**MARRIED BY
ELDER SOLOMON STONER**

437 Carroll County Couples united by the "marrying preacher" from January 1866 to August 1901.

Among the historical papers of my late uncle, James S. Waltz, whose estate is now being settled, was a long list of 437 couples joined in holy wedlock by the marrying Dunkard preacher, Elder Solomon Stoner. This list will be of great interest to many of the older residents and should be preserved by the Maryland Historical Society for posterity. To my knowledge none were ever divorced but stayed happily married—a remarkable record indeed compared to present day statistics which show one out of every five either seeking annulment or dissolution of their marriage bonds.

The list follows:
