HAWKINS HERITAGE

Published by The Hawkins Family Organization
Olyve Hallmark Abbott, Editor

PURPOSE: The Hawkins Family Organization began in 1985. It is conducted by mail and has no scheduled meetings. We want to promote genealogical research on Hawkins families and related lines; to promote and share family history; and to strengthen extended family ties.

NEWSLETTERS: *HAWKINS HERITAGE* is published three times a year in April, August, and December. We encourage members to contribute material to the editor. It is preferable if you type your material, but if not convenient, please share it anyway. Write your name or initials on each page.

QUERIES: Members are also encouraged to send queries to the editor. Send enough to cover your questions. Please include siblings whenever possible.

MEMBERS AND SUBSCRIPTIONS: We began *HAWKINS HERITAGE* with the hope of identifying the parents of James and Margaret ? Hawkins, b. c1765 and 1768, probably in Virginia. Taxation records show that they lived in Stafford CO Virginia from 1793 until 1825, when they migrated to Clark CO Kentucky. One son, John R., married into the Hawkins/Bourne line, which may be a connecting branch of the above James. Because of an apparent need for group research, our publication is now open to descendants of all Hawkins lines.

Individual membership and subscription is \$12 per year. Contributing Membership and subscription is \$20 per year (may vote.)

Subscriptions begin with the April issue. Subscribers during the membership year may receive back issues of the current year or begin with the next year and pay for and single back issues, which are \$4 each. The 1st issue: December 1986; 2nd, April 1987; then three issues per year beginning April 1988 to current.

PEDIGREE SERVICE: You are welcome to send your Hawkins pedigree chart to be checked with our collection. You will be given any additional information which we might have on file, that would match up with your own. Your chart will be filed for possible future contact. Our ancestor files deal mostly with Hawkins of the south and southwest, but we do have some other areas. Cost of this service is \$1 to cover search and photocopies, plus SASE.

Hi Everybody!

Well, here in North Texas, for the first time I can remember, my begonias remained unscathed for the winter. I bought more anyway. After all, bedding plants and springtime go together. Right?

I just returned from a visit to Arizona. Daughter Devon and family met me in Phoenix for the drive to Flagstaff. Surprise, a normal two-hour drive turned into seven since the biggest snow-storm of the season halted traffic when we had driven halfway. They closed the highway behind us! Guys in shorts were putting tire chains on. Strange. The snow was great and I built a snow-man for my grandchildren. When I lived in New York City, I traipsed through drifts of snow, but on the streets is a lot different than beautiful snow on the pine trees.

Let me know what's going on, so I can offer our readers a "reporter" page. Also, consider sending some Hawkins information you've written down for future perusal, even though it might not connect with your line. If you read Hawkins queries in other quarterlies, I'd appreciate your sending them, along with queries of your own. (Just tell me where you found it so I can give credit to that publication.)

One thing more, don't forget to write your name on every page of information you send -- on the back is fine. Also, the date on your letters will be appreciated. If we can each find another Hawkins generation this year, that would be a real treasure, now wouldn't it? If there's a genie of genealogy, I hope he/she's listening.

Bye for now.

A little history:

The Lust of the Mohicans

Every red-blooded Mohican male felt deeply about Morning Dove,
the most desirable in the land. They cherished, yea, lusted, after Dove.
Their ancestors never knew what they missed. The young men's yearning
was immense, but upon retiring for the night, they always had sweet dreams.
They knew they could bathe with Dove in the morning.

James Hawkins - Mary Ann Young

James Hawkins was born ca 3-6-1818 and **Mary Ann Young** is believed to have been born 2-3-1822. Census records indicate they were born in Kentucky.

Their son, **Charles Quincy Hawkins**, was born 2-Nov-1864, in Cumberland CO KY. (**Charles** was sometimes listed with "O" as the middle initial, but his middle names was **Quincy**.) He was probably the youngest child and his mother was about 41 when he was born. **John R.** and **James A.** were siblings close to his age.

According to the 1860 census of Warrick CO IN (the family moved between 1850 and 1860) other siblings listed were: **Martin J., Louisa E., Mary Frances, Julia Ann, John R., Caroline and James A.** I believe all were children of **James** and **Mary**. "Grandpa" came to Indian Territory in the 1880s. He married **Adah Knight** in Warrick CO IN on 13-Oct-1886 before they came to Indian Territory.

Please write Philip L. Hawkins, 16434 W. Spring Valley Road, Gravette, AR 71736-9711.

Hiram Jefferson Hawkins

I am looking for information on my gr gr grandfather, **Hiram Jefferson Hawkins**, born in 1826 in NY. I am told he homesteaded near Tipton, CA on 80 acres in Tulare CO. He donated part of his land for a cemetery. He apparently lived with his son, **Frank Beard Hawkins**.

My family is scattered, making it difficult to trace back. I would like to know if any of my ancestors were involved in the Civil War. **Hiram** had a son, **George**, born in 1857 in IL (?) **George** had **Raymond Hawkins**, born CA in 1892. He had my father, **Elwyn Laurel Hawkins**, Born CA in 1917. . . . Please write Mr. Joaquin Hawkins, 4022 Sunset Drive West, Tacoma, WA 98466-2405.

John Thomas (?) Hawkins - Gilly Crawford

Our Hawkins Cousins

Am looking for someone who has a copy of *Our Hawkins Cousins*, by **Delores A. McDonald**. Would you let me copy a portion? Publication date unknown but probably within the last forty years. Also, does anyone know the whereabouts of Ms. McDonald? Last known address was Ft. Polk, LA. She lived in Augusta at one time -- believed to be active in GA genealogy groups. . . . Please contact **Janice Still**, Sprague Road, Raleigh, NC. 27613-4119. 919-782-9310.

Hawkins - Hedges

Does anyone have a connection with **John** and **Sarah Hawkins** of VA, whose daughter, **Lucy Ann**, was to have married **Jesse Hedges**. Several years ago, a brief undocumented family history was sent to me. It said the above **Lucy Ann** married **Jesse Hedges** in Fleming CO KY. However, marriage records in Fleming CO show **Lucy** to be dau/of **James Hawkins**, not **John**.

All other records indicate this to be correct, and this **James** (with wife **Margaret**) is the one upon whom this publication was founded. There still may be a connection with the above **John Hawkins** and our line of **James** and

Margaret Hawkins, born ca1765. Thanks for any light you might shed on this. I think the article was called "Rattling the Razor Family Skeletons." -- Olyve H. Abbott.

QUERY

Hawkins - Hastings

Would like to exchange on **Armstead, Dandridge, Andrew, Grief B. Hawkins** and **Frances Hawkins Hastings**. All were in Wilson CO TN in 1820/30s. Some moved on to Williamson CO IL. This family may have come from Amelia CO VA. . . . Please write **Barbara J. Moore**, 371 Ridge Creek LN, Bulverde, TX 78163-2871.

Note: Barbara writes that they were blessed with a granddaughter in February of 1997. Guess who had been baby-sitting three days a week? Some of us know what she means by her family research is a hit and miss -- more "miss" than "hit."

Postscript from the Editor: I'll use this space to thank everyone of you who sends in information for *Hawkins Heritage*. The issues would grow rather skinny if I didn't have your help to fatten them up.

A notation concerning General John Parker Hawkins -- As you know, in the past I have printed some of the letters from the general's personal family research, and will continue to do so. His line left many descendants whom I know of, and those I don't know of must have really hit the numbers. I will include the remainder of his chart in subsequent issues. As far as I know, my Hawkins line does not connect with his, but my Withers line does. You may also benefit some way from the chart even if it is not your Hawkins. So thanks to Willard and Joan for submitting this helpful information.

If you have comments, please respond.

-- Olyve

Welcome to The Hawkins Family Organization

We hope you will contribute to the publication of **HAWKINS HERITAGE** -- every issue, once a year, or whenever you like. It is from your submissions that our issues can maintain a large amount of information. Be your own editor and proofreader. We organize and print the material as is, or with minimal changes. Please follow these guidelines for your submission.

1. Use standard 8 1/2 inch paper.
2. Try to leave a one inch margin on the top and sides and 1 1/2 inches on the bottom.
3. Type, print, or write legibly. Dark black ink copies the best.
4. If an item is larger than 8 1/2 x 11, and you are unable to reduce it, then send it as is to the editor to reduce.
5. Your submission may be written as a letter to the members, the editor, an article with title and author, a question or an answer to the members, or copies of documents, maps, etc.
6. If you are sending copyrighted material, please give the title, author, publisher, copyright date, and page. If it is not copyrighted, please cite the source so that credit may still be given.
7. If you want your submissions returned, please provide return postage.
8. If you send family group sheets, number each sheet in the order that it is to be interpreted. This is extremely important especially if it is used in our publication, but also for my indexed files.
9. Put your name on *every* page you send.
10. Please put the **date** on your letters as well as on the material you submit. It is helpful if you use an **inside address** on your letters. I file your letters but not the envelopes in my notebooks.
11. If you are a new member, we hope you will send a family group sheet or pedigree chart.
12. We urge our members to take advantage of submitting queries. You may do this once a year, and they can be in "standard" form or in letter form. Since we have new members all the time, your query will still be new to them.
13. Suggestions welcomed.

Dates of submission: The following dates are approximate. Sometimes I receive too much for the next issue, and at other times, I might need a little more.

By March 15 for the April issue

By July 10 for the August issue.

By November 1 for the December issue.
