Dear Grace

2 - NOV 1910

Thanks for card rec'd last week. So glad to hear from you and so glad you are so near your father's. Grace, I am so sorry you didn't come visit us before you got settled, but come whenever you can. Just got home last week from a visit at Fred's. Had a fine time. When I got home I found a card from Nellie, dated Nov 5, stating that she was to be married that evening and invites us to come visit them but she doesn't say whom she married, and I don't know. Expected Arthur & Florence here yesterday but they didn't come. I have a little wedding present for you and Sam. Will send them to you if I have opportunity. Love Aunt Anna.
