Parent's or Guardians, Please Read

If a pupil receives an unsatisfactory mark on any subject it should be made a matter of immediate inquiry. Possibly it is to be attributed to lack of study, to too many outside engagements, to irregular attendance, or to some other cause which may be removed.

Special attention is called to the importance of the citizenship grade. If any grade below A is given the reason will be checked. Since this is one grade in which an A is possible for every child, the parent should cooperate with the teacher in applying corrective measures to accomplish this. The parent should demand from his child an A in citizenship.

We suggest that you talk over this report with your child each time it is received, and if it has any particular needs which are indicated to you by the marks on this card, that you confer with the teacher or superintendent regarding it.

If the parents could show their interest in the child and school by occasional visits to the school, it would prove a great source of inspiration and help to both pupil and teacher.

Your hearty cooperation is solicited in the endeavor to secure the best development of your child.
