lucy Freyschlaf, born 1827, Native American, born Cherokee Nation. In the 1850 Census of Washington CO AR.

Edward Freyschlaf, age 35, born Germany.

Lucy, age 23, born KY

Sophia, age 5, AR

George, age 3, AR

Herman, age 2, AR

I have a few books on Benjamin Hawkins, The Southern Indians and **Benjamin Hawkins** 1796-1816 by **Florette Henri**, 1986. On page 317 . . . "Hawkins died in the Creek Agency on June 16, 1816, leaving Lavinia, whom he married before he died, and seven children: **Georgia, Muscogee, Cherokee, Carolina, Virginia, Jeffersonia**, and son, **Madison**." Grant and Davis, "Wedding of Col. Benjamin Hawkins," 314-15. **Jeffersonia**, in a suit against Hawkins' other heirs in 1834, claimed as the only child born in wedlock, the right to a larger share or the whole of his estate (Georgia Department of Archives and History, Hawkins Papers, Will and Lawsuit); Muscogee may not have been Hawkins' daughter, although brought up with the Hawkins children (Grant, BH, xxi and n.41) C.M. Destler, "Correspondence of David Bridie Mitchell," 382.

Page 317: These were left to **Lavinia** and his children and to his nephew **William Hawkins**, governor of NC - as perhaps **Benjamin** might have been if he had stayed comfortable at home. 51.

Page 358, footnote 51: Hawkins Papers, Estate of **Benjamin Hawkins**, Inventory and Sale, Georgia Dept. of Archives and History.

If **Benjamin Hawkins** listed as a mixed blood descendant in one book, what happened to him in the other book? If Jeffersonia had a legal claim to the estate of Benjamin, why did she wait until 1834? Would that have been when Lavinia died? Was Lavinia Indian or white? If she was white, my Lucy Hawkins is supposed to be Native American!

. . . Please write to Joan Chaffin, 438 City View Lane,
Grand Junction, CO 81503.

COMMENTS

The Autumn 1997 issue of *Kentucky Ancestors* published an article originally written by Jane Thompson Ribelin in 1869, concerning the Ribelin-Hedges families of VA and Montgomery CO KY. This is the Hedges line connecting with my Hawkins family. (Also the line of Bill and Joan George and Bill and Gail Hawkins.) This issue also included an article on Hawes ancestry, which connects with my Hawes/Hawkins lineage. It was submitted by Helen Hawes Hudgins of Franklin, TN. Helen is Editor of the Hawes Newsletter. Now that's the kind of coincidence I enjoy -- finding back to back articles on one's ancestors. - Olyve.

WHORLS AND FLOURISHES

~ Penmanship ~

My elementary school writing class was far ahead of the quills of yesterday, and just before the ball-point pen. We used fountain pens at home, but were required to use penstiffs in school until the fourth grade. We finally stopped printing and began writing cursive, a word I thought pretty sure was naughty.

Those little circles would most certainly have been better in class if I hadn't held the pen in the awkward way the teacher told us. She reminded us of the four principal movements used in writing: *the finger, slide, muscular, and the whole-arm movements*. Did other pupils really use that whole-arm thing? The circles I drew sometimes had "squiggles" on them, when the freckled-faced boy behind me kept dunking my ponytail in his inkwell.

A correct position at the desk, and also for holding the pen, is "indispensable to good penmanship. This position naturally gives the muscles a free and easy action best suited for beautiful writing." Remember your teachers telling you?

The Reverend Lewis Elliott, Grandmother Anna Kate Hawkins' teacher, gave her a beautiful penmanship book, *Real Pen-Work*. Published in 1881, it is full of writing exercises and lavish pen and ink drawings. The drawings were reproduced in the book by a process called "photoelectrographing," at the time referred to as a "new and ingenious electrical process, by which all kinds of writing and pen-work can be reproduced on paper in any color."

Several pages of alphabets created a special highlight. Some letters were formed of tree trunks and branches. Another alphabet pictured a different animal for each letter. The animals were not simply sketched, but drawn in graceful flourishes. In one set, swaying feathers formed

each letter.

Following the book's explicit instructions for real pen-work, one can learn to draw and write an elegant hand. The execution of the whorls and flourishes in pen-drawings of animals, birds, and feathery fans are beautiful. Remember, in expert penmanship, "letters look best when slanted at about fifty-two degrees from the horizontal," and that's a quote from Real Pen-Work.

Writing history homework in bed, while watching television, really sets the above theory back another century.

If you would like to take yourself into an earlier time, try the following: In my great-grandmother's journal, she wrote of making quill pens. The secret was in choosing the correct feather, and her papa said one from a goose or turkey was best. She boiled the feather tip to clean it. When dry, she sliced the tip end upward for about an inch, then cut off the top part. Scraping the insides formed a neat little hollow. She used a sharp penknife to shape the tip. She cautioned to make a thin cut up the tip to hold the ink. Slice it blunt or fine, at your own choosing.

I've never tried this myself, but the next time a turkey wanders into our yard

I recently heard from Fred Hawkins of Columbus, TN. He sent us the notice of his book, ONE HAWKINS FAMILY. Although I have not read it, I am printing his information. If it is your line and you are interested, ordering notation is included. -- *Olyve*.

Announcing the Publication of

One Hawkins Family

By Fred L. Hawkins and Mary Sue Mullinax Davis

This is the family history of Willis R. Hawkins and his descendants. Willis was a young father who volunteered for the Confederate army in the first days of the Civil War and who served throughout that conflict. He fought in many of the battles on the Virginia front, was captured at least twice by Federal troops and was wounded more than once. He returned home to Gaston County, N.C. a few months before the surrender at Appamattox so that he could be treated in the army hospital in Charlotte. Just a few weeks after the war ceased, Willis died as a result of his battle injuries.

Willis wrote many letters to his wife, Mary Jane Sanders Hawkins, while he was away in the army. These letters have been preserved and copies are included in One Hawkins Family. He left two young sons, Miles Hill Hawkins and Joseph Thomas Hawkins. Miles settled in Rutherford County, N.C. and later moved to Greenville, S.C. Joe remained in Gaston County for the remainder of his life. This book follows the story of these two lines down to the present time.

Welcome to The Hawkins Family Organization

We hope you will contribute to the publication of **HAWKINS HERITAGE** -- every issue, once a year, or whenever you like. It is from your submissions that our issues can maintain a large amount of information. Be your own editor and proofreader. We organize and print the material as is, or with minimal changes. Please follow these guidelines for your submission.

1. Use standard 8 1/2 inch paper.
2. Try to leave a one inch margin on the top and sides and 1 1/2 inches on the bottom.
3. Type, print, or write legibly. Dark black ink copies the best.
4. If an item is larger than 8 1/2 x 11, and you are unable to reduce it, then send it as is to the editor to reduce.
5. Your submission may be written as a letter to the members, the editor, an article with title and author, a question or an answer to the members, or copies of documents, maps, etc.
6. If you are sending copyrighted material, please give the title, author, publisher, copyright date, and page. If it is not copyrighted, please cite the source so that credit may still be given.
7. If you want your submissions returned, please provide return postage.
8. If you send family group sheets, number each sheet in the order that it is to be interpreted. This is extremely important especially if it is used in our publication, but also for my indexed files.
9. Put your name on *every* page you send.
10. Please put the **date** on your letters as well as on the material you submit. It is helpful if you use an **inside address** on your letters. I file your letters but not the envelopes in my notebooks.
11. If you are a new member, we hope you will send a family group sheet or pedigree chart.
12. We urge our members to take advantage of submitting queries. You may do this once a year, and they can be in "standard" form or in letter form. Since we have new members all the time, your query will still be new to them.
13. Suggestions welcomed.

Dates of submission: The following dates are approximate. Sometimes I receive too much for the next issue, and at other times, I might need a little more.

By February 28 for the April issue.

By June 30 for the August issue.

By October 15 for the December issue.
