The special session was permitted to reconsider the levy but the tuition was increased from 38 cents to 55 cents. The board are assigned for this year. Last year the amount was made there was a round \$30,000. Half of this amount has been on board a year ago. There must be an increase in the members wanted to payers the advantage as long as possible. Had Been Released Bond When Sheriff Arrived

O. H. Andrews, of Columbus, Ind., charged with forgery in an affidavit on file in the office of the county clerk, was not brought to this city Wednesday from Indianapolis where he was arrested as Sheriff Hattery had planned. When Hattery went after his man he found that he had been slated at the police station on the charge of being a fugitive from justice and released on bond for appearance in the police court tomorrow afternoon. Hattery went to Indianapolis again Thursday afternoon with the hope of finding his man and bringing him here. Andrews was charged with passing a bad check for \$48 at the Goodrich Brothers elevator at Westfield.

Sheriff Hattery has hopes of bringing John Brombel, of Columbus, Ind., to this city soon to stand trial on the charge of writing bad checks. Brombel has been identified by Cliff Caca and Ray Gill as being the man who gave them some bad paper. He was arrested in Indianapolis but Sheriff Hattery understands that the case against him at Columbus is not conclusive and that the prosecutor of Bartholomew county is about ready to turn him over to the authorities of Hamilton county. It is said that the checks which Brombel is alleged to have passed here bore the name Charles Miller.
