

Here follows pages of advertisements which show the support the merchants have given the Annual Guard and Tackle. In turn, we students have tried to patronize our advertisers. It is they who have supported the high school in every activity, and it is they who have made this book a financial possibility. It is the duty of every student to continue to give their united support to the Stockton merchants.

The Census embraces about 17,000,000 women. How would you like to be the Census, fellows?

Teacher—Didn't I tell you not to leave your seat?

Scrub—Yes, but it was too heavy to bring with me.

"This suspense will kill me," murmured the horse thief as he dangled from a tree.

First Boy—"We had the minister for dinner today."

Second Boy—"We had chicken."

Too good to dance
Or to be kissed,—
He is perchance
A pessimist.

Life is short, only four letters in it. Three quarters of it is a "lie," and half of it an "if."

School girls were created before mirrors and have been before them ever since.

"I have somewhat of a rolling gait," spoke the dice.

"Yes," agreed the deck of cards, "while I merely shuffle along."

THE SONG SHOP

The popularity of the Song Shop is partly due to the fact that it is the only exclusive store in Stockton. One visit will explain other reasons. You hear the latest at The Song Shop thirty days ahead of others.

For your houseparties, club or social dances the Novelty Dance Orchestra furnishes the best dance music, and they are always a success when this “peppy” music is on the job. You pay no more for the best, so make all engagements at The Song Shop.

"Why don't you carry a sample?"

"What animal is satisfied with the least nourishment?"
Pupil: "The moth; he eats holes."

"Wouldn't you like to have some of Rockefeller's money?"
"No, I wouldn't. It's tainted."
"Why?"

A Timely Decision

The Crew has decided they don't want "Hap" Gall any longer. He is long enough.

Mary had a little waist,
Where waists were meant to grow,
And everywhere that fashions went,
The waist was made to go.

Policeman to editor—Why did you kick that poet out of the door just now?

Editor (angrily)—Because he had the nerve to come in here and ask me if duck pants were made of feathers.

“The best of hair must part.”

Said A2B, “I-C-U-R inclined 2-B-A-J.”

Said B2A, “U’r mind I-C shows signs of slight D-K.”

“What is a standing invitation?”

“It’s the look in a girl’s face when she comes into a crowded car and gazes at the boys who occupy seats.”

“Why do they call the middle ages the dark ages?”

“Because there were so many knights.”

Witty Student, offering the protection of his umbrella to a pretty girl: “May I be your rain beau?”
