

Hello Cliff-

How are things back  
there? It seems a long  
time since I left.

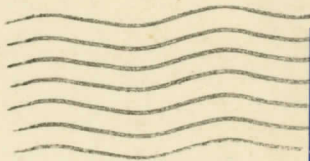

We are having a nice  
time out here.

Barbara & I were just out  
to see Olive. She is getting  
along just fine. We cooked  
dinner for her & Walt.

It takes 2 1/2 hrs to get from  
Marjorie's to Olive's house.  
and as long to get back.  
must be a good boy. I will see  
you some time. Love  
Grandma
