

TO MOTHER DEAR

May the pleasure of living
Gladden all that you do
May the joys of this day
Stay forever with you
May the smile of good fortune
Light so freely your way
You will know only sunshine
Every year — every day!

Barbara Jane Haas.

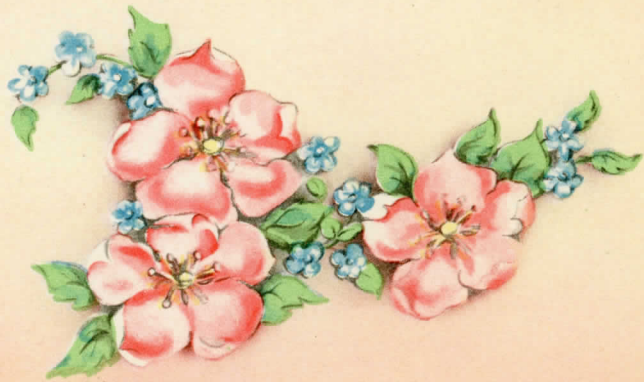

A
MOTHER'S DAY
Greeting

For MOTHER

and FATHER

Although today is set apart,
Mother dear, for you,
Surely you won't mind if this
Includes dear Father, too —

For both of you deserve to have
A very generous share
Of all the things
Good Fortune brings —
'Cause you're a wonderful pair!

Barbara Jane

I consider this Your Day!

May happiness
be yours today
And Maytime skies

And joy go with you,
Mother dear,
As my good wishes do

*A Mother's Day
Prayer for You,
MOTHER*

For every cherished memory
Of all your love has meant to me,
For thoughtful things you do and say
To brighten up the darkest day,
For all the things you've always done
To make my life a happier one
Day by day and year by year --
For these, God bless you, Mother dear.
