

INN OF THE MOUNTAIN GODS

Owned and operated by the Mescalero Apache Tribe, nestled on the shores of Lake Mescalero, located in the Sacramento Range, capped by the 11,400-foot Sierra Blanda. A multi-million dollar complex, featuring indoor and outdoor tennis courts, swimming pool, spa, saunas, 18-hole championship golf course, pro-shop, stables, trap and skeet ranges, hunting and fishing.

Dear Norma and Walter

We spent this past weekend here at the Inn of the Mountain Gods. It was a beautiful place. We could see snow on top of one mountain.

This is an old picture. It is 3 times this big.

We fly to San Francisco tomorrow
