Foreword

V. I-Family of John Walden Meyers and Mary/Polly Gruber/Kruger, dealt mainly with the eldest son of George and Margaretha Waldemeier, Johannes/Hans Waldemeier, who became John Walden Meyers, a Loyalist spy. It also included the family of the oldest son of John's sister, Elizabeth, who followed his uncle to settle in the Bay of Quinte area.

V. II will cover the additions and corrections to the families in V.I. I have tried to include the sources of my information in the pages that follow, so there is no separate bibliography.

V. III will deal mainly with the New York branches of the family, brothers and sisters of John, most of whom remained in or near the Hudson River Valley. I will carry these families only through the 1860 census period for the most part, although I may have information on some families later.

I planned to choose one spelling of the name to use regularly, but I found myself using various spellings as they appeared on records, so you will find several different spellings of some of the names.

Permission is granted to copy as long as the title page is included to give credit to the person who compiled the information.

If you have additions or corrections, I would appreciate it if you would send me a copy so I can correct my original. My address is:
Mildred E. Sussell, 151 S. Harvey, Jackson, MI 49201.
