Dear Norma and Walter,

The weather is great.

70° at 5 in the evening who
could ask for anything better.
Hope that ice storm didn't
reach you. Sounds like the
Chicago area really had a bad
day.

We have a motel room
right on the beach and spend
some time walking and sunning.
Both have sunbaths so we are
being very careful today.

Hope you had a good trip

Love

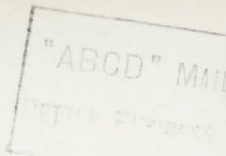

Walter
