

Herr Schneider

My name is Wilma Haas Lucas.
My sister and I visited you June at your
home. The wine you served was the best
I had in Germany.

We thank your lovely wife for
the ^{post} cards of the church and the wine
glasses.

Our grandfather was born in
the Ferry House on the Oberhausen Rd.
His great grandfather Johann Peter was
granted a Certificate of operations for the "Nahe ^{Fähre} Ferry"
Oberhausen in the year 1779 by Carl Theodor
Lord of Pfalz.

We saw the restored building on
the Oberhausen Rd and would like to know
more about its construction and how it will
be used.

We are also interested in learning
more about the Niederhausen church. ~~Its~~
~~history and~~ We understand you are the
historian of the Niederhausen area. We
would appreciate any information you could
send us.

Thank you again for your
hospitality

Wilma Haas Lucas
