## **HAWKINS HERITAGE**

Published by The Hawkins Family Organization  
Olyve Hallmark Abbott, Editor

**PURPOSE:** The Hawkins Family Organization began in 1985. It is conducted by mail and has no scheduled meetings. We want to promote genealogical research on Hawkins families and related lines; to promote and share family history; and to strengthen extended family ties.

**NEWSLETTERS:** *HAWKINS HERITAGE* is published three times a year in April, August, and December. We encourage members to contribute material to the editor. It is preferable if you type your material, but if not convenient, please share it anyway. Write your name or initials on each page.

**QUERIES:** Members are also encouraged to send queries to the editor. Send enough to cover your questions. Please include siblings whenever possible.

**MEMBERS AND SUBSCRIPTIONS:** We began *HAWKINS HERITAGE* with the hope of identifying the parents of James and Margaret ? Hawkins, b. c1765 and 1768, probably in Virginia. Taxation records show that they lived in Stafford CO Virginia from 1793 until 1825, when they migrated to Clark CO Kentucky. One son, John R., married into the Hawkins/Bourne line, which may be a connecting branch of the above James. Because of an apparent need for group research, our publication is now open to descendants of all Hawkins lines.

Individual membership and subscription is \$12 per year. Contributing Membership and subscription is \$20 per year (may vote.)

Subscriptions begin with the April issue. Subscribers during the membership year may receive back issues of the current year or begin with the next year and pay for and single back issues, which are \$4 each. The 1st issue: December 1986; 2nd, April 1987; then three issues per year beginning April 1988 to current.

**PEDIGREE SERVICE:** You are welcome to send your Hawkins pedigree chart to be checked with our collection. You will be given any additional information which we might have on file, that would match up with your own. Your chart will be filed for possible future contact. Our ancestor files deal mostly with Hawkins of the south and southwest, but we do have some other areas. Cost of this service is \$1 to cover search and photocopies, plus SASE.

Hi Everybody!

You may notice I'm using a slightly smaller font, which saves space. For several years we used this size, then changed to a larger one for easier reading. The point? Uhm, well \$\$ accounts for most of it. It's the three "P's" - Postage is up, paper is up, and printing has skyrocketed, even at the most economical places in this city. Hey, pepperoni pizza isn't as inexpensive as it used to be. Make that four P's!

With more people going to the Internet, we don't have as many subscribers as we once did. I might mention we've been digging into the treasury for the last two years to cover expenses. *Hawkins Heritage* began at \$9 a year in 1986 and we've raised the price only once, so we think it is still a great deal, compared to other family publications at about the same price but with much less information.

We will continue to hang on to see how everything goes. We've been too successful in connecting Hawkinses to stop now! Not everyone is interested in computers and the Internet, so I STILL see a need for hard-copy material. But I would like to hear from more of you with queries, group sheets, and pedigree charts.

Some of the queries in this issue came from Hawkins researchers whom I contacted through the Internet. A special thanks to Sally Hathaway for her contribution this issue, to Wanita Lucas, and to everyone who has generously shared their information with us.

I wish the best to you for the remainder of the summer -- and then some. My daughter says it finally rained in Flagstaff, AZ. The powers that are, closed the entries to the national forests in early summer. The chances of campers' fires were too risky. They haven't had snow in two winters and no rain in 11 months! The animals have jumped the fences to their property, looking for a drink. And Devon and her family's six sled dogs don't know what to think of no skijoring or sled races for so long!

Bright blessings to you all,

## FAMILY BIBLE

In 1985, a friend and I went "antiquing" in Fort Worth. In one of our favorite haunts, we found a Hawkins Bible, dated 1825. The main surnames in the Family Record are: Pearce, Wood, Shepherd, Gage, Merzig, Monson and Hawkins. On separate sheets of paper, a more complete record of Hawkins names are listed. They were tucked inside the Bible's pages. In this issue I am using a copy of the original pages. I wouldn't know how this Bible found its way from Burlington, NY to Texas, but it did.

About the time we found the Bible, I noticed the name of a gentleman in the LDS records. He lived in southern California who and was researching Uriah Hawkins – the same Uriah listed in these pages. Since my friend, and not I, purchased the Bible, I mailed the Californian photocopies of the Bible records. Needless to say, he was thrilled because he desperately needed the record of names he did not have. Now that's a neat little story! Since that was years ago, perhaps one of our subscribers connects with this Hawkins family as well. These two pages follow.

The single handwritten Family Record page is from a Bible including the following names: Mrs. Sarah Taylor, Capt. Richard Taylor Mary Hawkins, William W. Hawkins, Jehu Dier Hawkins, Mary B. Hawkins, Henry L. Hawkins and Sarah Hawkins.

### Interesting Historical Notes

From the *History of Old Rappahannock County, Virginia, 1656-1692*, by Thomas Warner.

John Hawkins, son of Major Thomas Hawkins, burgee from Rappahannock CO in 1676, had only four months to serve. John, an orphan, was bound by his mother, over to his stepfather contingent upon his receiving a liberal education. John did not know of this. Had there been the slightest disgrace associated with his being bound out, neither his mother nor the court would have allowed such an arrangement. By inheritance, John would be a large land holder. Thomas Hawkins died ca1676.

Understandably, John wasn't pleased with the custody arrangement his step-parents made. In February of 1691, he returned to court. "John Hawkins, son of Majr. Tho. Hawkins, this day in open Court made choyce of Capt. Wm. Moseley for his guardian." Moseley was brother-in-law of John Hawkins.

Continuing John's displeasure, he was back in court in September of 1704. "Jury to settle land dispute between Wm. & Frances Robinson and John Hawkins. Frances is the only dayu and heir of Saml Blomfiueld dec'd. Benjamin Moseley swore in the jury. John Hawkins produced an plder patent and was found Not Guilty of Trespass."

(Essex Co. W&D 12, p. 59) It seemed some felt that Frances Blomfield Robinson was Samuel's dau by his second marriage. The dispute shows that Frances Robinson had a claim against the Hawkins estate. Such a claim could have come only frin her mother who was the widow of Maj. Thos. Hawkins (11) , and the 1<sup>st</sup> wife of Samuel Blomfield. John evidently proved he was the rightful heir.

---

James and family moved to Clark County in the early 1820s. His son, William Morton, lived in Clinton CO MO. The other sons and daughters stayed in KY as far as I know. I corresponded with descendants of each of James and Margaret Hawkins' offspring, except for Sally and Margaret. Margaret, born c1813, married David P. Ringo 28-11-1833 in Fleming County. They had descendants living in the Sherman, Texas area, but I've never located them. I found that information on an extensive Ringo Internet website, but never received an answer to my query. Sally married George Halliday in Fleming County in 1835, but I've not furthered research on her family. That's on my "to do" list! The following record is census of Fleming County, 1830. (Thanks to Sally Hathaway for sending it in.)

## Walter R. Hawkins

Walter R. Hawkins, ancestor of Sally Hathaway, was a blacksmith, according to Fleming County KY's 1850 census records. At this time, Walter was married to Angeline Snedegar/Snediger. As his family continued, he named male children after each of his brothers. While we do not have a record of a Thomas R. (note below) being the name of one of Walter's brothers, it is entirely possible and he may have died young.

Walter's brother, Moses R., was also a blacksmith. Later in life, he owned an Inn in Hillsboro, KY, a two-story establishment serving spirits (ghosts perhaps?) and offering a night's lodging for travelers who waited to board the train. The Inn also served as a depot.

The will proved in court on June 21, 1726. The inventory recorded the next month, on July 19, and the estate was valued at :533.12.7. (WB 7, pp. 166-9)

It was noted that John's children had some trouble getting their shares of their father's estate from their stepmother. William Hawkins, one of John's sons went to court, bringing suit against his stepmother. By 1828, he was old enough to represent himself, while the preceding year, his brother Thomas, represented him. Grace Stallard later married John Morgan, her third marriage.

Mr. Arrington's arm

J. E. Arrington's gravestone

In the late 1800s, Mr. J. E. Arrington "lost" his arm in North Texas. The tradition at the time was to bury a limb. Mr. Arrington's arm has its own gravestone, er... armstone. When the gentleman passed away some months later, there wasn't room next to his appendage. He had to be buried more than an arm's length away!

## Welcome to The Hawkins Family Organization

We hope you will contribute to the publication of *HAWKINS HERITAGE* -- every issue, once a year, or whenever you like. It is from your submissions that our issues can maintain a large amount of information. Be your own editor and proofreader. We organize and print the material as is, or with minimal changes. Please follow these guidelines for your submission.

1. Use standard 8 1/2 inch paper.
2. Try to leave a one inch margin on the top and sides and 1 1/2 inches on the bottom.
3. Type, print, or write legibly. Dark black ink copies the best.
4. If an item is larger than 8 1/2 x 11, and you are unable to reduce it, then send it as is to the editor to reduce.
5. Your submission may be written as a letter to the members, the editor, an article with title and author, a question or an answer to the members, or copies of documents, maps, etc.
6. If you are sending copyrighted material, please give the title, author, publisher, copyright date, and page. If it is not copyrighted, please cite the source so that credit may still be given.
7. If you want your submissions returned, please provide return postage.
8. If you send family group sheets, number each sheet in the order that it is to be interpreted. This is extremely important especially if it is used in our publication, but also for my indexed files.
9. Put your name on *every* page you send.
10. Please put the **date** on your letters as well as on the material you submit. It is helpful if you use an **inside address** on your letters. I file your letters but not the envelopes in my notebooks.
11. If you are a new member, please send the editor a family group sheet and/or pedigree chart. You may send more than one query a year—standard or letter form.

*Hawkins Heritage* began publication with the idea of our members contributing Hawkins information, not only on their own lines, but additional notes they take during research, whether it is of their branch or not. It might help someone else. (If the latter are handwritten, the editor will transcribe it.) AND if you have a picture of a Hawkins ancestor, I'd be glad to publish it.

Dates of submission: Send at any time. Occasionally I have received too much for an upcoming issue, and at other times, I need more material. ~ Olyve Abbott

P. S. ~ Suggestions always welcome!
