This will give you an idea of how the
campus is. It is really swell. I was going to
send this to Babby, but instead am sending it
to you in Mary's letter. I have mine sealed.

P.S. That water in the distance is a reservoir from
the Hudson River. The weather up here is swell.
It is cold, but not like it is back home. It is a dryer
cold, where it is damp in Indiana.
