HAWKINS HERITAGE

Published by The Hawkins Family Organization
Olyve Hallmark Abbott, Editor

PURPOSE: The Hawkins Family Organization began in 1985. It is conducted by mail and has no scheduled meetings. We want to promote genealogical research on Hawkins families and related lines; to promote and share family history; and to strengthen extended family ties.

NEWSLETTERS: ***HAWKINS HERITAGE*** is published three times a year in April, August, and December. We encourage members to contribute material to the editor. It is preferable if you type your material, but if not convenient, please share it anyway. Write your name or initials on each page.

QUERIES: Members are also encouraged to send queries to the editor. Send enough to cover your questions. Please include siblings whenever possible.

MEMBERS AND SUBSCRIPTIONS: We began ***HAWKINS HERITAGE*** with the hope of identifying the parents of James and Margaret ? Hawkins, b. c1765 and 1768, probably in Virginia. Taxation records show that they lived in Stafford CO Virginia from 1793 until 1825, when they migrated to Clark CO Kentucky. One son, John R., married into the Hawkins/Bourne line, which may be a connecting branch of the above James. Because of an apparent need for group research, our publication is now open to descendants of all Hawkins lines.

Individual membership and subscription is \$12 per year. Contributing Membership and subscription is \$20 per year (may vote.)

Subscriptions begin with the April issue. Subscribers during the membership year may receive back issues of the current year or begin with the next year and pay for and single back issues, which are \$4 each. The 1st issue: December 1986; 2nd, April 1987; then three issues per year beginning April 1988 to current.

PEDIGREE SERVICE: You are welcome to send your Hawkins pedigree chart to be checked with our collection. You will be given any additional information which we might have on file, that would match up with your own. Your chart will be filed for possible future contact. Our ancestor files deal mostly with Hawkins of the south and southwest, but we do have some other areas. Cost of this service is \$1 to cover search and photocopies, plus SASE.

OFFICERS:

President: Kathleen Briglio

Vice President, Newsletter Editor, Pedigree Service:

Olyve Hallmark Abbott, 3737 Summercrest Dr., Fort Worth, TX 76109-3302

Send group sheets, charts, queries and material for publication to Olyve.

Membership Chairman:

Joan George, 15051 Humphrey Circle, Irvine, CA 92604.

Joan accepts membership dues and orders for back issues.

Happy Springtime!

Hawkins Heritage has been goin' on for twelve years. How about that. And our publication has connected many of you with your prior generations, thanks to subscribers' submissions of valuable material. That success hasn't reached all of us yet, but surely in the next millennium? When I come up with the parents of my ggg gf James Hawkins, you'll be the next to know!

My mail has been outstanding lately. Paul G. Hawkins sent me a spiral-bound book of his Hawkins family. If I used all of his material, we would be well on our way to 2010, so I'm using parts of his "older" ancestors. As I've said before, longer continuing articles seem to..er..continue, but you never know when one member of someone's family might turn out to be your elusive ancestor.

Gen'l John Parker Hawkins' lineage is submitted by Joan George, to be completed next issue. Robert G. Allen has sent material on his David Hawkins' Descendants. He too has enclosed many notes, and when we know the names of our ancestors, extra notes make them become real people to us -- well worth the search. I will use some of Robert's information next time. Until then, I'm enjoying reading his diary-like material.

When we began *Hawkins Heritage*, we stopped short of using data from the twentieth century, thinking those records would be easy to obtain. It turns out they're not always. And now that we're riding into the twenty-first, I'll travel a little more into the 1900s.

A few years ago, I published a "Meet Your Cousin" feature. I would like to do this again, if you will mail the information to me. If you're not familiar with the feature, I requested a picture or snapshot (to be returned) along with information about yourself -- you know, hobbies, family, notoriety, etc. We can know our correspondents in a more personal way. Don't be modest -- send it on!

Thanks to everyone who helps make our *Hawkins Heritage* a success. We couldn't make it without you. Have a great year.

I have collected several e-mail addresses from our subscribers, and will list them next issue. If you'd rather not have yours listed, let me know. -- Olyve

William Graves Hawkins - Sarah Jane Adkins

William G. Hawkins, who wed Sarah Jane Adkins, are related to me both through Hawkins and Adkins. Nancy Mahala Hawkins was probably a granddaughter of Larkin Hawkins. I have a family record of William and Sarah Jane with their children. I am descended from Joseph and his wife Elizabeth Montague Hawkins, their daughter Jane, who wed Thomas Adkins (Rutherford Co. NC in 1831) his son, and on down. A group of these people moved from NC to AL in about 1833.

Note: The above is a portion of a letter from *Carolyn Spann, 31993 US Hwy 411, Ashville AL 35953*. If you are interested in this line, I'm sure Carolyn would welcome hearing from you. -- Olyve

QUERIES

Malinda B. Hawkins - Daniel Sartor

Various records show that Daniel Sartor (b. 2/11/1789 SC; d. 6/13/1873 AL) was the son of William and Rebecca (Hughes) Sartor of Union County, South Carolina. (Daniel Sartor is named as a son in the 1829 will of William Sartor, and he is also referenced in the 1855 will of Rebecca Sartor as "Daniel Sartor, resident of Alabama".) Malinda B. Hawkins married Daniel Sartor in 1825.

The only reference, that I have found thus far, to Daniel Sartor's wife comes in a pension claim (for service during the War of 1812) filed by Daniel Sartor June 6, 1871, in Crenshaw County, Alabama, in which he said he married Malinda B. Hawkins in 1825.

It is not known where Daniel Sartor was living in 1825, he may have been living in Alabama, possibly Pike County. There are federal land patent letters showing that Daniel Sartor purchased land in Pike County, Alabama, in August 1832. Evidently Daniel Sartor spent the rest of his life in Pike County (and that part of Pike County that later became Crenshaw County, Alabama). He is shown in the 1850, 1860 and 1870 censuses.

Any information you might be able to provide concerning the Malinda B. Hawkins who married Daniel Sartor in 1825 would be greatly appreciated. I have no information as to her parentage, date and place of birth, death, or anything else about her. Please contact Ken Barron, 4334 No. Chestnut # B-5, Colorado Springs, CO 80907

Hawkins - Willis

My mother was a Willis and my grandmother was Mattie Tilden Hawkins Willis (Married to Hiram Willis.) Her father was Simon Peter Hawkins, who settled at Burkburnett some time around 1880. If anyone has further information on Simon Peter Hawkins, please write to Jon H. Bear, 1000 Petroleum Building, P.O. Box BRC, Wichita Falls, TX 76307-7507. Note: Mr. Bear didn't give additional dates or places, although Mattie Hawkins' father-in-law (Andrew Jackson Willis) was apparently born in 1830 in Mecklenburg CO VA and died in Wichita CO TX in 1907. If you have Mecklenburg CO ancestors, you might note if a Simon Peter Hawkins is listed in your research. -- Olyve

Please remember to have your name on every page you send. It's fine to use the computer header, and place your last name in the upper left-hand corner. Or just put your name or initials on the back of each page. Pages of charts or material involving several pages need to be numbered. That can be in pencil. If I drop 'em, I'm not always clever enough to put them back in order.

William was a 3rd Lt. in the 6th Missouri Volunteer Cavalry, which was organized by Col. Clark Wright at Rolla, Mo. on 14 Feb 1862. This also lists Maj. H. P. Hawkins. The unit served in southwest Missouri, Arkansas, Mississippi, and Louisiana. The unit was mustered out 12 Sep 1865 by Gen. McClelland.

William was killed in action at Helena, Ark., the date is uncertain.

THIS OL' BARN Or any ol' barn

Which came first, the house or the barn? The latter was an absolute necessity in cold climates. As farmers obtained oxen for their farms, they also needed barns for their oxen. The structure was often built first for the animals' protection, and the family endured living in a dugout until they could build their house.

Barns provided space for livestock and stalls for horses. Hay was stacked on a loft and could be pitched to the floor below. At the end of the second level, an opening allowed the hay to be hurled down to a waiting wagon. Some barns were built into the side of a hill so both floors were accessible from ground level.

Early settlers stored grain in thatched-roof barns, but they needed frequent replacement. Rough bark shingles, just as they were stripped from the trees, replaced the thatched roof. Later, logs were split, providing a more serviceable roof.

Before "real" paint was used, linseed oil provided a durable penetration. Red iron oxide gave the color associated with red barns. The color became acceptable all over the country. Directions such as "Turn left at the blue barn" just didn't sound right.

As people took more pride in their barns, they added fancy cupolas or personal distinctive touches. Crossboard trims were painted white. They were built structurally stronger and became elaborate with a hand-carved whirligig or weather-vane on top.

Progressing to modern times, some people were enamored with the beauty of large barns, and converted many into houses, or purchased the weathered wood for use in their dens. The structures were carefully dismantled to salvage as much material as possible.

Many barns are restored because of their historical quality, whether or not they are really used for anything more practical than storage. Barns all over the country stand fine and proud, but some resemble a swayback horse. Others have shed their color, begging for a coat of paint.

Today when you see a dilapidated barn looming over the hillside, look again. Was it built by newlyweds for grain, cattle, or a new tractor? . . . the tractor now sitting by the broken gate, rusted with no seat, no tires. The windows in the old farm house are shattered and the roof has fallen over the porch. Both may surrender with the next wind.

Until then, the barn won't give up, and likely will never tell its story.

Welcome to The Hawkins Family Organization

We hope you will contribute to the publication of **HAWKINS HERITAGE** -- every issue, once a year, or whenever you like. It is from your submissions that our issues can maintain a large amount of information. Be your own editor and proofreader. We organize and print the material as is, or with minimal changes. Please follow these guidelines for your submission.

1. Use standard 8 1/2 inch paper.
2. Try to leave a one inch margin on the top and sides and 1 1/2 inches on the bottom.
3. Type, print, or write legibly. Dark black ink copies the best.
4. If an item is larger than 8 1/2 x 11, and you are unable to reduce it, then send it as is to the editor to reduce.
5. Your submission may be written as a letter to the members, the editor, an article with title and author, a question or an answer to the members, or copies of documents, maps, etc.
6. If you are sending copyrighted material, please give the title, author, publisher, copyright date, and page. If it is not copyrighted, please cite the source so that credit may still be given.
7. If you want your submissions returned, please provide return postage.
8. If you send family group sheets, number each sheet in the order that it is to be interpreted. This is extremely important especially if it is used in our publication, but also for my indexed files.
9. Put your name on *every* page you send.
10. Please put the **date** on your letters as well as on the material you submit. It is helpful if you use an **inside address** on your letters. I file your letters but not the envelopes in my notebooks.
11. If you are a new member, we hope you will send a family group sheet or pedigree chart.
12. We urge our members to send queries. You may do this once a year, and they can be in "standard" form or in letter form. It may be helpful to print it again since we have new members all the time.

Suggestions welcomed.

Dates of submission: The following dates are approximate. Sometimes I receive too much for the next issue, and at other times, I might need a little more.

By March 15 for the April issue

By July 10 for the August issue.

By November 1 for the December issue.
