Notes for RICHARD GOODWIN HANDLEY:

(THE FOLLOWING ACCOUNTS RELATED TO PATRICIA BOWER, WHEN VISITING IN 1988): When he (Richard) needed a birth certificate, he was given a choice of choosing Goodwin after a Brewer boy friend of Aunt Ona's, or Valentine, another of her beaux. He thought Valentine a bit too fancy.

DICK WOULD TIE A ROPE ONTO A PLOW AND PULL IT WHILE grandpa Charles William Handley would plow. He got on well with his grandfather. One day his Grandpa was resting against the corn crib. There was a large puddle before him. Dick (age 12 ) hit the puddle with a large stone hammer, splashing mud and gravel onto his grandpa's face. Grandpa gave Dick a "tongue Lashing". Dick was ever so sorry as he truly loved his grandpa.

Uncle James Saunders worked for the railroad and was away from home frequently. His wife Rachel was fearful of staying alone. Richard would spend the night and leave for school from thier home. He called her his second mom. He had a dog that would go with him. Despite making the dog a comfortable bed on the porch, the dog would return home. However, when he was ready to walk to school in the morning, the dog would be there waiting for him.

He moved to Eaton, OH in 1912, to live with Aunt Ona (whose husband had died in a hunting accident in 1911), calling her his third mom. He attended 2 years high school in Eaton, OH. He was under the legal age to be married so brother Bernard signed for him.

### Notes for WILLIAM BOWYER HANDLEY:

#### Biographical Sketches of W. B. Handley

I was born in Huntington, W. Va., May 16, 1922. My parents moved to Florida when I was about three years old. My Grandfather, E. J. Bowyer was in the steamship business there (Tampa). Then they moved to Lakeland, Fla., where E. J. had a good size piece of property and ran a cafeteria. That was about 1925 or 26. From there they moved to Gainesville, Fla.. My father Garland Love Handley ran a Graham Paige auto dealership there along with his brother Beniah William (NIDE) Handley. That was in the late 20's and early 30's

About that time my Mother and Father divorced. Due to that situation my Mother had to go to work, to

## RELATIVELY SPEAKING

support my Brother and me. This was at the start of the depression.. Along about that time my Great Aunt Louise (Lafontisee) Fielding, wife of Thomas Wesley Fielding, wanted me to stay with her for a couple of weeks while Uncle Tom was off on a trip, (I think it was to get dried out), and I ended up spending eleven years with them. They were unable to have any children.

On January 9, 1942, I enlisted in the Army Air Corps at Jacksonville, Fla.. From there I was sent to Camp Blanding at Stark, Fla. for my induction. Then I was sent to Jefferson Barracks, Mo., just south of St. Louis, Mo. When I stepped off the train, the temperature was 5 degrees above. Don't think that this Florida boy wasn't cold. The next morning they took us to the obstacle course. I made it through, but fell out at the end. Then the next morning I went on sick call with 104 fever and Pneumonia. While in the hospital, there was a Black draftee who was put in my ward in a private room, that had been bitten by a mad dog. He had failed to tell the Army that he had been bitten and was under treatment ( half way through ), for Rabies. That was a mistake and it was a horrible way to die.

After I completed Basic training there and was sent to Chicago for aviation mechanics school, at Aeronautical University on Michigan Ave.. We lived at the Y.M.C.A. on Wabash Ave.. This was in March---July. They don't call Chicago the windy city for nothing! Upon my graduation at A.U., I was sent to Moody Air Force Base, at Valdosta, Ga. . While there almost a year, I suddenly went blind in my right eye, went in the hospital. ( A week after entering the Hospital my shipping orders came out to go to Texas to be assigned to a unit for overseas duty ). They couldn't find the problem and sent me to the Army Hospital at Chamblee, Ga., LAWSON GENERAL HOSPITAL. After about 25 Doctors examined me they gave me a Medical Discharge, so they could have the bed for the wounded that were coming in from the Pacific by the train load.

After my discharge, Uncle Tom sent me to a specialist (ENT DR. Taylor) in Jacksonville, who found my trouble and operated. After that, I got a job with Martin Aircraft, in Baltimore, MD. inspecting. While there I had another attack in my eye, (the doctor said I probably would have one more). When I went to the personnel office to quit, the draft-dodger sitting behind the desk told me that if I quit the Army would get me. Being a Handley you should know what my response to that would be, "Just watch which way my butt goes when I walk out the door, I'm already a Veteran".

After a three month layoff I got a job at Oak-Ridge, Tenn., where I stayed until the end of the war, ( # 2 ). From that time on I was a;

Hotel desk clerk

Oil Co. delivery-man

Ice Plant Manager at Lake Harbor, Fla.

Aircraft Mechanic at Clewiston, Fla.

" " " Miami International Airport, Miami Fla.

" " " Hollywood, Fla. converting AT-6's into smoke writers ( in the sky ), for Pepsi-Cola.

Then my Brother Bob ( R.H. Tolbert ), drafted me to come to Troy, Ala., to setup, install and maintain Bendix washing machines, in self-service washaterias in south Ala. .

When my Mother retired from the University of Florida, she moved to Mountain City, Ga. . After several years laundering dirty clothes and working on washers I moved to Mountain City, Ga. to raise rabbits and be with Mother, since I was single at that time.

While there, I met the girl of my dreams and married my beautiful wife Martha ( 9/22/1950 ), who has provided me with three beautiful talented daughters. Also they have provided Martha and myself with two beautiful Granddaughters ( one each for Heloise and Lynn ) and two very handsome Grandsons ( by Julia ).

Other jobs held were;

Lessud Window Plant, Clayton, Ga.

S. H. Kirkpatrick ( monorail erection ) Charlotte, NC

Sears Roebuck, Atlanta, Ga.

Reeves Hardware Clayton, Ga.

and finally but not least, Ga. Power Co. at Tallulah Falls, Ga. ( 1st three weeks ), Plant Atkinson, Atlanta, Ga. ( 16 Mo. ), Plant Hammond, Rome, Ga. ( 10 years ), Tugalo Village, Tallulah, Falls, Ga. ( 20 years ), before

RELATIVELY SPEAKING

To Susan Manolakos if she is still around or for anyone who can help me!

I found that Major John Cantrell Sr. did not marry Mary Ellen Clendenin AKA Nellie.

Mary Ellen did have a child by him. John Cantrell Jr. and married Mary Clendenin d/o George Clendenin, brother of Mary Ellen Clendenin.

Mary and John Cantrell Jr. had a daughter Eleanor Jemima Cantrell who married Charles Clendenin Miller.

Eleanor and Charles Miller had a son John Miller who married a Maria Bowyer sister of Victoria Bowyer, daughters of John Bowyer and Permelia Brown.

Victoria Bowyer married James Benton Dudding who are my husband's mother's grand parents.

Some of our cousins have been searching for info about John Cantrell Sr. too. They had heard that Permelia Brown was a grand daughter of John Cantrell but I still have not found any proof of this. Also it was said Permelia's parents were Mr. Brown and Miss Cantrell too. If you have any info to help me too please reply.

Nelly (Eleanor) Clendinen was hauled into Greenbrier Co. (W) VA court in Oct. 1780 for bastardy. It appears this is only a month after the supposed birthdate of John Cantrell, her son. It appears she also had a child by Andrew Hamilton, and finally married George Stephenson about 1783 by whom she had several children. The story of Nelly has apparently been sanitized by later family who had her married to an unknown Cantrell. No such marriage record exists, however, and it is not at all clear who John Cantrell's father was, or how John acquired the name Cantrell if his mother was not married. It's kind of a mystery which, as far as I know, has not been solved. If anyone has found any information on ANY Cantrells in Virginia in the 1780's, I would love to know about it.

While doing research on another line in Orange Co, NC, where an unidentified William Clendinen was living from about 1760 or so, I found a couple of skimpy references to George and Charles Clendinen being there briefly around 1780. This has caused me to wonder if the Wm. Clendinen of NC might be related to the Virginia branch. And, there WERE Cantrells in Orange Co. NC at this time. I have wondered if Eleanor might have been visiting in NC with her father or brothers at the time she met up with her unknown Cantrell, but had returned to Virginia by the time John Cantrell was born. Joseph Cantrell was in Orange Co. at the time, and I wonder if he, or one of his sons, might have been the father. No proof at all, just speculating in the absence of any information on Virginia Cantrells.

Charles Clendinen Miller and Eleanor Cantrell are also in my direct line, although I have not done much research on them. Their daughter Margaret (actually Margaret Eliza Florence Miller) m. John Dashner in Point Pleasant, Mason Co., WV. They are my ggparents.

Sorry, I had missed your message earlier. Yes, that is correct. John Cantrell born 1780 (later known as Major John Cantrell) was an illegitimate child of Nellie/Eleanor Clendinen, and she was brought into court in Greenbrier Co, WV in Oct of 1780 to answer charges of bastardy. She apparently also had a child by Andrew Hamilton, and finally married George Stephenson about 1783. I don't know for sure who the father of Major John Cantrall was, although there was a note posted just today to Genforum indicating his father may have been John Cantrall, b 1750 Augusta Co. VA, died 1780, place unknown. This John was a son of Joseph (b1720-25 Pa) who was son of

Zebulon, son of Richard. I have not confirmed this myself, but hope to research it further. See the reply to my note with today's date for more information, although I don't have much more than that. The Clendinens may have been in Augusta Co. around the time this elder John was supposedly born, abt 1750, but by the 1780's they were in Greenbriar, soon to move west into Kanawha and Mason Counties, WV. It is not known who raised John, but he definitely reappeared in adulthood in Point Pleasant and rejoined his Clendinen kin. I am also a descendant of Charles Clendinen Miller mentioned in your note.

Contributed by Judy Reamy, Feb 25, 2003 [jreamy@msn.com]. Total Records = 37.

To reach cemetery take Co. Rd. 495B off Texas 7 between Marlin and Lott TX. On the right side of the road up in the trees. You can barely see some of the stones from the road and it's very easy to miss.

## RELATIVELY SPEAKING

Cemetery is old and was overgrown with weeds. The only stones that appear to be cared for are the Magee plot. These are all in good shape with many having been replaced.

No one has been buried here in a while. It's up in a farmers field, fenced off from the pasture. About 75 ft. off the road. Many of the stones are broken and unreadable. The area is overgrown with weeds and ivy and may be impossible to find in the spring or summer.

Stones were read 11/2001, when I walked the cemetery. These are all the readable stones.

### Notes for WILLIAM BOWYER HANDLEY:

#### Biographical Sketches of W. B. Handley

I was born in Huntington, W. Va., May 16, 1922. My parents moved to Florida when I was about three years old. My Grandfather, E. J. Bowyer was in the steamship business there (Tampa). Then they moved to Lakeland, Fla., where E. J. had a good size piece of property and ran a cafeteria. That was about 1925 or 26. From there they moved to Gainesville, Fla.. My father Garland Love Handley ran a Graham Paige auto dealership there along with his brother Beniah William (NIDE) Handley. That was in the late 20's and early 30's

## RELATIVELY SPEAKING

About that time my Mother and Father divorced. Due to that situation my Mother had to go to work, to support my Brother and me. This was at the start of the depression.. Along about that time my Great Aunt Louise (Lafontisee) Fielding, wife of Thomas Wesley Fielding, wanted me to stay with her for a couple of weeks while Uncle Tom was off on a trip, (I think it was to get dried out), and I ended up spending eleven years with them. They were unable to have any children.

On January 9, 1942, I enlisted in the Army Air Corps at Jacksonville, Fla.. From there I was sent to Camp Blanding at Stark, Fla. for my induction. Then I was sent to Jefferson Barracks, Mo., just south of St. Louis, Mo. When I stepped off the train, the temperature was 5 degrees above. Don't think that this Florida boy wasn't cold. The next morning they took us to the obstacle course. I made it through, but fell out at the end. Then the next morning I went on sick call with 104 fever and Pneumonia. While in the hospital, there was a Black draftee who was put in my ward in a private room, that had been bitten by a mad dog. He had failed to tell the Army that he had been bitten and was under treatment ( half way through ), for Rabies. That was a mistake and it was a horrible way to die.

After I completed Basic training there and was sent to Chicago for aviation mechanics school, at Aeronautical University on Michigan Ave.. We lived at the Y.M.C.A. on Wabash Ave.. This was in March---July. They don't call Chicago the windy city for nothing! Upon my graduation at A.U., I was sent to Moody Air Force Base, at Valdosta, Ga. . While there almost a year, I suddenly went blind in my right eye, went in the hospital. ( A week after entering the Hospital my shipping orders came out to go to Texas to be assigned to a unit for overseas duty ). They couldn't find the problem and sent me to the Army Hospital at Chamblee, Ga., LAWSON GENERAL HOSPITAL. After about 25 Doctors examined me they gave me a Medical Discharge, so they could have the bed for the wounded that were coming in from the Pacific by the train load.

After my discharge, Uncle Tom sent me to a specialist (ENT DR. Taylor) in Jacksonville, who found my trouble and operated. After that, I got a job with Martin Aircraft, in Baltimore, MD. inspecting. While there I had another attack in my eye, (the doctor said I probably would have one more). When I went to the personnel office to quit, the draft-dodger sitting behind the desk told me that if I quit the Army would get me. Being a Handley you should know what my response to that would be, "Just watch which way my butt goes when I walk out the door, I'm already a Veteran".

After a three month layoff I got a job at Oak-Ridge, Tenn., where I stayed until the end of the war, ( # 2 ). From that time on I was a;

Hotel desk clerk

Oil Co. delivery-man

Ice Plant Manager at Lake Harbor, Fla.

Aircraft Mechanic at Clewiston, Fla.

" " " Miami International Airport, Miami Fla.

" " " Hollywood, Fla. converting AT-6's into smoke writers ( in the sky ), for Pepsi-Cola.

Then my Brother Bob ( R.H. Tolbert ), drafted me to come to Troy, Ala., to setup, install and maintain Bendix washing machines, in self-service washaterias in south Ala. .

When my Mother retired from the University of Florida, she moved to Mountain City, Ga. . After several years laundering dirty clothes and working on washers I moved to Mountain City, Ga. to raise rabbits and be with Mother, since I was single at that time.

While there, I met the girl of my dreams and married my beautiful wife Martha ( 9/22/1950 ), who has provided me with three beautiful talented daughters. Also they have provided Martha and myself with two beautiful Granddaughters ( one each for Heloise and Lynn ) and two very handsome Grandsons ( by Julia ).

Other jobs held were;

Lessud Window Plant, Clayton, Ga.

S. H. Kirkpatrick ( monorail erection ) Charlotte, NC

Sears Roebuck, Atlanta, Ga.

Reeves Hardware Clayton, Ga.

and finally but not least, Ga. Power Co. at Tallulah Falls, Ga. ( 1st three weeks ), Plant Atkinson, Atlanta, Ga. (

Now I'm spending my time, mowing grass, making bread, working on genealogy tracing my roots on this idiot box ( computer ), but it's fun and passes a lot of time.

## *Descendants of William I Clenenin*

### *Generation No. 1*

#### 1. WILLIAM I<sup>1</sup> CLENENIN

Notes for WILLIAM I CLENENIN:

his is the William of Castle. There is a baptism record for his son William (1680-1764) that records that William of Castle was the father of This William, II

Child of WILLIAM I CLENENIN is:

2. i. WILLIAM II<sup>2</sup> CLENDENIN, b. May 16, 1680, Staplegorton Par, Dangholm,Dumfries, Scotland; d. November 1764, Quarterland, Killinchey Parish, County Down, Ireland.

### *Generation No. 2*

2. WILLIAM II<sup>2</sup> CLENDENIN (*WILLIAM I<sup>1</sup> CLENENIN*) was born May 16, 1680 in Staplegorton Par, Dangholm,Dumfries, Scotland, and died November 1764 in Quarterland, Killinchey Parish, County Down, Ireland. He married ROSEANNE/ANN KIRKPATRICK Bet. 1710 - 1712 in Scotland. She was born 1692 in Glenkiln, and died Abt. 1762.

Notes for WILLIAM II CLENDENIN:

This is the last ancestor of Lillie Mae Clendenin, that we have researched. Lillie Mae Clendenin was born March 15, 1892. We have enjoyed following her tracks through History. We traced her ancestor William Glendenin in Scotland, and then when her family fled to Ireland, and then Lillie Mae's direct ancestor fled Ireland with his brothers for America. We followed Lillies ancestors through the Indian Wars, Revolutionary War, the journey to the Western Frontier of Virginia, the Civil War and the establishment and settlement of Charleston, Kanawha County West Virginia. Charleston, Kanawha County, West Virginia was named Charles Town after Lillie Mae's ancestor and later named Charleston. A monument now stands in front of the Charleston, Kanawha County Court House, honoring her family. We have enjoyed this journey through history. The only sadness we have is that this was not accomplished before Lillie Mae Clendenin's death February 14, 1972.

For this great and interesting family, we go to a rather ambitious compilation of Glendenning information. G. T. Clindenning of Adelaide AUS, began compiling information for a series of 12 books of "The House Of Glendoywyn, in which he traced Glendennings from Dublin Ireland back to the main continent of Europe. Facts that we know for sure a William Glendenning died in November 1764, in Killinchey Parish, County Down, Ireland. He left a will in which he named several Children. Jean who married a Hanna. Andrew married Elizabeth ----had a daughter Rose. William living in 1764. Charles was living in 1764 and Roas (Rose) was living in 1764. Alexander, lived in Killyleah, Do. Down (This is G. T. Clendenning's line) Elizabeth married John Morrow, who inherited two-thirds of Quarterland.

John Morrow and John Stuart in Quarterland were Clendenning's sole executors. The will was apparently signed April 07, 1764 and was proved before Bernard Ward on November 16, 1764.

William actually had thirteen children in all,

Throughout the list of children in Part V, Clindenning contends that three brothers left Scotland and arrived in America in 1746.

The brothers , born in Dumfriesshire, Scotland, left Scotland after the wreck of the Jacobite cause in 1746. They were on the wrong side of a Jacobite rebellion. they left Scotland, for Ireland whence accompanied by their brothers, Thomas, John and Archibald Clendinen, they sailed for America, reaching Baltimore in 1746. They were probably fugitives from Culloden Field. Of James Clendinen's life in America nothing appears to be definitely known. He seems to have returned to Ireland before 1786 and settled at Ballyministra, Co. Down, not far from his father's home, dying in 1788. By his wife, Jane Reid, who survived him. James left the children : William, John who are the ancestors of the Canadian family of Clendinnen: Jane, and Anne.

CHARLES, B- abt 1700, B- Scotland, left Scotland for Ireland and then on to America in abt. 1746. This Charles

## RELATIVELY SPEAKING

is our very own Patriarch, to whom we owe all that we are ...we are descended down through his son Adam, through Adam's son Robert, through Robert's son Archibald S. through Archibald S. Son, John Buran, through John Buran's son John Van Buren (Bu) , through his daughter Lillie Mae. Born in Dumfriesshire, Scotland, Charles Clendinen settled in West Virginia in 1746, and was the father of at least twelve children. For those females in the family who wish to get their DAR status : William was a Revolutionary officer in 1776-1783 and noted opponent of the Indians in the pioneer wars.

Colonel William Clendinen founded the Virginian and Illinois line of the Name, and George, a Revolutionary officer in 1776-83 member of the Constitutional Convention of Virginia in 1783.

Commandant of the Frontier in Western Virginia and the founder of Charleston, the Capital of West Virginia.

.....  
The author of the book states that William of Quarterland was engaged in many military activities (actually documented) but he was out of the military service by 1716. When the cry of th "the auld Stuarts back again" was raised in 1715 (a Jacobite rebellion) it is reported that William of Castle was at Castletown of Braemar along with a great number of his kinsmen, both near and far.

The army was defeated at Prestonpans and forty of Williams Gentlemen Friends were put to death. William remained in Ireland, and before 1736 had established himself at Quarterland in the parish of Killinchey, Do. Down.

By 1736 William Glendenning is supposed to have settled in Co. Down at Quarterland. He was living in Killinchey Parish, Co. Down when he died and his will was probated there.

fMany questions need to be answered. William GLendinning was baptized at Langholm in May 1680 and we believe died in Ireland in 1764. We can not find a marriage record nor baptismal records for his children. We do know that in May 1680 William (son of William) was baptised, Langholm Parish, Dumfriesshire, Scotland. We think he married Roseanne/Anne Kirkpatrick, but where?

We know he was on the losing side of a Jacobite situation.

We know he established himself at Quarterland, Co. Down, in Ireland. We know that he dies at at Quarterland in Ireland in 1764.

Other questions arises....When and where did he marry Anne Kirkpatrick? Even if they had their first child the same year they married (we will call it 1700) they probably would have had a mazimum of 7 children by the time he left to fight against the Crown in 1715. "The House of Glendonwyn" says there were 13 children.

Now, where was Anne during the time he was fighting and wandering before going to Ireland? A Scottish researcher states that if they had property and apparently he still held the title to Barntalloch Castle at Langholm, Roseanne Kirkpatrick would have stayed there to hold the property in his name.

There is a 20 year span of time between 1715 and 1735 when he is supposed to have become established in Co. Down. Where was he and what was he doing? None of his children - the oldest presumably no more than 15 yrs old in 1715 - would have been old enough to marry.

We have not come up with an explanation as to why baptismal records do not surface for these children.

Children of WILLIAM CLENDENIN and ROSEANNE/ANN KIRKPATRICK are:

- i. WILLIAM III<sup>3</sup> CLENDENIN, b. Bet. 1680 - 1764, Dumfriesshire, Scotland; d. Abt. 1764, Quarterland, Killinchy.
3. ii. JAMES CLENDENIN, d. 1788, Ballymininistra, Co. Down, Ireland.

- iv. JEAN CLENDENIN, b. Abt. 1710.
- v. JOHN CLENDENIN, b. 1710; d. Pine Hill, Cumberland,.

Notes for JOHN CLENDENIN:

John, described as brother of James and Charles Clendinen and traditionally as a Scots Laird, "who lost his head in some of the wars between Scotland and England" Obviously a reference to the Jacobite disaster of 1746. He had made his home in Pennsylvania, and he was the father of at least five sons, all in the Revolutionary army in 1776-2783. The sons- John founded a line in Pennsylvania, William in Pennsylvania, James in Pennsylvania, Samuel, in New Jersey, and Isaac, in New Jersey, founder of the Rhode Island line.

While serving with the VA Militia at the age of 16, he was seriously wounded in the right wrist and forearm, crippling him for life. He was awarded a VA pension by the House of Burgesses. It is likely that his action was in pursuit of Chief Cornstalk, whose party had shortly before had massacred Archibald Clendennin and most of his family. In spite of his disability, he served with the VA Militia during the Revolutionary War at the Battle of Point Pleasant, 10 Oct 1774.

Notes for RICHARD GOODWIN HANDLEY:

(THE FOLLOWING ACCOUNTS RELATED TO PATRICIA BOWER, WHEN VISITING IN 1988): When he (Richard) needed a birth certificate, he was given a choice of choosing Goodwin after a Brewer boy friend of Aunt Ona's, or Valentine, another of her beaux. He thought Valentine a bit too fancy.

DICK WOULD TIE A ROPE ONTO A PLOW AND PULL IT WHILE grandpa Charles William Handley would plow. He got on well with his grandfather. One day his Grandpa was resting against the corn crib. There was a large puddle before him. Dick (age 12 ) hit the puddle with a large stone hammer, splashing mud and gravel onto his grandpa's face. Grandpa gave Dick a "tongue Lashing". Dick was ever so sorry as he truly loved his grandpa.

Uncle James Saunders worked for the railroad and was away from home frequently. His wife Rachel was fearful of staying alone. Richard would spend the night and leave for school from thier home. He called her his second mom. He had a dog that would go with him. Despite making the dog a comfortable bed on the porch, the dog would return home. However, when he was ready to walk to school in the morning, the dog would be there waiting for him.

He moved to Eaton, OH in 1912, to live with Aunt Ona (whose husband had died in a hunting accident in 1911), calling her his third mom. He attended 2 years high school in Eaton, OH. He was under the legal age to be married so brother Bernard signed for him.

Notes for WILLIAM BOWYER HANDLEY:

Biographical Sketches of W. B. Handley

I was born in Huntington, W. Va., May 16, 1922. My parents moved to Florida when I was about three years old. My Grandfather, E. J. Bowyer was in the steamship business there (Tampa). Then they moved to Lakeland, Fla., where E. J. had a good size piece of property and ran a cafeteria. That was about 1925 or 26. From there they moved to Gainesville, Fla.. My father Garland Love Handley ran a Graham Paige auto dealership there along with his brother Beniah William (NIDE) Handley. That was in the late 20's and early 30's

About that time my Mother and Father divorced. Due to that situation my Mother had to go to work, to support my Brother and me. This was at the start of the depression.. Along about that time my Great Aunt Louise (Lafontisee) Fielding, wife of Thomas Wesley Fielding, wanted me to stay with her for a couple of weeks while Uncle Tom was off on a trip, (I think it was to get dried out), and I ended up spending eleven years with them. They were unable to have any children.

On January 9, 1942, I enlisted in the Army Air Corps at Jacksonville, Fla.. From there I was sent to Camp Blanding at Stark, Fla. for my induction. Then I was sent to Jefferson Barracks, Mo., just south of St. Louis, Mo. When I stepped off the train, the temperature was 5 degrees above. Don't think that this Florida boy wasn't cold. The next morning they took us to the obstacle course. I made it through, but fell out at the end. Then the next morning I went on sick call with 104 fever and Pneumonia. While in the hospital, there was a Black draftee who was put in my ward in a private room, that had been bitten by a mad dog. He had failed to tell the Army that he had been bitten and was under treatment ( half way through ), for Rabies. That was a mistake and it was a horrible way to die.

After I completed Basic training there and was sent to Chicago for aviation mechanics school, at Aeronautical University on Michigan Ave.. We lived at the Y.M.C.A. on Wabash Ave.. This was in March---July. They don't call Chicago the windy city for nothing! Upon my graduation at A.U., I was sent to Moody Air Force Base, at Valdosta, Ga. . While there almost a year, I suddenly went blind in my right eye, went in the hospital. ( A week after entering the Hospital my shipping orders came out to go to Texas to be assigned to a unit for overseas duty ). They couldn't find the problem and sent me to the Army Hospital at Chamblee, Ga., LAWSON GENERAL HOSPITAL. After about 25 Doctors examined me they gave me a Medical Discharge, so they could have the bed for the wounded that were coming in from the Pacific by the train load.

After my discharge, Uncle Tom sent me to a specialist (ENT DR. Taylor) in Jacksonville, who found my trouble and operated. After that, I got a job with Martin Aircraft, in Baltimore, MD. inspecting. While there I had another attack in my eye, (the doctor said I probably would have one more). When I went to the personnel office to quit, the draft-dodger sitting behind the desk told me that if I quit the Army would get me. Being a Handley you should know what my response to that would be, "Just watch which way my butt goes when I walk out the door, I'm already a Veteran".

After a three month layoff I got a job at Oak-Ridge, Tenn., where I stayed until the end of the war, ( # 2 ). From that time on I was a;

Hotel desk clerk

Oil Co. delivery-man

Ice Plant Manager at Lake Harbor, Fla.

Aircraft Mechanic at Clewiston, Fla.

" " " Miami International Airport, Miami Fla.

" " " Hollywood, Fla. converting AT-6's into smoke writers ( in the sky ), for Pepsi-Cola.

Then my Brother Bob ( R.H. Tolbert ), drafted me to come to Troy, Ala., to setup, install and maintain Bendix washing machines, in self-service washaterias in south Ala. .

When my Mother retired from the University of Florida, she moved to Mountain City, Ga. . After several years laundering dirty clothes and working on washers I moved to Mountain City, Ga. to raise rabbits and be with Mother, since I was single at that time.

## RELATIVELY SPEAKING

While there, I met the girl of my dreams and married my beautiful wife Martha ( 9/22/1950 ), who has provided me with three beautiful talented daughters. Also they have provided Martha and myself with two beautiful Granddaughters ( one each for Heloise and Lynn ) and two very handsome Grandsons ( by Julia ).

Other jobs held were;

Lessud Window Plant, Clayton, Ga.

S. H. Kirkpatrick ( monorail erection ) Charlotte, NC

Sears Roebuck, Atlanta, Ga.

Reeves Hardware Clayton, Ga.

and finally but not least, Ga. Power Co.at Tallulah Falls, Ga. ( 1st three weeks),Plant Atkinson, Atlanta, Ga. ( 16 Mo. ), Plant Hammond, Rome, Ga. (10 years ), Tugalo Village, Tallulah, Falls, Ga. ( 20 years ), before retiring, January 1, 1987.

Now I'm spending my time, mowing grass, making bread, working on genealogy tracing my roots on this idiot box ( computer ), but it's fun and passes a lot of time.

He married EDITH BRUBAKER. She was born February 20, 1900.

Notes for RICHARD GOODWIN HANDLEY:

(THE FOLLOWING ACCOUNTS RELATED TO PATRICIA BOWER, WHEN VISITING IN 1988): When he (Richard) needed a birth certificate, he was given a choice of choosing Goodwin after a Brewer boy friend of Aunt Ona's, or Valentine, another of her beaux. He thought Valentine a bit too fancy.

DICK WOULD TIE A ROPE ONTO A PLOW AND PULL IT WHILE grandpa Charles William Handley would plow. He got on well with his grandfather. One day his Grandpa was resting against the corn crib. There was a large puddle before him. Dick (age 12 ) hit the puddle with a large stone hammer, splashing mud and gravel onto his grandpa's face. Grandpa gave Dick a "tongue Lashing". Dick was ever so sorry as he truly loved his grandpa.

Uncle James Saunders worked for the railroad and was away from home frequently. His wife Rachel was fearful of staying alone. Richard would spend the night and leave for school from thier home. He called her his second mom. He had a dog that would go with him. Despite making the dog a comfortable bed on the porch, the dog would return home. However, when he was ready to walk to school in the morning, the dog would be there waiting for him.

He moved to Eaton, OH in 1912, to live with Aunt Ona (whose husband had died in a hunting accident in 1911), calling her his third mom. He attended 2 years high school in Eaton, OH. He was under the legal age to be married so brother Bernard signed for him.

Notes for WILLIAM BOWYER HANDLEY:

## RELATIVELY SPEAKING

### Biographical Sketches of W. B. Handley

I was born in Huntington, W. Va., May 16, 1922. My parents moved to Florida when I was about three years old. My Grandfather, E. J. Bowyer was in the steamship business there (Tampa). Then they moved to Lakeland, Fla., where E. J. had a good size piece of property and ran a cafeteria. That was about 1925 or 26. From there they moved to Gainesville, Fla.. My father Garland Love Handley ran a Graham Paige auto dealership there along with his brother Beniah William (NIDE) Handley. That was in the late 20's and early 30's

About that time my Mother and Father divorced. Due to that situation my Mother had to go to work, to support my Brother and me. This was at the start of the depression.. Along about that time my Great Aunt Louise (Lafontisee) Fielding, wife of Thomas Wesley Fielding, wanted me to stay with her for a couple of weeks while Uncle Tom was off on a trip, (I think it was to get dried out), and I ended up spending eleven years with them. They were unable to have any children.

On January 9, 1942, I enlisted in the Army Air Corps at Jacksonville, Fla.. From there I was sent to Camp Blanding at Stark, Fla. for my induction. Then I was sent to Jefferson Barracks, Mo., just south of St. Louis, Mo. When I stepped off the train, the temperature was 5 degrees above. Don't think that this Florida boy wasn't cold. The next morning they took us to the obstacle course. I made it through, but fell out at the end. Then the next morning I went on sick call with 104 fever and Pneumonia. While in the hospital, there was a Black draftee who was put in my ward in a private room, that had been bitten by a mad dog. He had failed to tell the Army that he had been bitten and was under treatment ( half way through ), for Rabies. That was a mistake and it was a horrible way to die.

After I completed Basic training there and was sent to Chicago for aviation mechanics school, at Aeronautical University on Michigan Ave.. We lived at the Y.M.C.A. on Wabash Ave.. This was in March---July. They don't call Chicago the windy city for nothing! Upon my graduation at A.U., I was sent to Moody Air Force Base, at Valdosta, Ga. . While there almost a year, I suddenly went blind in my right eye, went in the hospital. ( A week after entering the Hospital my shipping orders came out to go to Texas to be assigned to a unit for overseas duty ). They couldn't find the problem and sent me to the Army Hospital at Chamblee, Ga., LAWSON GENERAL HOSPITAL. After about 25 Doctors examined me they gave me a Medical Discharge, so they could have the bed for the wounded that were coming in from the Pacific by the train load.

After my discharge, Uncle Tom sent me to a specialist (ENT DR. Taylor) in Jacksonville, who found my trouble and operated. After that, I got a job with Martin Aircraft, in Baltimore, MD. inspecting. While there I had another attack in my eye, (the doctor said I probably would have one more). When I went to the personnel office to quit, the draft-dodger sitting behind the desk told me that if I quit the Army would get me. Being a Handley you should know what my response to that would be, "Just watch which way my butt goes when I walk out the door, I'm already a Veteran".

After a three month layoff I got a job at Oak-Ridge, Tenn., where I stayed until the end of the war, ( # 2 ). From that time on I was a;

Hotel desk clerk

Oil Co. delivery-man

Ice Plant Manager at Lake Harbor, Fla.

Aircraft Mechanic at Clewiston, Fla.

" " " Miami International Airport, Miami Fla.

" " " Hollywood, Fla. converting AT-6's into smoke writers ( in the sky ), for Pepsi-Cola.

Then my Brother Bob ( R.H. Tolbert ), drafted me to come to Troy, Ala., to setup, install and maintain Bendix washing machines, in self-service washaterias in south Ala. .

When my Mother retired from the University of Florida, she moved to Mountain City, Ga. . After several years laundering dirty clothes and working on washers I moved to Mountain City, Ga. to raise rabbits and be with Mother, since I was single at that time.

While there, I met the girl of my dreams and married my beautiful wife Martha ( 9/22/1950 ), who has provided me with three beautiful talented daughters. Also they have provided Martha and myself with two beautiful Granddaughters ( one each for Heloise and Lynn ) and two very handsome Grandsons ( by Julia ).

Other jobs held were;  
Lessud Window Plant, Clayton, Ga.  
S. H. Kirkpatrick ( monorail erection ) Charlotte, NC  
Sears Roebuck, Atlanta, Ga.

and finally but not least, Ga. Power Co.at Tallulah Falls, Ga. ( 1st three weeks),Plant Atkinson, Atlanta, Ga. ( 16 Mo. ), Plant Hammond, Rome, Ga. (10 years ), Tugalo Village, Tallulah, Falls, Ga. ( 20 years ), before retiring, January 1, 1987.

Now I'm spending my time, mowing grass, making bread, working on genealogy tracing my roots on this idiot box ( computer ), but it's fun and passes a lot of time.

### Notes for WILLIAM BOWYER HANDLEY:

#### Biographical Sketches of W. B. Handley

I was born in Huntington, W. Va., May 16, 1922. My parents moved to Florida when I was about three years old. My Grandfather, E. J. Bowyer was in the steamship business there (Tampa). Then they moved to Lakeland, Fla., where E. J. had a good size piece of property and ran a cafeteria. That was about 1925 or 26. From there they moved to Gainesville, Fla.. My father Garland Love Handley ran a Graham Paige auto dealership there along with his brother Beniah William (NIDE) Handley. That was in the late 20's and early 30's

About that time my Mother and Father divorced. Due to that situation my Mother had to go to work, to support my Brother and me. This was at the start of the depression.. Along about that time my Great Aunt Louise

## RELATIVELY SPEAKING

(Lafontisee) Fielding, wife of Thomas Wesley Fielding, wanted me to stay with her for a couple of weeks while Uncle Tom was off on a trip, (I think it was to get dried out), and I ended up spending eleven years with them. They were unable to have any children.

On January 9, 1942, I enlisted in the Army Air Corps at Jacksonville, Fla.. From there I was sent to Camp Blanding at Stark, Fla. for my induction. Then I was sent to Jefferson Barracks, Mo., just south of St. Louis, Mo. When I stepped off the train, the temperature was 5 degrees above. Don't think that this Florida boy wasn't cold. The next morning they took us to the obstacle course. I made it through, but fell out at the end. Then the next morning I went on sick call with 104 fever and Pneumonia. While in the hospital, there was a Black draftee who was put in my ward in a private room, that had been bitten by a mad dog. He had failed to tell the Army that he had been bitten and was under treatment ( half way through ), for Rabies. That was a mistake and it was a horrible way to die.

After I completed Basic training there and was sent to Chicago for aviation mechanics school, at Aeronautical University on Michigan Ave.. We lived at the Y.M.C.A. on Wabash Ave.. This was in March---July. They don't call Chicago the windy city for nothing! Upon my graduation at A.U., I was sent to Moody Air Force Base, at Valdosta, Ga. . While there almost a year, I suddenly went blind in my right eye, went in the hospital. ( A week after entering the Hospital my shipping orders came out to go to Texas to be assigned to a unit for overseas duty ). They couldn't find the problem and sent me to the Army Hospital at Chamblee, Ga., LAWSON GENERAL HOSPITAL. After about 25 Doctors examined me they gave me a Medical Discharge, so they could have the bed for the wounded that were coming in from the Pacific by the train load.

After my discharge, Uncle Tom sent me to a specialist (ENT DR. Taylor) in Jacksonville, who found my trouble and operated. After that, I got a job with Martin Aircraft, in Baltimore, MD. inspecting. While there I had another attack in my eye, (the doctor said I probably would have one more). When I went to the personnel office to quit, the draft-dodger sitting behind the desk told me that if I quit the Army would get me. Being a Handley you should know what my response to that would be, "Just watch which way my butt goes when I walk out the door, I'm already a Veteran".

After a three month layoff I got a job at Oak-Ridge, Tenn., where I stayed until the end of the war, ( # 2 ). From that time on I was a;

Hotel desk clerk

Oil Co. delivery-man

Ice Plant Manager at Lake Harbor, Fla.

Aircraft Mechanic at Clewiston, Fla.

" " " Miami International Airport, Miami Fla.

" " " Hollywood, Fla. converting AT-6's into smoke writers ( in the sky ), for Pepsi-Cola.

Then my Brother Bob ( R.H. Tolbert ), drafted me to come to Troy, Ala., to setup, install and maintain Bendix washing machines, in self-service washaterias in south Ala. .

When my Mother retired from the University of Florida, she moved to Mountain City, Ga. . After several years laundering dirty clothes and working on washers I moved to Mountain City, Ga. to raise rabbits and be with Mother, since I was single at that time.

While there, I met the girl of my dreams and married my beautiful wife Martha ( 9/22/1950 ), who has provided me with three beautiful talented daughters. Also they have provided Martha and myself with two beautiful Granddaughters ( one each for Heloise and Lynn ) and two very handsome Grandsons ( by Julia ).

Other jobs held were;

Lessud Window Plant, Clayton, Ga.

S. H. Kirkpatrick ( monorail erection ) Charlotte, NC

Sears Roebuck, Atlanta, Ga.

Reeves Hardware Clayton, Ga.

and finally but not least, Ga. Power Co. at Tallulah Falls, Ga. ( 1st three weeks ), Plant Atkinson, Atlanta, Ga. ( 16 Mo. ), Plant Hammond, Rome, Ga. ( 10 years ), Tugalo Village, Tallulah, Falls, Ga. ( 20 years ), before retiring, January 1, 1987.

Bill Guyer's notes from Hillcrest Cemetery: Mary C. Guyer - wife of William L.(1879-1981) and 3 Vomasicks, I think Mary's parents and brother Joseph Vomasick (1845 - 1906), Anna Vomasick (1854-1931), and Charles Vomasick (1894-1933). "The records at the Peninsula Granite and Marble Company in Ironwood show that Mary purchased the headstone for Anna and Joseph and also for William L. The date of the purchase was 1951 but that may not be correct in the case of her husband's stone as he had died 20 years earlier. The records show an address for Mary at 7417 28th Ave in Kenosha, WI and also what was apparently a summer time address at 202 W 2nd Ave in Bessemer."

Notes for RICHARD GOODWIN HANDLEY:

(THE FOLLOWING ACCOUNTS RELATED TO PATRICIA BOWER, WHEN VISITING IN 1988): When he (Richard) needed a birth certificate, he was given a choice of choosing Goodwin after a Brewer boy friend of Aunt Ona's, or Valentine, another of her beaux. He thought Valentine a bit too fancy.

DICK WOULD TIE A ROPE ONTO A PLOW AND PULL IT WHILE grandpa Charles William Handley would plow. He got on well with his grandfather. One day his Grandpa was resting against the corn crib. There was a large puddle before him. Dick (age 12 ) hit the puddle with a large stone hammer, splashing mud and gravel onto his grandpa's face. Grandpa gave Dick a "tongue Lashing". Dick was ever so sorry as he truly loved his grandpa.

Uncle James Saunders worked for the railroad and was away from home frequently. His wife Rachel was fearful of staying alone. Richard would spend the night and leave for school from thier home. He called her his second mom. He had a dog that would go with him. Despite making the dog a comfortable bed on the porch, the dog would return home. However, when he was ready to walk to school in the morning, the dog would be there waiting for him.

He moved to Eaton, OH in 1912, to live with Aunt Ona (whose husband had died in a hunting accident in 1911), calling her his third mom. He attended 2 years high school in Eaton, OH. He was under the legal age to be married so brother Bernard signed for him.

## RELATIVELY SPEAKING

Notes for WILLIAM BOWYER HANDLEY:

Biographical Sketches of W. B. Handley

I was born in Huntington, W. Va., May 16, 1922. My parents moved to Florida when I was about three years old. My Grandfather, E. J. Bowyer was in the steamship business there (Tampa). Then they moved to Lakeland, Fla., where E. J. had a good size piece of property and ran a cafeteria. That was about 1925 or 26. From there they moved to Gainesville, Fla.. My father Garland Love Handley ran a Graham Paige auto dealership there along with his brother Beniah William (NIDE) Handley. That was in the late 20's and early 30's

About that time my Mother and Father divorced. Due to that situation my Mother had to go to work, to support my Brother and me. This was at the start of the depression.. Along about that time my Great Aunt Louise (Lafontisee) Fielding, wife of Thomas Wesley Fielding, wanted me to stay with her for a couple of weeks while Uncle Tom was off on a trip, (I think it was to get dried out), and I ended up spending eleven years with them. They were unable to have any children.

On January 9, 1942, I enlisted in the Army Air Corps at Jacksonville, Fla.. From there I was sent to Camp Blanding at Stark, Fla. for my induction. Then I was sent to Jefferson Barracks, Mo., just south of St. Louis, Mo. When I stepped off the train, the temperature was 5 degrees above. Don't think that this Florida boy wasn't cold. The next morning they took us to the obstacle course. I made it through, but fell out at the end. Then the next morning I went on sick call with 104 fever and Pneumonia. While in the hospital, there was a Black draftee who was put in my ward in a private room, that had been bitten by a mad dog. He had failed to tell the Army that he had been bitten and was under treatment ( half way through ), for Rabies. That was a mistake and it was a horrible way to die.

After I completed Basic training there and was sent to Chicago for aviation mechanics school, at Aeronautical University on Michigan Ave.. We lived at the Y.M.C.A. on Wabash Ave.. This was in March---July. They don't call Chicago the windy city for nothing! Upon my graduation at A.U., I was sent to Moody Air Force Base, at Valdosta, Ga. . While there almost a year, I suddenly went blind in my right eye, went in the hospital. ( A week after entering the Hospital my shipping orders came out to go to Texas to be assigned to a unit for overseas duty ). They couldn't find the problem and sent me to the Army Hospital at Chamblee, Ga., LAWSON GENERAL HOSPITAL. After about 25 Doctors examined me they gave me a Medical Discharge, so they could have the bed for the wounded that were coming in from the Pacific by the train load.

After my discharge, Uncle Tom sent me to a specialist (ENT DR. Taylor) in Jacksonville, who found my trouble and operated. After that, I got a job with Martin Aircraft, in Baltimore, MD. inspecting. While there I had another attack in my eye, (the doctor said I probably would have one more). When I went to the personnel office to quit, the draft-dodger sitting behind the desk told me that if I quit the Army would get me. Being a Handley you should know what my response to that would be, "Just watch which way my butt goes when I walk out the door, I'm already a Veteran".

After a three month layoff I got a job at Oak-Ridge, Tenn., where I stayed until the end of the war, ( # 2 ). From that time on I was a;

Hotel desk clerk

Oil Co. delivery-man

Ice Plant Manager at Lake Harbor, Fla.

Aircraft Mechanic at Clewiston, Fla.

" " " Miami International Airport, Miami Fla.

" " " Hollywood, Fla. converting AT-6's into smoke writers ( in the sky ), for Pepsi-Cola.

Then my Brother Bob ( R.H. Tolbert ), drafted me to come to Troy, Ala., to setup, install and maintain Bendix washing machines, in self-service washaterias in south Ala. .

When my Mother retired from the University of Florida, she moved to Mountain City, Ga. . After several years laundering dirty clothes and working on washers I moved to Mountain City, Ga. to raise rabbits and be with Mother, since I was single at that time.

While there, I met the girl of my dreams and married my beautiful wife Martha ( 9/22/1950 ), who has provided me with three beautiful talented daughters. Also they have provided Martha and myself with two

beautiful Granddaughters ( one each for Heloise and Lynn ) and two very handsome Grandsons ( by Julia ).

Other jobs held were;

Lessud Window Plant, Clayton, Ga.

S. H. Kirkpatrick ( monorail erection ) Charlotte, NC

Sears Roebuck, Atlanta, Ga.

Reeves Hardware Clayton, Ga.

and finally but not least, Ga. Power Co.at Tallulah Falls, Ga. ( 1st three weeks),Plant Atkinson, Atlanta, Ga. ( 16 Mo. ), Plant Hammond, Rome, Ga. (10 years ), Tugalo Village, Tallulah, Falls, Ga. ( 20 years ), before retiring, January 1, 1987.

Now I'm spending my time, mowing grass, making bread, working on genealogy tracing my roots on this idiot box ( computer ), but it's fun and passes a lot of time.

These records have been acquired by me (W. B. Handley) through several sources, as follows;

Notes for CHARLIE MASON GRIST:

: Uncle Bill,

: I found Uncle Charlie!!! I found where he registered for military service during WW1 between 1917-1918. He was born 24 November 1889 and his name is Charles Mayson Grist, according to the registration card. My employer's wife has a subscription to Ancestry.com and she logged on for me and let me view the record and BAM there he was. I was floored, but I am very sure it is him. It lists him as married, but doesn't give a name to his wife. He would have been about 28 or 29. I know that there is more out there, it is just finding it. Just passing along the information I have found. Pass it along to the others if you would like. I had not looked on the internet for anything on him until now. Maybe there is more out there.

: Love,

: Janet

Notes for ROBERT EDWIN WILLIAMSON:

: Uncle Bill,

: I found Uncle Charlie!!! I found where he registered for military service during WW1 between 1917-1918. He was born 24 November 1889 and his name is Charles Mayson Grist, according to the registration card. My employer's wife has a subscription to Ancestry.com and she logged on for me and let me view the record and BAM there he was. I was floored, but I am very sure it is him. It lists him as married, but doesn't give a name to his wife. He would have been about 28 or 29. I know that there is more out there, it is just finding it. Just passing along the information I have found. Pass it along to the others if you would like. I had not looked on the internet for anything on him until now. Maybe there is more out there.

: Love,

: Janet

Notes for WILLIAM BOWYER HANDLEY:

Biographical Sketches of W. B. Handley

I was born in Huntington, W. Va., May 16, 1922. My parents moved to Florida when I was about three years old. My Grandfather, E. J. Bowyer was in the steamship business there (Tampa). Then they moved to Lakeland, Fla., where E. J. had a good size piece of property and ran a cafeteria. That was about 1925 or 26. From there they moved to Gainesville, Fla.. My father Garland Love Handley ran a Graham Paige auto dealership there along with his brother Beniah William (NIDE) Handley. That was in the late 20's and early 30's

About that time my Mother and Father divorced. Due to that situation my Mother had to go to work, to support my Brother and me. This was at the start of the depression.. Along about that time my Great Aunt Louise (Lafontisee) Fielding, wife of Thomas Wesley Fielding, wanted me to stay with her for a couple of weeks while Uncle Tom was off on a trip, (I think it was to get dried out), and I ended up spending eleven years with them. They were unable to have any children.

On January 9, 1942, I enlisted in the Army Air Corps at Jacksonville, Fla.. From there I was sent to Camp Blanding at Stark, Fla. for my induction. Then I was sent to Jefferson Barracks, Mo., just south of St. Louis, Mo. When I stepped off the train, the temperature was 5 degrees above. Don't think that this Florida boy wasn't cold. The next morning they took us to the obstacle course. I made it through, but fell out at the end. Then the next morning I went on sick call with 104 fever and Pneumonia. While in the hospital, there was a Black draftee who was put in my ward in a private room, that had been bitten by a mad dog. He had failed to tell the Army that he had been bitten and was under treatment ( half way through ), for Rabies. That was a mistake and it was a horrible way to die.

## RELATIVELY SPEAKING

After I completed Basic training there and was sent to Chicago for aviation mechanics school, at Aeronautical University on Michigan Ave.. We lived at the Y.M.C.A. on Wabash Ave.. This was in March---July. They don't call Chicago the windy city for nothing! Upon my graduation at A.U., I was sent to Moody Air Force Base, at Valdosta, Ga. . While there almost a year, I suddenly went blind in my right eye, went in the hospital. ( A week after entering the Hospital my shipping orders came out to go to Texas to be assigned to a unit for overseas duty ). They couldn't find the problem and sent me to the Army Hospital at Chamblee, Ga.,LAWSON GENERAL HOSPITAL. After about 25 Doctors examined me they gave me a Medical Discharge, so they could have the bed for the wounded that were coming in from the Pacific by the train load.

After my discharge, Uncle Tom sent me to a specialist (ENT DR. Taylor) in Jacksonville, who found my trouble and operated. After that, I got a job with Martin Aircraft, in Baltimore, MD. inspecting. While there I had another attack in my eye, (the doctor said I probably would have one more). When I went to the personnel office to quit, the draft-dodger sitting behind the desk told me that if I quit the Army would get me. Being a Handley you should know what my response to that would be, "Just watch which way my butt goes when I walk out the door, I'm already a Veteran".

After a three month layoff I got a job at Oak-Ridge, Tenn., where I stayed until the end of the war, ( # 2 ). From that time on I was a;

Hotel desk clerk

Oil Co. delivery-man

Ice Plant Manager at Lake Harbor,Fla.

Aircraft Mechanic at Clewiston, Fla.

" " " Miami International Airport, Miami Fla.

" " " Hollywood, Fla. converting AT-6's into smoke writers ( in the sky ), for Pepsi-Cola.

Then my Brother Bob ( R.H. Tolbert ), drafted me to come to Troy, Ala., to setup, install and maintain Bendix washing machines, in self-service washaterias in south Ala. .

When my Mother retired from the University of Florida, she moved to Mountain City, Ga. . After several years laundering dirty clothes and working on washers I moved to Mountain City, Ga. to raise rabbits and be with Mother, since I was single at that time.

While there, I met the girl of my dreams and married my beautiful wife Martha ( 9/22/1950 ), who has provided me with three beautiful talented daughters. Also they have provided Martha and myself with two beautiful Granddaughters ( one each for Heloise and Lynn ) and two very handsome Grandsons ( by Julia ).

Other jobs held were;

Lessud Window Plant, Clayton, Ga.

S. H. Kirkpatrick ( monorail erection ) Charlotte, NC

Sears Roebuck, Atlanta, Ga.

Reeves Hardware Clayton, Ga.

and finally but not least, Ga. Power Co.at Tallulah Falls, Ga. ( 1st three weeks),Plant Atkinson, Atlanta, Ga. ( 16 Mo. ), Plant Hammond, Rome, Ga. (10 years ), Tugalo Village, Tallulah, Falls, Ga. ( 20 years ), before retiring, January 1, 1987.

Now I'm spending my time, mowing grass, making bread, working on genealogy tracing my roots on this idiot box ( computer ), but it's fun and passes a lot of time.

### Generation No. 1

1. WILLIAM<sup>1</sup> HANDLEY died 1756. He married MARGARET ???.

Notes for WILLIAM HANDLEY:

The following account of the Handley Family was provided to Lowell McKinster, by Miss Bertha Clark, Peterstown, WVA, in 1953. She apparently wrote this about 1939. Miss Bertha lived across the street from Lowell.

-----

### THE HANDLEY FAMILY

Handley, an old English name, is found given to parishes and hamlets in Chesire, Derbyshire, Staffordshire, and Worcestershire under various spellings: Hanley, Handly, Handley; and where before the 15th Century, the family bore arms in the County of Nottingham. In Ireland as bearer of arms between the 11th and 15th Century, the name appears in Connaught and Roscommon, with the Celtic prefix of O'as: O'Hanly, O'Hanley. The record books of Pennsylvania and Maryland show the name equally as popular in early America under the old English spelling - Hanley, Handly, Handley.

The founders of the Handley families in Greenbrier and Monroe Counties were John and William Handley, who came in with the Scotch-Irish emigration to Augusta County, Virginia, from Pennsylvania, "late from Ireland" between 1740 - 1750. John settled on the Cowpasture; and his sons, John, Jr., and William became residents of Greenbrier County in 1790.

Our ancestor, William (the pioneer) settled in what is now Botetourt County on Staunton River (now Roanoke River) in 1746, and his sons became residents of Botetourt and what is now Monroe County, where their names appear prior to 1772. William died in 1756, according to family records. His wife's name was probably Margaret, but the date of her death is not known. Their son, Samuel Handley stated (Draper MSS.) that there were four children: John, Margaret, Nancy, and Samuel (himself); however, the family tradition is that there were four older sons, these being Archibald, William, Jr., James and Alexander.

William Handley came from Ireland, Cumberland Parish, Lunenburg Co. He was a weaver by trade. This information is found in the Vestry Book 1751, of Greenbrier Co. WV.

Notes for MARGARET ???:

Possible maiden name: Christie

Children of WILLIAM HANDLEY and MARGARET ??? are:

Notes for WILLIAM JR HANDLEY:

From the file of Bertha Lewis Clark, as written in 1939 and given to Lowell McKinster of Peterstown, West Virginia in 1953:

William Handley, Jr. - Many records appear in Botetourt and Montgomery Counties, VA until 1785 and later; he served in the Revolution. No record of marriage found.

- ii. JAMES HANDLEY, b. Bef. 1756; d. Aft. 1799.

Notes for JAMES HANDLEY:

From the file of Bertha Lewis Clark, as written in 1939 and given to Lowell McKinster of Peterstown, West Virginia in 1953:

Notes for JOHN HANDLEY:

From the file of Bertha Lewis Clark, as written in 1939 and given to Lowell McKinster of Peterstown, West Virginia in 1953:

John Handley (b. 1746; d. Jan. 3, 1811) - Many records in Botetourt concerning him; became resident of Monroe, 1774; also owned land in Jefferson County.

John Handley, son of William the pioneer, became a prominent citizen of Monroe. His name frequently appears on record books of Botetourt and Monroe, associated with Archibald, James, and Alexander Handley. Surveys of Botetourt show he purchased land on Indian Creek, now Monroe County, with his brother, Archibald Handley in 1774. (Statement by the late Turner McDowell, long clerk of Botetourt County.) John always always owned land in Jefferson County.

His home in Monroe County was Handley's Fort. This was not a Government fort, but a fortified house, where his family lived, and neighbors gathered for a place of safety during Indian alarms. It is not known exactly when the fort was built, but the date was prior to 1779, for records show that the Pauley party set out on their ill-fated trip to Kentucky from the fort in the fall of 1779. The fort stood less than a hundred yards from where the County

RELATIVELY SPEAKING

Infirmery of Monroe is now. To this day (1939) some of the old logs are still there and a great clump of rose bushes run to the wild.

John Handley served under General George Roger Clark, as Lieutenant, in his Illinois Campaign. No doubt, he rendered further service during the Revolution, but this is impossible to tell definitely, for he had a cousin in Greenbrier of the same name and near the same age, and as both were of Greenbrier/Botetourt section at this time, it is well nigh impossible to distinguish them apart. It is known, however, that John of Monroe served under Clark.

John's wife was Mary Harrison (b. 1745, d. Dec 4, 1829), and buried in the Guyandotte Cemetery near Huntington, WVA - where she had gone to make her home with her son, Isaac, after her husband's death. John was bom 1746 and died Jan 3, 1811, and is buried in Green Hill Cemetery at Union. They were married 1768.

THIS FROM Doug Boyer IN REPLY FOR DATA FROM "A History of Monroe County, West >Virginia."

I am not related to the Va/WV Boyers, although I do reside in WV now. the Monroe County book does not list Peter Bowyer (Boyer). There are several mentions of a John Handley and a Mary Handley (but not Harrison). I found the following:

page 81, under "Surveys under Botetourt in 1774" it says "Handley, John - 284 - Indian - L - Mar. 29" the explanation of the survey records is "In this chapter we give the few known surveys under Augusta which fall within the Monroe limits. The Indian wars and the opposition to the pretensions of the Loyal and Greenbrier companies explain why no surveys are on record during a period of about 20 years. Next is given a list of the surveys under Botetourt in 1774. These cover more than 16,000 acres of the best land, or the equivalent of a tract more than five miles square. Finally, we present a list of the patents under Greenbrier between 1780 and 1795. The name of the surveyee or patentee is followed in regular order by the number of acres, an abbreviated description of the locality, the company under which the survey was taken, and the date of the survey. The details

respecting patents are given in like order. The spelling of the proper names that are well known is according to the usage of the present day. L stands for Loyal Company, G for Greenbrier Company, n for near, adj. For adjoining, hd for head of."

Page 84 under "Patents Under Greenbrier" it says  
 "Handley, John 150 Turkey, adj. John Cantley 1787  
 Handley, John 366 Indian 1787  
 Handley, John 300 Indian - 1787"

On pages 92 and 94 under "Early Land Conveyances" it says:  
 "Clark, Samuel of John (Mary) Handley Sr. 35 5s Fork Survey Run of Indian - 1796  
 Handley, John, Jr. of John (Mary) Handley, Sr. 150 5s Turkey, adj. John Cantley - 1796" The explanation for those records is "In this chapter are lists of some of the earlier land conveyances that concern Old Monroe. It is not to be understood that in every instance the tract is actually inside the limits of the old county. The descriptions are sometimes too vague to determine this point without special knowledge.  
 In describing each conveyance, there are given first the name of the grantee and next the name of the grantor. If either party is known to be of another state, or of another county of the Virginias, such fact is mentioned. The Christian name of a wife is given in brackets.  
 Next, provided the particulars are known, there are given, (1) the number of acres; (2) the price; (3) the locality where the land lies; (4) date of survey and for whom surveyed; (5) date of patent and for whom patented; (6) date of deed. A c following a date means the approximate year.  
 In many instances only a nominal consideration is named in the deed. This is usually five shillings, - written 5s, - the value of which is 83 cents.  
 When the consideration is expressed in pounds, the letter p is written after the number of pounds. To reduce Virginia pounds to dollars, annex one cipher and divide by three. For instance, the sum of 3 pounds is equal to \$10.  
 We sometimes hear of a parcel of land being traded for a pair of boots or a pair of buckskin breeches. But ready money was not always at command, and the article was a consideration to hold the deed. It is not to be supposed that the buckskin breeches would actually pay for the land.  
 An index of grantor names is given at the end of the chapter. Grantee names are given in alphabetical order in the list of deeds.  
 P means patent."

The handley family section on page 350 says:  
 "HANDLEY

This family was once very prominent but is now extinct in Monroe.  
 John (Mary) (d. 1811) (estate \$2765.38). C: William (1769-1840) John (Pensie) Margaret (Samuel Clark) Sarah (Humphrey Keyes, 1803) Nancy (Thomas Akins, 1804) James (1767-1844) Alexander Elizabeth Walker, Archibald, Samuel, Isaac.  
 C. of William (Margaret Henderson): Zenas (Emeline R. Karnes, 1841) Lucinda Rebecca Polly (John Gill) Ruth (Jacob Barger) John Samuel (Isabel Barger) Lucinda (1796-1866) (William T. Arnott) Logan Lindy (-- weikel) Louise (s) - --- (Jean Arnott) Henderson Constantine Jabez (-- Charlotte).

Notes for MARGARET HANDLEY:

From the file of Bertha Lewis Clark, as written in 1939 and given to Lowell McKinster of Peterstown, West Virginia in 1953:

Margaret Handley (b. Feb 26, 1753; d. May or June 3, 1842); m. (1st) John Pauley, Oct 21, 1777. (He was killed by Indians in the fall of 1779 - see later); m. (2nd) Michael Erskine of Union, 1785. (He was b. 1752; d. 1812 - age 60); Michael and Margaret both buried at Union. Children by 1st marriage; child (b. 1778, d. 1779), killed by Indians; (2) John Pauley, (b. soon after mother became an Indian captive, 1779). Grew to manhood and went to Tenn., where he became Secretary to Missouri Fur Company and where he died. Children by 2nd marriage; Jane

Erskine (m. Hugh Caperton); Henry Erskine (m. Margaret Benson); Alexander Erskine (m. Cath. Russell); Michael Erskine, Jr., (m. Agnes Haynes).

Margaret Handley, who first became Mrs. John Pauley and afterwards the wife of Michael Erskine was an Indian captive for upwards of three years. Many sketches have been written on her life. Probably the most accurate are those by Kercheval, ("History of Va.", although he calls her Sarah whereas her name was Margaret); Judge David E. Johnston's ("History of the Middle New River Settlement"); and the one published in "The West Virginia News", at Ronceverte, for the Greenbrier Centennial.

The Pauley party, consisting of John Pauley, Margaret and child; Capt. James Pauley, wife and child; Mr. Wallace, and Brice Miller, left Handley's Fort near Union in the fall of 1779 to go to Kentucky. They followed the trail down by Wood's Fort, near what is now Peterstown, and on through the vast wilderness to New River; crossed the river near the mouth of Rich Creek and were overtaken by the Indians about five miles from the mouth of East River.

Capt. James Pauley was killed (Kercheval's records), Wallace, and the two children were killed. Margaret was dragged from her horse and knocked senseless by an Indian club, and John Pauley was mortally wounded. Believing that his wife and child were murdered, John Pauley, although mortally wounded, made his way back to Wood's Fort where he died the next day of his wounds.

Margaret was taken to the Indian towns on the Miami, where she was an Indian captive for upwards of three years. She was finally released, and returned to her people at Union, where she married Michael Erskine in 1785. The sketch in the "West Virginia News" states that she was a Greenbrier woman. To be sure, this is true, for Monroe was part of Greenbrier when she was captured, and until long after she returned from captivity. Monroe, however, has some claim on her too.

Handley's Fort, the home of her brother, Lieut. John Handley, the place from which the Pauley party set out on their journey to Kentucky was always on Monroe soil - it was where the County Infirmary of Monroe is now located, near Union. And as the wife of Michael Erskine, Margaret was a resident of Union. After Michael, her husband's death, in 1812, she made her home with her son, Henry, at Lewisburg. It was here she was interviewed by Kercheval in 1835. However, tradition says she frequently visited her children and relatives in Monroe.

The late Lewis F. Clark of Peterstown always insisted that he remembered having seen her at the home of his grandfather, Maj. Samuel Clark. I have no doubt his memory of her was correct, for he was born on Feb. 9, 1833 and she did not die until the spring of 1842, when he was a boy of nine years old. One can easily imagine the impression she would have made on a nine year old boy, who had often heard tales about her captivity. Besides, her niece, daughter of Lieut. John Handley, also called Margaret, was the wife of Maj. Samuel Clark.

Margaret's son, William, was the only son to remain in Monroe County. As a member of the firm of Erskine and Caruthers, he was owner and proprietor, (with his brother-in-law, Isaac Caruthers) of the Saft Sulphur Springs from 1823, onward for many years. Their first hotel, the large stone building on the hill overlooking the lawn, is still called "The Erskine House." Margaret, tradition says, visited her son at this old hostelry many times.

She lies buried in the Union Cemetery, by the side of her husband, Michael Erskine, from which spot "is to be seen one of the most beautiful views that this county affords." Margaret Handley died either May or June 3, 1842.

#### Paulee Family

On September 23, 1779, John Paulee and his wife, Margaret Hanly Paulee (age 27) were on a journey from Monroe Co. Va (WV) to Kentucky when they were attacked by Shawnee. John Paulee was shot along with their infant female child. Killed in the skirmish were Robert Wallis and his wife, Brice Miller and James Paulee.

## RELATIVELY SPEAKING

James Paulee's wife, Polly ,her child ,and Margaret were taken prisoner. The capture took place on Rich Creek, east of Peterstown in Monroe County.

John Paulee saw his wife dragged from her horse and believing she was dead, ran into the woods heading for Woods Fort on Rich Creek. Shortly after he reached the fort he died. The party of Shawnee consisted of 5 men and a white man named Morgan, who had married and lived among them.

Margaret and the other prisoners were taken to a Shawnee town located between the Miami and Scioto rivers. She then moved with the tribe to Pickaway and Sandusky Plains. At the time of her capture Margaret was pregnant and in May she gave birth to an infant son named John. She was adopted by a family named Wa-ba-kah-kah-to and remained with them for five years. When Wa-ba-kah-kah-to died she was adopted by his son Wabapusito.

During this time she had her own cabin and sewed. She made four shirts a day and sold them to the British for two shillings each.

Two young white boys taken prisoner, Jacky Calaway, 9 years old and Dicky Hou, 12 years old, were given to Margaret to raise. She talked with another white prisoner named Thomas McGuire. Frequently, Margaret saw Simon Girty and his brothers George and James and their Indian wives.

Five years later a Mr. Higgins ransomed Margaret for the sum of \$200.00. Along with eight other ransomed captives, Margaret, Mr. McCormack and Mr. Teays walked back to the Greenbrier settlement arriving May 1784. A year after her return Margaret married Michael Erskine and had five children. Before her death at age 90 in May 1842, she dictated a narrative of her capture to her grandson Allen T. Caperton.

A history of the Arnott family written by Dr. Maggie Ballard tells of one family member Jesse Arnott, of St. Louis, Missouri. It says he married a sister of his step-mother Lucinda Handley Arnott. Jesse's wife was named Mary Elizabeth Handley. This is possibly a child not yet on the list of William Handley's children.

Jesse Arnott was born 1812, and died May 11, 1896 in Monroe County, Virginia. Mary Elizabeth Handley, his wife, might have been born about the same year as Jesse. Jesse was an undertaker in St. Louis; his body was transported to St. Louis after he died in Monroe County while visiting his sister. The Arnott history written by Dr. Maggie Ballard might answer a lot of questions, but it was written for the local relatives; could be impossible to find a copy of it.

I, W. B. Handley, in checking the files imported from Volume 48 Family Tree Maker Tree # 0463, I find Sarah Keys b. November 11, 1764 and Humphrey b. November 13, 1764. Therefore I believe they were twins. Notes for RICHARD GOODWIN HANDLEY:

(THE FOLLOWING ACCOUNTS RELATED TO PATRICIA BOWER, WHEN VISITING IN 1988): When he (Richard) needed a birth certificate, he was given a choice of choosing Goodwin after a Brewer boy friend of Aunt Ona's, or Valentine, another of her beaux. He thought Valentine a bit too fancy.

DICK WOULD TIE A ROPE ONTO A PLOW AND PULL IT WHILE grandpa Charles William Handley would plow. He got on well with his grandfather. One day his Grandpa was resting against the corn crib. There was a large puddle before him. Dick (age 12 ) hit the puddle with a large stone hammer, splashing mud and gravel onto his grandpa's face. Grandpa gave Dick a "tongue Lashing". Dick was ever so sorry as he truly loved his grandpa.

Uncle James Saunders worked for the railroad and was away from home frequently. His wife Rachel was fearful of staying alone. Richard would spend the night and leave for school from thier home. He called her his second mom. He had a dog that would go with him. Despite making the dog a comfortable bed on the porch, the dog would return home. However, when he was ready to walk to school in the morning, the dog would be there waiting for him.

He moved to Eaton, OH in 1912, to live with Aunt Ona (whose husband had died in a hunting accident in 1911), calling her his third mom. He attended 2 years high school in Eaton, OH. He was under the legal age to be married so brother Bernard signed for him.

WILLIAM BOWYER<sup>8</sup> HANDLEY** (*GARLAND LOVE<sup>7</sup>, JOHN SAMUEL<sup>6</sup>, ALEXANDER WALKER<sup>5</sup>, SAMUEL<sup>4</sup>, JOHN<sup>3</sup>, WILLIAM<sup>2</sup>, BELIEVED TO BE JAMES<sup>1</sup>*) was born May 16, 1922 in HUNTINGTON, CABELL, WV. He married MARTHA ALICE WILLIAMSON September 22, 1950 in Mountain City, Ga. In Home, daughter of ROBERT WILLIAMSON and RUBY GRIST. She was born April 28, 1932 in MOUNTAIN CITY, RABUN, GEORGIA, and died January 27, 2000 in RABUN GAP, RABUN, GA..

Notes for WILLIAM BOWYER HANDLEY:

Biographical Sketches of W. B. Handley

I was born in Huntington, W. Va., May 16, 1922. My parents moved to Florida when I was about three years old. My Grandfather, E. J. Bowyer was in the steamship business there (Tampa). Then they moved to Lakeland, Fla., where E. J. had a good size piece of property and ran a cafeteria. That was about 1925 or 26. From there they moved to Gainesville, Fla.. My father Garland Love Handley ran a Graham Paige auto dealership there along with his brother Beniah William (NIDE) Handley. That was in the late 20's and early 30's

About that time my Mother and Father divorced. Due to that situation my Mother had to go to work, to support my Brother and me. This was at the start of the depression.. Along about that time my Great Aunt Louise (Lafontisee) Fielding, wife of Thomas Wesley Fielding, wanted me to stay with her for a couple of weeks while Uncle Tom was off on a trip, (I think it was to get dried out), and I ended up spending eleven years with them. They were unable to have any children.

On January 9, 1942, I enlisted in the Army Air Corps at Jacksonville, Fla.. From there I was sent to Camp Blanding at Stark, Fla. for my induction. Then I was sent to Jefferson Barracks, Mo., just south of St. Louis, Mo. When I stepped off the train, the temperature was 5 degrees above. Don't think that this Florida boy wasn't cold. The next morning they took us to the obstacle course. I made it through, but fell out at the end. Then the next morning I went on sick call with 104 fever and Pneumonia. While in the hospital, there was a Black draftee who was put in my ward in a private room, that had been bitten by a mad dog. He had failed to tell the Army that he had been bitten and was under treatment ( half way through ), for Rabies. That was a mistake and it was a horrible way to die.

After I completed Basic training there and was sent to Chicago for aviation mechanics school, at Aeronautical University on Michigan Ave.. We lived at the Y.M.C.A. on Wabash Ave.. This was in March---July. They don't call Chicago the windy city for nothing! Upon my graduation at A.U., I was sent to Moody Air Force Base, at Valdosta, Ga. . While there almost a year, I suddenly went blind in my right eye, went in the hospital. ( A week after entering the Hospital my shipping orders came out to go to Texas to be assigned to a unit for overseas duty ). They couldn't find the problem and sent me to the Army Hospital at Chamblee, Ga., LAWSON GENERAL HOSPITAL. After about 25 Doctors examined me they gave me a Medical Discharge, so they could have the bed for the wounded that were coming in from the Pacific by the train load.

After my discharge, Uncle Tom sent me to a specialist (ENT DR. Taylor) in Jacksonville, who found my

trouble and operated. After that, I got a job with Martin Aircraft, in Baltimore, MD. inspecting. While there I had another attack in my eye, (the doctor said I probably would have one more). When I went to the personnel office to quit, the draft-dodger sitting behind the desk told me that if I quit the Army would get me. Being a Handley you should know what my response to that would be, "Just watch which way my butt goes when I walk out the door, I'm already a Veteran".

After a three month layoff I got a job at Oak-Ridge, Tenn., where I stayed until the end of the war, ( # 2 ).  
From that time on I was a;

Hotel desk clerk

Oil Co. delivery-man

Ice Plant Manager at Lake Harbor, Fla.

Aircraft Mechanic at Clewiston, Fla.

" " " Miami International Airport, Miami Fla.

" " " Hollywood, Fla. converting AT-6's into smoke writers ( in the sky ), for Pepsi-Cola.

Then my Brother Bob ( R.H. Tolbert ), drafted me to come to Troy, Ala., to setup, install and maintain Bendix washing machines, in self-service washaterias in south Ala. .

When my Mother retired from the University of Florida, she moved to Mountain City, Ga. . After several years laundering dirty clothes and working on washers I moved to Mountain City, Ga. to raise rabbits and be with Mother, since I was single at that time.

While there, I met the girl of my dreams and married my beautiful wife Martha ( 9/22/1950 ), who has provided me with three beautiful talented daughters. Also they have provided Martha and myself with two beautiful Granddaughters ( one each for Heloise and Lynn ) and two very handsome Grandsons ( by Julia ).

Other jobs held were;

Lessud Window Plant, Clayton, Ga.

S. H. Kirkpatrick ( monorail erection ) Charlotte, NC

Sears Roebuck, Atlanta, Ga.

Reeves Hardware Clayton, Ga.

and finally but not least, Ga. Power Co.at Tallulah Falls, Ga. ( 1st three weeks), Plant Atkinson, Atlanta, Ga. ( 16 Mo. ), Plant Hammond, Rome, Ga. (10 years ), Tugalo Village, Tallulah, Falls, Ga. ( 20 years ), before retiring, January 1, 1987.

Now I'm spending my time, mowing grass, making bread, working on genealogy tracing my roots on this idiot box ( computer ), but it's fun and passes a lot of time.

Notes for ROBERT EDWIN WILLIAMSON:

: Uncle Bill,

: I found Uncle Charlie!!! I found where he registered for military service during WW1 between 1917-1918. He was born 24 November 1889 and his name is Charles Mayson Grist, according to the registration card. My employer's wife has a subscription to Ancestry.com and she logged on for me and let me view the record and BAM there he was. I was floored, but I am very sure it is him. It lists him as married, but doesn't give a name to his wife. He would have been about 28 or 29. I know that there is more out there, it is just finding it. Just passing along the information I have found. Pass it along to the others if you would like. I had not looked on the internet for anything on him until now. Maybe there is more out there.

: Love,

: Janet

Notes for WILLIAM BOWYER HANDLEY:

Biographical Sketches of W. B. Handley

I was born in Huntington, W. Va., May 16, 1922. My parents moved to Florida when I was about three years old. My Grandfather, E. J. Bowyer was in the steamship business there (Tampa). Then they moved to Lakeland, Fla., where E. J. had a good size piece of property and ran a cafeteria. That was about 1925 or 26. From there they moved to Gainesville, Fla.. My father Garland Love Handley ran a Graham Paige auto dealership there along with his brother Beniah William (NIDE) Handley. That was in the late 20's and early 30's

About that time my Mother and Father divorced. Due to that situation my Mother had to go to work, to support my Brother and me. This was at the start of the depression.. Along about that time my Great Aunt Louise (Lafontisee) Fielding, wife of Thomas Wesley Fielding, wanted me to stay with her for a couple of weeks while Uncle Tom was off on a trip, (I think it was to get dried out), and I ended up spending eleven years with them. They were unable to have any children.

On January 9, 1942, I enlisted in the Army Air Corps at Jacksonville, Fla.. From there I was sent to Camp Blanding at Stark, Fla. for my induction. Then I was sent to Jefferson Barracks, Mo., just south of St. Louis, Mo. When I stepped off the train, the temperature was 5 degrees above. Don't think that this Florida boy wasn't cold. The next morning they took us to the obstacle course. I made it through, but fell out at the end. Then the next morning I went on sick call with 104 fever and Pneumonia. While in the hospital, there was a Black draftee who was put in my ward in a private room, that had been bitten by a mad dog. He had failed to tell the Army that he had been bitten and was under treatment ( half way through ), for Rabies. That was a mistake and it was a horrible way to die.

## RELATIVELY SPEAKING

After I completed Basic training there and was sent to Chicago for aviation mechanics school, at Aeronautical University on Michigan Ave.. We lived at the Y.M.C.A. on Wabash Ave.. This was in March---July. They don't call Chicago the windy city for nothing! Upon my graduation at A.U., I was sent to Moody Air Force Base, at Valdosta, Ga. . While there almost a year, I suddenly went blind in my right eye, went in the hospital. ( A week after entering the Hospital my shipping orders came out to go to Texas to be assigned to a unit for overseas duty ). They couldn't find the problem and sent me to the Army Hospital at Chamblee, Ga.,LAWSON GENERAL HOSPITAL. After about 25 Doctors examined me they gave me a Medical Discharge, so they could have the bed for the wounded that were coming in from the Pacific by the train load.

After my discharge, Uncle Tom sent me to a specialist (ENT DR. Taylor) in Jacksonville, who found my trouble and operated. After that, I got a job with Martin Aircraft, in Baltimore, MD. inspecting. While there I had another attack in my eye, (the doctor said I probably would have one more). When I went to the personnel office to quit, the draft-dodger sitting behind the desk told me that if I quit the Army would get me. Being a Handley you should know what my response to that would be, "Just watch which way my butt goes when I walk out the door, I'm already a Veteran".

After a three month layoff I got a job at Oak-Ridge, Tenn., where I stayed until the end of the war, ( # 2 ). From that time on I was a;

Hotel desk clerk

Oil Co. delivery-man

Ice Plant Manager at Lake Harbor,Fla.

Aircraft Mechanic at Clewiston, Fla.

" " " Miami International Airport, Miami Fla.

" " " Hollywood, Fla. converting AT-6's into smoke writers ( in the sky ), for Pepsi-Cola.

Then my Brother Bob ( R.H. Tolbert ), drafted me to come to Troy, Ala., to setup, install and maintain Bendix washing machines, in self-service washaterias in south Ala. .

When my Mother retired from the University of Florida, she moved to Mountain City, Ga. . After several years laundering dirty clothes and working on washers I moved to Mountain City, Ga. to raise rabbits and be with Mother, since I was single at that time.

While there, I met the girl of my dreams and married my beautiful wife Martha ( 9/22/1950 ), who has provided me with three beautiful talented daughters. Also they have provided Martha and myself with two beautiful Granddaughters ( one each for Heloise and Lynn ) and two very handsome Grandsons ( by Julia ).

Other jobs held were;

Lessud Window Plant, Clayton, Ga.

S. H. Kirkpatrick ( monorail erection ) Charlotte, NC

Sears Roebuck, Atlanta, Ga.

Reeves Hardware Clayton, Ga.

and finally but not least, Ga. Power Co.at Tallulah Falls, Ga. ( 1st three weeks),Plant Atkinson, Atlanta, Ga. ( 16 Mo. ), Plant Hammond, Rome, Ga. (10 years ), Tugalo Village, Tallulah, Falls, Ga. ( 20 years ), before retiring, January 1, 1987.

Now I'm spending my time, mowing grass, making bread, working on genealogy tracing my roots on this idiot box ( computer ), but it's fun and passes a lot of time.

Notes for RICHARD GOODWIN HANDLEY:

(THE FOLLOWING ACCOUNTS RELATED TO PATRICIA BOWER, WHEN VISITING IN 1988): When he (Richard) needed a birth certificate, he was given a choice of choosing Goodwin after a Brewer boy friend of Aunt Ona's, or Valentine, another of her beaux. He thought Valentine a bit too fancy.

DICK WOULD TIE A ROPE ONTO A PLOW AND PULL IT WHILE grandpa Charles William Handley would plow. He got on well with his grandfather. One day his Grandpa was resting against the corn crib. There was a large puddle before him. Dick (age 12 ) hit the puddle with a large stone hammer, splashing mud and gravel onto his grandpa's face. Grandpa gave Dick a "tongue Lashing". Dick was ever so sorry as he truly loved his grandpa.

Uncle James Saunders worked for the railroad and was away from home frequently. His wife Rachel was fearful of staying alone. Richard would spend the night and leave for school from thier home. He called her his second mom. He had a dog that would go with him. Despite making the dog a comfortable bed on the porch, the dog would return home. However, when he was ready to walk to school in the morning, the dog would be there waiting for him.

He moved to Eaton, OH in 1912, to live with Aunt Ona (whose husband had died in a hunting accident in 1911), calling her his third mom. He attended 2 years high school in Eaton, OH. He was under the legal age to be married so brother Bernard signed for him.

Notes for WILLIAM BOWYER HANDLEY:

Biographical Sketches of W. B. Handley

I was born in Huntington, W. Va., May 16, 1922. My parents moved to Florida when I was about three years old. My Grandfather, E. J. Bowyer was in the steamship business there (Tampa). Then they moved to Lakeland, Fla., where E. J. had a good size piece of property and ran a cafeteria. That was about 1925 or 26. From there they moved to Gainesville, Fla.. My father Garland Love Handley ran a Graham Paige auto dealership there along with his brother Beniah William (NIDE) Handley. That was in the late 20's and early 30's

About that time my Mother and Father divorced. Due to that situation my Mother had to go to work, to support my Brother and me. This was at the start of the depression.. Along about that time my Great Aunt Louise (Lafontisee) Fielding, wife of Thomas Wesley Fielding, wanted me to stay with her for a couple of weeks while Uncle Tom was off on a trip, (I think it was to get dried out), and I ended up spending eleven years with them. They were unable to have any children.

On January 9, 1942, I enlisted in the Army Air Corps at Jacksonville, Fla.. From there I was sent to Camp Blanding at Stark, Fla. for my induction. Then I was sent to Jefferson Barracks, Mo., just south of St. Louis, Mo. When I stepped off the train, the temperature was 5 degrees above. Don't think that this Florida boy wasn't cold. The next morning they took us to the obstacle course. I made it through, but fell out at the end. Then the next morning I went on sick call with 104 fever and Pneumonia. While in the hospital, there was a Black draftee who was put in my ward in a private room, that had been bitten by a mad dog. He had failed to tell the Army that he had been bitten and was under treatment ( half way through ), for Rabies. That was a mistake and it was a horrible way to die.

After I completed Basic training there and was sent to Chicago for aviation mechanics school, at Aeronautical University on Michigan Ave.. We lived at the Y.M.C.A. on Wabash Ave.. This was in March---July. They don't call Chicago the windy city for nothing! Upon my graduation at A.U., I was sent to Moody Air Force Base, at Valdosta, Ga. . While there almost a year, I suddenly went blind in my right eye, went in the hospital. ( A week after entering the Hospital my shipping orders came out to go to Texas to be assigned to a unit for overseas duty ). They couldn't find the problem and sent me to the Army Hospital at Chamblee, Ga., LAWSON GENERAL HOSPITAL. After about 25 Doctors examined me they gave me a Medical Discharge, so they could have the bed for the wounded that were coming in from the Pacific by the train load.

After my discharge, Uncle Tom sent me to a specialist (ENT DR. Taylor) in Jacksonville, who found my trouble and operated. After that, I got a job with Martin Aircraft, in Baltimore, MD. inspecting. While there I had another attack in my eye, (the doctor said I probably would have one more). When I went to the personnel office to quit, the draft-dodger sitting behind the desk told me that if I quit the Army would get me. Being a Handley you should know what my response to that would be, "Just watch which way my butt goes when I walk out the door, I'm already a Veteran".

After a three month layoff I got a job at Oak-Ridge, Tenn., where I stayed until the end of the war, ( # 2 ). From that time on I was a;

Hotel desk clerk

Oil Co. delivery-man

Ice Plant Manager at Lake Harbor, Fla.

Aircraft Mechanic at Clewiston, Fla.

" " " Miami International Airport, Miami Fla.

" " " Hollywood, Fla. converting AT-6's into smoke writers ( in the sky ), for Pepsi-Cola.

Then my Brother Bob ( R.H. Tolbert ), drafted me to come to Troy, Ala., to setup, install and maintain Bendix washing machines, in self-service washaterias in south Ala. .

When my Mother retired from the University of Florida, she moved to Mountain City, Ga. . After several years laundering dirty clothes and working on washers I moved to Mountain City, Ga. to raise rabbits and be with Mother, since I was single at that time.

## RELATIVELY SPEAKING

While there, I met the girl of my dreams and married my beautiful wife Martha ( 9/22/1950 ), who has provided me with three beautiful talented daughters. Also they have provided Martha and myself with two beautiful Granddaughters ( one each for Heloise and Lynn ) and two very handsome Grandsons ( by Julia ).

Other jobs held were;

Lessud Window Plant, Clayton, Ga.

S. H. Kirkpatrick ( monorail erection ) Charlotte, NC

Sears Roebuck, Atlanta, Ga.

Reeves Hardware Clayton, Ga.

and finally but not least, Ga. Power Co.at Tallulah Falls, Ga. ( 1st three weeks),Plant Atkinson, Atlanta, Ga. ( 16 Mo. ), Plant Hammond, Rome, Ga. (10 years ), Tugalo Village, Tallulah, Falls, Ga. ( 20 years ), before retiring, January 1, 1987.

Now I'm spending my time, mowing grass, making bread, working on genealogy tracing my roots on this idiot box ( computer ), but it's fun and passes a lot of time.

Notes for RICHARD GOODWIN HANDLEY:

(THE FOLLOWING ACCOUNTS RELATED TO PATRICIA BOWER, WHEN VISITING IN 1988): When he (Richard) needed a birth certificate, he was given a choice of choosing Goodwin after a Brewer boy friend of Aunt Ona's, or Valentine, another of her beaux. He thought Valentine a bit too fancy.

DICK WOULD TIE A ROPE ONTO A PLOW AND PULL IT WHILE grandpa Charles William Handley would plow. He got on well with his grandfather. One day his Grandpa was resting against the corn crib. There was a large puddle before him. Dick (age 12 ) hit the puddle with a large stone hammer, splashing mud and gravel onto his grandpa's face. Grandpa gave Dick a "tongue Lashing". Dick was ever so sorry as he truly loved his grandpa.

Uncle James Saunders worked for the railroad and was away from home frequently. His wife Rachel was fearful of staying alone. Richard would spend the night and leave for school from thier home. He called her his second mom. He had a dog that would go with him. Despite making the dog a comfortable bed on the porch, the dog would return home. However, when he was ready to walk to school in the morning, the dog would be there waiting for him.

He moved to Eaton, OH in 1912, to live with Aunt Ona (whose husband had died in a hunting accident in 1911), calling her his third mom. He attended 2 years high school in Eaton, OH. He was under the legal age to be married so brother Bernard signed for him.

She was born April 28, 1932 in MOUNTAIN CITY, RABUN, GEORGIA, and died January 27, 2000 in RABUN GAP, RABUN, GA..

Notes for WILLIAM BOWYER HANDLEY:

Biographical Sketches of W. B. Handley

I was born in Huntington, W. Va., May 16, 1922. My parents moved to Florida when I was about three years old. My Grandfather, E. J. Bowyer was in the steamship business there (Tampa). Then they moved to Lakeland, Fla., where E. J. had a good size piece of property and ran a cafeteria. That was about 1925 or 26. From there they moved to Gainesville, Fla.. My father Garland Love Handley ran a Graham Paige auto dealership there along with his brother Beniah William (NIDE) Handley. That was in the late 20's and early 30's

About that time my Mother and Father divorced. Due to that situation my Mother had to go to work, to support my Brother and me. This was at the start of the depression.. Along about that time my Great Aunt Louise (Lafontisee) Fielding, wife of Thomas Wesley Fielding, wanted me to stay with her for a couple of weeks while Uncle Tom was off on a trip, (I think it was to get dried out), and I ended up spending eleven years with them. They were unable to have any children.

On January 9, 1942, I enlisted in the Army Air Corps at Jacksonville, Fla.. From there I was sent to Camp Blanding at Stark, Fla. for my induction. Then I was sent to Jefferson Barracks, Mo., just south of St. Louis, Mo. When I stepped off the train, the temperature was 5 degrees above. Don't think that this Florida boy wasn't cold. The next morning they took us to the obstacle course. I made it through, but fell out at the end. Then the next

## RELATIVELY SPEAKING

morning I went on sick call with 104 fever and Pneumonia. While in the hospital, there was a Black draftee who was put in my ward in a private room, that had been bitten by a mad dog. He had failed to tell the Army that he had been bitten and was under treatment ( half way through ), for Rabies. That was a mistake and it was a horrible way to die.

After I completed Basic training there and was sent to Chicago for aviation mechanics school, at Aeronautical University on Michigan Ave.. We lived at the Y.M.C.A. on Wabash Ave.. This was in March---July. They don't call Chicago the windy city for nothing! Upon my graduation at A.U., I was sent to Moody Air Force Base, at Valdosta, Ga. . While there almost a year, I suddenly went blind in my right eye, went in the hospital. ( A week after entering the Hospital my shipping orders came out to go to Texas to be assigned to a unit for overseas duty ). They couldn't find the problem and sent me to the Army Hospital at Chamblee, Ga.,LAWSON GENERAL HOSPITAL. After about 25 Doctors examined me they gave me a Medical Discharge, so they could have the bed for the wounded that were coming in from the Pacific by the train load.

After my discharge, Uncle Tom sent me to a specialist (ENT DR. Taylor) in Jacksonville, who found my trouble and operated. After that, I got a job with Martin Aircraft, in Baltimore, MD. inspecting. While there I had another attack in my eye, (the doctor said I probably would have one more). When I went to the personnel office to quit, the draft-dodger sitting behind the desk told me that if I quit the Army would get me. Being a Handley you should know what my response to that would be, "Just watch which way my butt goes when I walk out the door, I'm already a Veteran".

After a three month layoff I got a job at Oak-Ridge, Tenn., where I stayed until the end of the war, ( # 2 ). From that time on I was a;

Hotel desk clerk

Oil Co. delivery-man

Ice Plant Manager at Lake Harbor,Fla.

Aircraft Mechanic at Clewiston, Fla.

" " " Miami International Airport, Miami Fla.

" " " Hollywood, Fla. converting AT-6's into smoke writers ( in the sky ), for Pepsi-Cola.

Then my Brother Bob ( R.H. Tolbert ), drafted me to come to Troy, Ala., to setup, install and maintain Bendix washing machines, in self-service washaterias in south Ala. .

When my Mother retired from the University of Florida, she moved to Mountain City, Ga. . After several years laundering dirty clothes and working on washers I moved to Mountain City, Ga. to raise rabbits and be with Mother, since I was single at that time.

While there, I met the girl of my dreams and married my beautiful wife Martha ( 9/22/1950 ), who has provided me with three beautiful talented daughters. Also they have provided Martha and myself with two beautiful Granddaughters ( one each for Heloise and Lynn ) and two very handsome Grandsons ( by Julia ).

Other jobs held were;

Lessud Window Plant, Clayton, Ga.

S. H. Kirkpatrick ( monorail erection ) Charlotte, NC

Sears Roebuck, Atlanta, Ga.

Reeves Hardware Clayton, Ga.

and finally but not least, Ga. Power Co.at Tallulah Falls, Ga. ( 1st three weeks),Plant Atkinson, Atlanta, Ga. ( 16 Mo. ), Plant Hammond, Rome, Ga. (10 years ), Tugalo Village, Tallulah, Falls, Ga. ( 20 years ), before retiring, January 1, 1987.

Now I'm spending my time, mowing grass, making bread, working on genealogy tracing my roots on this idiot box ( computer ), but it's fun and passes a lot of time.

Notes for RICHARD GOODWIN HANDLEY:

(THE FOLLOWING ACCOUNTS RELATED TO PATRICIA BOWER, WHEN VISITING IN 1988): When he (Richard) needed a birth certificate, he was given a choice of choosing Goodwin after a Brewer boy friend of Aunt Ona's, or Valentine, another of her beaux. He thought Valentine a bit too fancy.

DICK WOULD TIE A ROPE ONTO A PLOW AND PULL IT WHILE grandpa Charles William Handley would plow. He got on well with his grandfather. One day his Grandpa was resting against the corn crib. There was a large puddle before him. Dick (age 12 ) hit the puddle with a large stone hammer, splashing mud and gravel onto his grandpa's face. Grandpa gave Dick a "tongue Lashing". Dick was ever so sorry as he truly loved his grandpa.

Uncle James Saunders worked for the railroad and was away from home frequently. His wife Rachel was fearful of staying alone. Richard would spend the night and leave for school from thier home. He called her his second mom. He had a dog that would go with him. Despite making the dog a comfortable bed on the porch, the dog would return home. However, when he was ready to walk to school in the morning, the dog would be there waiting for him.

He moved to Eaton, OH in 1912, to live with Aunt Ona (whose husband had died in a hunting accident in 1911), calling her his third mom. He attended 2 years high school in Eaton, OH. He was under the legal age to be married so brother Bernard signed for him.

## RELATIVELY SPEAKING

*HOLTZCLAW, FRANQ<sup>2</sup>, JOHAN<sup>1</sup> HOLTZCLAU*) was born May 16, 1922 in HUNTINGTON, CABELL, WV. He married MARTHA ALICE WILLIAMSON September 22, 1950 in Mountain City, Ga. In Home, daughter of ROBERT WILLIAMSON and RUBY GRIST. She was born April 28, 1932 in MOUNTAIN CITY, RABUN, GEORGIA, and died January 27, 2000 in RABUN GAP, RABUN, GA..

Notes for WILLIAM BOWYER HANDLEY:

Biographical Sketches of W. B. Handley

I was born in Huntington, W. Va., May 16, 1922. My parents moved to Florida when I was about three years old. My Grandfather, E. J. Bowyer was in the steamship business there (Tampa). Then they moved to Lakeland, Fla., where E. J. had a good size piece of property and ran a cafeteria. That was about 1925 or 26. From there they moved to Gainesville, Fla.. My father Garland Love Handley ran a Graham Paige auto dealership there along with his brother Beniah William (NIDE) Handley. That was in the late 20's and early 30's

About that time my Mother and Father divorced. Due to that situation my Mother had to go to work, to support my Brother and me. This was at the start of the depression.. Along about that time my Great Aunt Louise (Lafontisee) Fielding, wife of Thomas Wesley Fielding, wanted me to stay with her for a couple of weeks while Uncle Tom was off on a trip, (I think it was to get dried out), and I ended up spending eleven years with them. They were unable to have any children.

On January 9, 1942, I enlisted in the Army Air Corps at Jacksonville, Fla.. From there I was sent to Camp Blanding at Stark, Fla. for my induction. Then I was sent to Jefferson Barracks, Mo., just south of St. Louis, Mo. When I stepped off the train, the temperature was 5 degrees above. Don't think that this Florida boy wasn't cold. The next morning they took us to the obstacle course. I made it through, but fell out at the end. Then the next morning I went on sick call with 104 fever and Pneumonia. While in the hospital, there was a Black draftee who was put in my ward in a private room, that had been bitten by a mad dog. He had failed to tell the Army that he had been bitten and was under treatment ( half way through ), for Rabies. That was a mistake and it was a horrible way to die.

After I completed Basic training there and was sent to Chicago for aviation mechanics school, at Aeronautical University on Michigan Ave.. We lived at the Y.M.C.A. on Wabash Ave.. This was in March---July. They don't call Chicago the windy city for nothing! Upon my graduation at A.U., I was sent to Moody Air Force Base, at Valdosta, Ga. . While there almost a year, I suddenly went blind in my right eye, went in the hospital. ( A week after entering the Hospital my shipping orders came out to go to Texas to be assigned to a unit for overseas duty ). They couldn't find the problem and sent me to the Army Hospital at Chamblee, Ga., LAWSON GENERAL HOSPITAL. After about 25 Doctors examined me they gave me a Medical Discharge, so they could have the bed for the wounded that were coming in from the Pacific by the train load.

After my discharge, Uncle Tom sent me to a specialist (ENT DR. Taylor) in Jacksonville, who found my trouble and operated. After that, I got a job with Martin Aircraft, in Baltimore, MD. inspecting. While there I had another attack in my eye, (the doctor said I probably would have one more). When I went to the personnel office to quit, the draft-dodger sitting behind the desk told me that if I quit the Army would get me. Being a Handley you should know what my response to that would be, "Just watch which way my butt goes when I walk out the door, I'm already a Veteran".

After a three month layoff I got a job at Oak-Ridge, Tenn., where I stayed until the end of the war, ( # 2 ). From that time on I was a;

Hotel desk clerk

Oil Co. delivery-man

Ice Plant Manager at Lake Harbor, Fla.

Aircraft Mechanic at Clewiston, Fla.

" " " Miami International Airport, Miami Fla.

" " " Hollywood, Fla. converting AT-6's into smoke writers ( in the sky ), for Pepsi-Cola.

Then my Brother Bob ( R.H. Tolbert ), drafted me to come to Troy, Ala., to setup, install and maintain Bendix washing machines, in self-service washaterias in south Ala. .

When my Mother retired from the University of Florida, she moved to Mountain City, Ga. . After several years

## RELATIVELY SPEAKING

laundering dirty clothes and working on washers I moved to Mountain City, Ga. to raise rabbits and be with Mother, since I was single at that time.

While there, I met the girl of my dreams and married my beautiful wife Martha ( 9/22/1950 ), who has provided me with three beautiful talented daughters. Also they have provided Martha and myself with two beautiful Granddaughters ( one each for Heloise and Lynn ) and two very handsome Grandsons ( by Julia ).

Other jobs held were;

Lessud Window Plant, Clayton, Ga.

S. H. Kirkpatrick ( monorail erection ) Charlotte, NC

Sears Roebuck, Atlanta, Ga.

Reeves Hardware Clayton, Ga.

and finally but not least, Ga. Power Co.at Tallulah Falls, Ga. ( 1st three weeks),Plant Atkinson, Atlanta, Ga. ( 16 Mo. ), Plant Hammond, Rome, Ga. (10 years ), Tugalo Village, Tallulah, Falls, Ga. ( 20 years ), before retiring, January 1, 1987.

Now I'm spending my time, mowing grass, making bread, working on genealogy tracing my roots on this idiot box ( computer ), but it's fun and passes a lot of time.

(THE FOLLOWING ACCOUNTS RELATED TO PATRICIA BOWER, WHEN VISITING IN 1988): When he (Richard) needed a birth certificate, he was given a choice of choosing Goodwin after a Brewer boy friend of Aunt Ona's, or Valentine, another of her beaux. He thought Valentine a bit too fancy.

DICK WOULD TIE A ROPE ONTO A PLOW AND PULL IT WHILE grandpa Charles William Handley would plow. He got on well with his grandfather. One day his Grandpa was resting against the corn crib. There was a large puddle before him. Dick (age 12 ) hit the puddle with a large stone hammer, splashing mud and gravel onto his grandpa's face. Grandpa gave Dick a "tongue Lashing". Dick was ever so sorry as he truly loved his grandpa.

Uncle James Saunders worked for the railroad and was away from home frequently. His wife Rachel was fearful of staying alone. Richard would spend the night and leave for school from thier home. He called her his second mom. He had a dog that would go with him. Despite making the dog a comfortable bed on the porch, the dog would return home. However, when he was ready to walk to school in the morning, the dog would be there waiting for him.

He moved to Eaton, OH in 1912, to live with Aunt Ona (whose husband had died in a hunting accident in 1911), calling her his third mom. He attended 2 years high school in Eaton, OH. He was under the legal age to be married so brother Bernard signed for him.

Notes for WILLIAM BOWYER HANDLEY:

Biographical Sketches of W. B. Handley

I was born in Huntington, W. Va., May 16, 1922. My parents moved to Florida when I was about three years old. My Grandfather, E. J. Bowyer was in the steamship business there (Tampa). Then they moved to Lakeland, Fla., where E. J. had a good size piece of property and ran a cafeteria. That was about 1925 or 26. From there they moved to Gainesville, Fla.. My father Garland Love Handley ran a Graham Paige auto dealership there along with his brother Beniah William (NIDE) Handley. That was in the late 20's and early 30's

About that time my Mother and Father divorced. Due to that situation my Mother had to go to work, to support my Brother and me. This was at the start of the depression.. Along about that time my Great Aunt Louise (Lafontisee) Fielding, wife of Thomas Wesley Fielding, wanted me to stay with her for a couple of weeks while Uncle Tom was off on a trip, (I think it was to get dried out), and I ended up spending eleven years with them. They were unable to have any children.

On January 9, 1942, I enlisted in the Army Air Corps at Jacksonville, Fla.. From there I was sent to Camp Blanding at Stark, Fla. for my induction. Then I was sent to Jefferson Barracks, Mo., just south of St. Louis, Mo. When I stepped off the train, the temperature was 5 degrees above. Don't think that this Florida boy wasn't cold.

## RELATIVELY SPEAKING

The next morning they took us to the obstacle course. I made it through, but fell out at the end. Then the next morning I went on sick call with 104 fever and Pneumonia. While in the hospital, there was a Black draftee who was put in my ward in a private room, that had been bitten by a mad dog. He had failed to tell the Army that he had been bitten and was under treatment ( half way through ), for Rabies. That was a mistake and it was a horrible way to die.

After I completed Basic training there and was sent to Chicago for aviation mechanics school, at Aeronautical University on Michigan Ave.. We lived at the Y.M.C.A. on Wabash Ave.. This was in March---July. They don't call Chicago the windy city for nothing! Upon my graduation at A.U., I was sent to Moody Air Force Base, at Valdosta, Ga. . While there almost a year, I suddenly went blind in my right eye, went in the hospital. ( A week after entering the Hospital my shipping orders came out to go to Texas to be assigned to a unit for overseas duty ). They couldn't find the problem and sent me to the Army Hospital at Chamblee, Ga.,LAWSON GENERAL HOSPITAL. After about 25 Doctors examined me they gave me a Medical Discharge, so they could have the bed for the wounded that were coming in from the Pacific by the train load.

After my discharge, Uncle Tom sent me to a specialist (ENT DR. Taylor) in Jacksonville, who found my trouble and operated. After that, I got a job with Martin Aircraft, in Baltimore, MD. inspecting. While there I had another attack in my eye, (the doctor said I probably would have one more). When I went to the personnel office to quit, the draft-dodger sitting behind the desk told me that if I quit the Army would get me. Being a Handley you should know what my response to that would be, "Just watch which way my butt goes when I walk out the door, I'm already a Veteran".

After a three month layoff I got a job at Oak-Ridge, Tenn., where I stayed until the end of the war, ( # 2 ). From that time on I was a;

Hotel desk clerk

Oil Co. delivery-man

Ice Plant Manager at Lake Harbor,Fla.

Aircraft Mechanic at Clewiston, Fla.

" " " Miami International Airport, Miami Fla.

" " " Hollywood, Fla. converting AT-6's into smoke writers ( in the sky ), for Pepsi-Cola.

Then my Brother Bob ( R.H. Tolbert ), drafted me to come to Troy, Ala., to setup, install and maintain Bendix washing machines, in self-service washaterias in south Ala. .

When my Mother retired from the University of Florida, she moved to Mountain City, Ga. . After several years laundering dirty clothes and working on washers I moved to Mountain City, Ga. to raise rabbits and be with Mother, since I was single at that time.

While there, I met the girl of my dreams and married my beautiful wife Martha ( 9/22/1950 ), who has provided me with three beautiful talented daughters. Also they have provided Martha and myself with two beautiful Granddaughters ( one each for Heloise and Lynn ) and two very handsome Grandsons ( by Julia ).

Other jobs held were;

Lessud Window Plant, Clayton, Ga.

S. H. Kirkpatrick ( monorail erection ) Charlotte, NC

Sears Roebuck, Atlanta, Ga.

Reeves Hardware Clayton, Ga.

and finally but not least, Ga. Power Co.at Tallulah Falls, Ga. ( 1st three weeks),Plant Atkinson, Atlanta, Ga. ( 16 Mo. ), Plant Hammond, Rome, Ga. (10 years ), Tugalo Village, Tallulah, Falls, Ga. ( 20 years ), before retiring, January 1, 1987.

Now I'm spending my time, mowing grass, making bread, working on genealogy tracing my roots on this idiot box ( computer ), but it's fun and passes a lot of time.

These records have been acquired by me (W. B. Handley) through several sources, as follows;

#### SOLOMON KEYES

Solomon Keys was born in England. Asa Keyes, author of "Robert & Solomon Keyes" in 1880 left it for later generations to prove whose son Solomon was. Across the title page of his book in the Congressional Library is written, "Since the publication of Asa Keyes' book it has been established beyond doubt that Solomon Keyes was Robert's son by the finding of a will, recorded in Mass. Hon. Wade Keyes, Tremont Bldg., 73 Tremont St, Boston, a lawyer, can give account." (written before 1928.)

This was accepted by the National Society of New England Women when Mrs. Dale of Cincinnati became a member.

However Chas. C. White was unable to find trace of Hon. Wade Keyes. He did however obtain from another Boston lawyer, Henry W. Keyes (son of authoress Frances Parkinson Keyes) the result of his brother, John Parkinson Keyes' research in England.

He found that Solomon Keyes was Baptised on Feb 6, 1623-4 at S.t Thomas The Apostle, London, the son of Ralph and Maria (Wood) Keyes. Ralph Keyes was a haberdasher of London who was married at St. Clave's Hart Street, London on Jul 19, 1612. Died May 28 1659.

This line he traced back, thru two more Ralphs, Edward, Ralph, Gilbert to John Keyes; of Horsley, County Derby, born 1350.

Solomon Keyes settled in Newbury, Mass. and moved 1664-5 to Chelmsford where he served as town clerk and tithing man. He was known as Sergeant Keyes (also written Keies or Keys). The family homestead was reported standing in 1880 in the modern town of West- ford, which set off from old Chelmsford. He died March 28 1702. He married in Newbury Oct. 2 1653, Frances Grant who died 1708. Daughter of Thomas and Jane Grant.

"Captain Peter"

Peter Powers and Anna Keyes moved to Dunstable, N.H. in 1728. In September, 1730, he started for the Nissitisset wilderness (now Hollis) with axe and gun in hand and a pack on his back to fix his future residence in the then dense and unbroken forests, having previously purchased about thirty - seven acres of land. He commenced clearing a portion of this land and erected a log hut. In January, 1731, he removed his family here, thus becoming the first permanent settler of Hollis. At this time, Peter was 23 and Anna was 22. They had two infant children, Peter and Stephen! They were secluded from the civilized world, in the bosom of a dense forest, at least ten miles from their nearest neighbor.

Was born in Marlborough, Mass., Aug 29, 1721. He married Marcella Wade.

He was a sea captain in early life. On one of his voyages his vessel was wrecked off Turkey and he fell into the hands of the Algerines. After years of captivity he escaped and returned home to find that his wife had given him up as dead and married another with whom she passed the remainder of her life.

Humphrey moved to Virginia, probably with his father, before 1748. At the death of his father in 1766, Humphrey and his mother ran the ferry.

### The History of the John Wade Keyes Chapter NSDAR

The John Wade Keyes Chapter was organized on October 6, 1900, and chartered November 6, 1900. The chapter officially disbanded October 25, 1939, and reorganized February 13, 1947.

The chapter was named for John Wade Keyes who was born in Mystic, Massachusetts, near Boston, on September 25, 1752. He died February 13, 1839, in Athens, Limestone County, Alabama. He was the son of Captain Humphrey Keyes and Marcella Wade Keyes. John's father, a sea Captain of Boston, after many successful voyages was shipwrecked and taken captive by the Algerians. He was a prisoner for years, but finally made his escape. Upon his return to Boston, he took John, his oldest son, and went to Virginia. An old family record shows that Captain Humphrey Keyes was proprietor of Keyes Ferry on the Shenandoah River in 1775.

John married Louisa Talbott on January 27, 1773. She was born April 20, 1756, and died November 6, 1836, in Athens, Alabama. Louisa was a niece of President James Monroe. The couple had fourteen children.

Early in the Revolutionary War, John Wade Keyes enlisted in Virginia and served as a Captain under General John Thomas. Captain Keyes fought in the battles of Bunker Hill, Lexington, Trenton, White Plains, Princeton, Brandywine, and King's Mountain.

As a war veteran he chose not to apply for his pension, stating "I fought for patriotism not pensions".

After the war, John Wade Keyes moved from near Alexandria, Virginia, to Sullivan County, Tennessee, then later to Athens, Alabama. He was one of the founders of Athens. His grave was moved by the John Wade Keyes Chapter, DAR, in 1912, from the Keyes farm, east of Athens, to the Athens City Cemetery #2 on East Washington Street.

The above information on the John Wade Keyes family was taken from A Roster of Revolutionary Soldiers and Patriots in Alabama, Alabama Society Daughters of the American Revolution, Louise Julich, pages 339-341.

### THE DESCENDANTS OF CAPTAIN THOMAS WHITE

Captain Thomas White was born on March 17, 1754 to John and Isabella White in New Castle County, Delaware. It is tradition that Thomas was the first of his family born in the colonies and that the rest of his family came from Ireland.

John and Isabella White and children moved to the growing settlement in the part of Frederick County, Virginia that was later set off as Loudon County. The spot was near Leesburg. Besides Thomas the children were Josiah and Joseph.

On June 5, 1777, at twenty-three years of age, Thomas White enlisted in the 1st Regiment of Virginia Militia in Loudon County, Virginia, and three days later was appointed Ensign of Captain Thomas' Company in Colonel Claphan's Regiment. He fought shortly thereafter in the battle of Brandywine on September 11, 1777, with 13,000 Americans under Washington. December 17, 1777 Thomas White was one of the 11,000 left who encamped at Valley Forge and wintered there.

On a day in March 1778 he was promoted to Captain of his company. He served as Captain on various tours between April 4, 1778 and July 1778. On June 23, 1778 he fought at the Battle of Monmouth. He served again as Captain beginning Sept 21, 1780 for 28 days and again Sept 1, 1781, for one month and 28 days. A part of that time in command of a company under Colonel Holms, after the command had been relinquished by Thomas White's elder brother, Captain Joseph White, because of illness. The company was detailed to guard British prisoners at Winchester Virginia. Thomas White (Captain) received his Honorable Discharge late in October 1781, credited with service as a Captain for fifteen months and thirteen days.

At Keyes Ferry on the Shenandoah River in Berkeley County, Virginia, he met Saran Keyes, eldest daughter of Humphrey Keyes and Sarah (Hall) Keyes. Humphrey Keyes, once a Captain of the Sea, owned Keyes Ferry and its adjacent fine plantation. Sarah Keyes was born at Keyes Ferry on November 11, 1764,

On October 13, 1783 at Keyes Ferry, twenty-nine year old Thomas White married nineteen year old Sarah Keyes. Their ten children, whose progeny we shall follow, were all born in Virginia.

About the year 1816 the family moved to Belmont County, Ohio. Left behind was their first born, Elizabeth E., who died in infancy. A later born Elizabeth took her place. The oldest daughter, Sarah, bearing the name of her mother, grandmother and great-grandmother Keyes, was not along for she had earlier married and moved to

Maryland. Their 2nd Elizabeth had moved to Ohio before the rest of her family with her husband early in 1809. In 1830 between April 12th and August 20th Captain Thomas White and family removed to Tuscarawas County, in One Leg Township, to the

I, W. B. Handley, in checking the files imported from Volume 48 Family Tree Maker Tree # 0463, I find Sarah Keys b. November 11, 1764 and Humphrey b. November 13, 1764. Therefore I believe they were twins. I also note that Humphrey is listed as having a son Isaac b. 1795 but no wife is listed, so that gives one to believe that the mother died at birth or shortly after or there was a divorce and Humphrey went West and met Sarah Handley.

Notes for ROSALIE LAFONTISEE:

OBITUARY: Princeton newspaper: Princeton, Mille Lacs County, Minnesota "Death of Mrs. Rose Jesmer. Mrs. Rose Jesmer died at the home of her son-in-law, Sidney Jesmer, in this village at 10 o'clock on Tuesday evening, June 27. Death was caused by a complication of ailments super induced by Bright's disease. Mrs Jesmer would have lived to 73 had she lived until August 3 of this year. Funeral services will be held at the Catholic church, Princeton, tomorrow morning and the interment will be in the Greenbush Catholic cemetery. Rev Father Levings will conduct the services. Mrs Jesmer was born in St. Lawrence County, New York, on August 3, 1838, and on February 2, 1863, was married to Joseph Mallotte at Hogansburg N.Y. Shortly after her marriage she and her husband went to Canada. In 1883 the family came to Minnesota and settled on a farm in Greenbush. Her husband died on October 30, 1886, and on April 1, 1891, she married Joseph Jesmer, who died on September 28, 1901. Since his death she made her home with her children and stepchildren. She leaves five children. Mrs. Sidney Jesmer, Princeton, Mrs. Louis Jesmer, Baldwin, Louis Mallotte, Greenbush, Joseph Mallotte, and Mrs. Wm. Paul, Marble Minn. There were no children by the second husband. Ten step children, two brothers, and fourteen grandchildren also survive her. Mrs. Jesmer was one of the kindest of women, loved by all who knew her. She lived her life in accord with the golden rule - doing unto others as she would be done by. Her stepchildren loved her as they did their own mother, for she proved worthy of their affection. Her children, step children, and hosts of friends will greatly miss this true Christian woman." (The obituary obtained from Sue Kirkey by John or Kevin Jesmer.)

OBITUARY: Princeton newspaper: "Princeton, Mille Lacs County, Minnesota. Thursday, October 3, 1901...A Greenbush Pioneer" ...Death of Joseph Jesmer at three score and ten...One of the pioneers of this section ... close of a useful life. Joseph Jesmer, of Greenbush, who suffered an apoplectic stroke last Tuesday, mention of which was made in the Union last week, died at his home last Friday at 2 a.m. He never regained consciousness, the attack affecting the whole system and proving fatal in a short time. The funeral was held on Monday at the Greenbush church at 10:30 a.m., and was attended by a large number of relatives and friends. Rev. Father Levings said mass, and Father George, of Pittsburg, Pa, preached the sermon. The interment was in Greenbush cemetery. Among the relatives from a distance who were present at the funeral were: Joseph Jesmer Jr., of Norway, Michigan. A.D. Jesmer of Park Rapids, Minn., Miss Libbie Grow, of St Paul, Joe Lafontisee, of St. Paul, brother of Mr. Jesmer's widow. And E.G. Waldhoff, of North Branch, son-in-law of Mr. Jesmer. Joseph Jesmer was born in Franklin County, New York, in 1831, when that region was a wilderness, and with the other members of the family assisted his parents in clearing out a habitation in that new country. Young Jesmer left the farm when he became a young man and went to boating on the St. Lawrence river, which occupation he followed until he became the captain of a boat. In 1867 in company with his wife and six children, his brothers A.D. and N.E. Jesmer he started west, landing in St. Paul and coming the fall of the year to this section, and locating on what is now Greenbush. Then the region was a wilderness of dense timber, and they hewed out a cabin of logs for their future home. His two brothers were not married, and the three brothers, after purchasing a sack of flour, had \$1.65 between them. A.D. Jesmer remained with Joseph while the other brother, now the prosperous merchant of Princeton, came to the frontier logging camp and worked for Wm. F. Dunham for some time. Joseph and A.D. remained in Greenbush, where Joseph remained until his death. His first wife was Mary Ann Robideaux, whom he married before coming west. She bore him fourteen children, ten of whom are still living. His wife died nine years ago, and seven years ago he married Rosa Mallotte (widow) of St. Lawrence county, New York, who survives him. Besides N.E. Jesmer, of Princeton, there is another brother Moses, who lives in Denver. A few years ago A.D. Jesmer moved to Park Rapids Minn., where he now resides. There are three sisters living, Mrs. Peter Robideaux, Mrs. N.A. Grow, (widow) both of Greenbush, and Mrs. Mina Parsian, residing in Port Huron, Mich. Mr. Jesmer was one of the most enterprising and progressive farmers of Greenbush and during his long residence there always took great interest in the welfare of the town. He never sought public honors, preferring to perform his duty as a common but faithful and loyal citizen. He belonged to a class of good, sturdy pioneers to whose untiring energy the progressive West owes a great deal." (The obituary was received from Sue Kirkey.)

Hi Elizabeth,

Angela sent me a photo copy by snail mail. I can copy the pages and send them if you like. I thought that  
maybe you would like to get in touch with her. I will quote from an email that she sent me in October of  
1999. > I spent the weekend with my grandma I was > showing her all the stuff. She started reminiscing  
and telling stories. It > was so fun. She has this little steamer trunk that Louis2 Lafontaisie gave > to his  
daughter Elizabeth Lafontaisie for her fifth birthday in 1856 to keep > her doll's clothes in. Grandma has had  
it for a long time and keeps her > "treasures" in it. She and I went through every slip of paper in that box. >  
It's wonderful! She also has a photo album that she let me borrow to make > some copies. I am sending you  
(via snail mail) copies of tintypes of Louis > Lafontaisie and his wife Rose Plamondon, copies of photos of  
Mose > Lafontaisie, Elizabeth Lafontaisie and Mr. Armstrong, and four of the six > daughters and five of the  
seven sons of Elizabeth and Simon. Grandma wrote > the picture captions and you'll see she doesn't remember  
all the children. > She isn't doing too well since she had a stroke last year.

BURIAL:

Bill Guyer's notes from Hillcrest Cemetery: Mary C. Guyer - wife of William L.(1879-1981) and 3 Vomasicks, I think Mary's parents and brother Joseph Vomasick (1845 - 1906), Anna Vomasick (1854-1931), and Charles Vomasick (1894-1933). "The records at the Peninsula Granite and Marble Company in Ironwood show that Mary purchased the headstone for Anna and Joseph and also for William L. The date of the purchase was 1951 but that may not be correct in the case of her husband's stone as he had died 20 years earlier. The records show an address for Mary at 7417 28th Ave in Kenosha, WI and also what was apparently a summer time address at 202 W 2nd Ave in Bessemer."

#### A BRIEF HISTORY OF BUTTE

The following is from the book "NAMES ON THE FACE OF MONTANA--The Story of Montana's Place Names" by Roberta Carkeek Cheney. Published by Mountain Press Publishing Company Butte - the county seat in Silver Bow County, was first called Butte City. Gold was discovered in Butte in July 1864 by G. O. Humphrey and William Allison. The name had been changed to Butte around 1875. Beneath the city was one of the world's richest mineral deposits. Copper became Butte's fortune, and Silver was bringing in riches too. There are some 250 miles of streets on the surface of Butte Hill, and more than two thousand miles of underground corridors and tunnels. Marcus Daly (1841-1900) became the head of one of the world's most powerful monopolies, the Anaconda Copper Mining Company. A townsite patent was issued for Butte in 1876. The city was incorporated in 1879. By 1885 Butte had a population of 14,000 and the copper boom was on.

<http://members.aol.com/MontanaMining/DistrictHistoryPage.htm>

Butte, perched high on the crest of the Continental Divide, holds a unique place in the history of not just local and regional mining, but in the history of mining on a global scale. Mine names made famous in Butte are echoed in mining district's all over the world. Indeed, in the late Nineteenth century, the measure of a new district was "It will be a new Butte".

The 1880s represented a pivotal decade in Butte mining history and in the creation of a world-class copper industry. In 1881 the Utah & Northern Railroad arrived at Butte and Marcus Daily purchased the Anaconda claim. In late December the Utah & Northern connected Butte with Ogden, Salt Lake City and all points served by the Union Pacific Railroad. Railroads which could economically ship heavy mining machinery and ore, proved essential to the base metal mining industry. Within a period of about a dozen years the Montana Central, the Montana Union and the Butte, Anaconda & Pacific Railroads joined the Utah Northern in serving the mining city. With the railroads in place all that Butte lacked to recover the vast quantities of silver and copper beneath its hills was a major infusion of capital for mining and ore processing.

#### Early Growth of the City of Butte

With its mines and rail connections, by the late 1910s Butte supported a population of nearly one hundred thousand. In the early twentieth century, Butte had more than twice the population of any other city in the five

## RELATIVELY SPEAKING

states of the northern Rocky Mountains and Great Plains. The city's thriving commercial district, several dozen churches, public and parochial school systems, and theaters offering shows and stars of national prominence helped make Butte a metropolitan center without close rival. It was the largest city in the region bounded by Spokane, three hundred miles to the west; Salt Lake city, four hundred miles to the south; and Minneapolis-St. Paul, almost one thousand miles to the east . . . (Martin and Shovers 1986).

Today it has a population of about 33,000. It is located in western Montana not far from Helena, Bozeman and Yellowstone. Mining declined/ended 1960-1980??

### OBITUARY:

The Anaconda Standard: Tuesday Morning, February 22, 1916: Sid La Fontise Died Illness is Sudden. Once he aspired to clumb high on Pugilistic ladder. McGoorty proved undoing. Youngest of family of boxers-- Blow that Ketchell dealt him years ago always caused him trouble. His career in the ring.

"Sid la Fontise, who was thought to be of championship caliber when he was fighting around Butte and the West in 1905 and later years, died last evening following a sudden attack on the street. He complained to a friend that he had a pain over the heart and remarked that he had never been able to breathe just right since his memorable battle with Stanley Ketchell. He was given assistance, but died a few minutes later, and the body was removed to Sherman and Reed's undertaking rooms. He was 29 years old.

Three in the Ring: Sid was one of three brothers, all good boxers in their day. He was the youngest and he started in the ring game early. As a boy about the streets, he showed his ability and courage in a 'scrap' and soon he took up the game. Charley Norvall, who had Sid in charge later, boxed Sid six rounds to a draw as the preliminary for the Mike (Twin) Sullivan-Jack Doherty mill.

When 19 years old Sid fought Stanley Ketchell 24 rounds at the old Casino. It was a bloody fight and ended when Ketchell butted Sid and broke his nose. The boy claimed foul, but it was not allowed and Sid lost the decision. With Maurice Thomapson, La Fontise, who could make 133 pounds, but who generally fought at 135 pounds, battled to a draw on the flat. Howard Opie went six rounds to a draw and then Sid went about the state clearing the decks of the light weights. He knocked out Jerry Matthews, colored, in two rounds at Billings, and repeated on Kid Erne in four rounds.

On the Road: In 1908, Sid had grown into the welter-weight class, and Eddie McGoorty was brought to Billings to defeat the youngster. Charley Novall trained the Butte Boy for the match, which McGoorty won in eight rounds. McGoorty in the early rounds got in a punch that dazed Sid, but he battled on with no thought of quitting, until his brother, Mose, threw in the sponge. Sid went travelling with Jeffries-Fitzsimmons show and met and defeated some good welter weights.

But the youngster could not stand the popularity of the game, or its prosperity and as one of his friends put it last night, he was too good a fellow. Of later years Sid had worked in the mines and he always showed that he was ready to defend himself. He had fought many of the best ones from light weight to middle weight in his time and he never quit.

## RELATIVELY SPEAKING

When Sid was a welter weight, Mose was in the welter class and Jack, another brother, who also is now dead was heavy-weight champion on Montana.

'Sid was a great fighter and if he had been in shape he would have gone as high as Ketchell; think some men who followed his career. He was so good that Ketchell could not knock him down. He was game and was one of the best men Butte ever put into the ring.' said Norvall.

Surviving are his parents, two brothers, Mose and Lewis, and two sisters, Mrs. Hugh Williams of Walkerville and Mrs. Frank Dent.

### Walkerville

Walkerville, an historic suburb of Butte, was originally named after the Walker brothers of Salt Lake City, who operated the Alice Mine. Primarily Walkerville was inhabited by the workers of the mine who came from Cornwall, England. Although the area now is mostly abandoned there remains evidence of the mining community that once thrived here.

Mose married3 (1) Abbie JUNEAU, daughter of Elisha JUNEAU and Sarah SCHULTZU, on 28 Jun 1894 in Douglas Co, WI. Abbie was born3 about 1876 in Ocouto WI

OBITUARY:

Montana Standard, Butte, Thursday Morning, September 1, 1937. L. M. Lafontise taken by death. Vetern Butte Barber Is Victim of long illness. "Louis M. LaFontlse, 60, native of Michigan and Butte barber 45 years succumbed yesterday to a long illness at his home, 1907 "C" street. He was an ardent sports fan; and he knew all the habitual prize fight followers in Butte. He followed the careers of all the prominent local and national fighters, and in his youth he entered the ring several times.

For several years he had been associated with Dick Williams in a shop on Harrison avenue. Youngsters from all parts of the "flat" enjoyed having Mr. LaFontise cut their hair because he kept them enthralled with thrilling stories of the prize ring.

Friends said he never missed a good boxing card if he could help it and he never failed to enjoy one.

'He used to look forward to some bouts for months.' one acquaintance said, 'and it was uncanny how he could pick a winner so long in advance.'

Surviving are his wife, Mrs. Mary LaFontise: a daughter. Arthella LaFontise: a brother and sister-inlaw, Mr. and Mrs Mose Lafontise: a sister, Mrs. Mary Dent, all, of Butte: a niece, Mrs. Leona Hogan, New York: a brother-in-law and sister Mr. and Mrs. Hugh Williams of Butte, and other relatives in Utah, California and Colorado.

The body is at the Sherman & Reed chapel pending funeral arrangements."

Notes for WILLIAM BOWYER HANDLEY:

Biographical Sketches of W. B. Handley

I was born in Huntington, W. Va., May 16, 1922. My parents moved to Florida when I was about three years old. My Grandfather, E. J. Bowyer was in the steamship business there (Tampa). Then they moved to Lakeland, Fla., where E. J. had a good size piece of property and ran a cafeteria. That was about 1925 or 26. From there they moved to Gainesville, Fla.. My father Garland Love Handley ran a Graham Paige auto dealership there along with his brother Beniah William (NIDE) Handley. That was in the late 20's and early 30's

About that time my Mother and Father divorced. Due to that situation my Mother had to go to work, to support my Brother and me. This was at the start of the depression.. Along about that time my Great Aunt Louise (Lafontisee) Fielding, wife of Thomas Wesley Fielding, wanted me to stay with her for a couple of weeks while Uncle Tom was off on a trip, (I think it was to get dried out), and I ended up spending eleven years with them. They were unable to have any children.

On January 9, 1942, I enlisted in the Army Air Corps at Jacksonville, Fla.. From there I was sent to Camp Blanding at Stark, Fla. for my induction. Then I was sent to Jefferson Barracks, Mo., just south of St. Louis, Mo. When I stepped off the train, the temperature was 5 degrees above. Don't think that this Florida boy wasn't cold. The next morning they took us to the obstacle course. I made it through, but fell out at the end. Then the next morning I went on sick call with 104 fever and Pneumonia. While in the hospital, there was a Black draftee who was put in my ward in a private room, that had been bitten by a mad dog. He had failed to tell the Army that he had been bitten and was under treatment ( half way through ), for Rabies. That was a mistake and it was a horrible way to die.

After I completed Basic training there and was sent to Chicago for aviation mechanics school, at Aeronautical

University on Michigan Ave.. We lived at the Y.M.C.A. on Wabash Ave.. This was in March---July. They don't call Chicago the windy city for nothing! Upon my graduation at A.U., I was sent to Moody Air Force Base, at Valdosta, Ga. . While there almost a year, I suddenly went blind in my right eye, went in the hospital. ( A week after entering the Hospital my shipping orders came out to go to Texas to be assigned to a unit for overseas duty ). They couldn't find the problem and sent me to the Army Hospital at Chamblee, Ga.,LAWSON GENERAL HOSPITAL. After about 25 Doctors examined me they gave me a Medical Discharge, so they could have the bed for the wounded that were coming in from the Pacific by the train load.

After my discharge, Uncle Tom sent me to a specialist (ENT DR. Taylor) in Jacksonville, who found my trouble and operated. After that, I got a job with Martin Aircraft, in Baltimore, MD. inspecting. While there I had another attack in my eye, (the doctor said I probably would have one more). When I went to the personnel office to quit, the draft-dodger sitting behind the desk told me that if I quit the Army would get me. Being a Handley you should know what my response to that would be, "Just watch which way my butt goes when I walk out the door, I'm already a Veteran".

After a three month layoff I got a job at Oak-Ridge, Tenn., where I stayed until the end of the war, ( # 2 ). From that time on I was a;

Hotel desk clerk

Oil Co. delivery-man

Ice Plant Manager at Lake Harbor,Fla.

Aircraft Mechanic at Clewiston, Fla.

" " " Miami International Airport, Miami Fla.

" " " Hollywood, Fla. converting AT-6's into smoke writers ( in the sky ), for Pepsi-Cola.

Then my Brother Bob ( R.H. Tolbert ), drafted me to come to Troy, Ala., to setup, install and maintain Bendix washing machines, in self-service washaterias in south Ala. .

When my Mother retired from the University of Florida, she moved to Mountain City, Ga. . After several years laundering dirty clothes and working on washers I moved to Mountain City, Ga. to raise rabbits and be with Mother, since I was single at that time.

While there, I met the girl of my dreams and married my beautiful wife Martha ( 9/22/1950 ), who has provided me with three beautiful talented daughters. Also they have provided Martha and myself with two beautiful Granddaughters ( one each for Heloise and Lynn ) and two very handsome Grandsons ( by Julia ).

Other jobs held were;

Lessud Window Plant, Clayton, Ga.

S. H. Kirkpatrick ( monorail erection ) Charlotte, NC

Sears Roebuck, Atlanta, Ga.

Reeves Hardware Clayton, Ga.

and finally but not least, Ga. Power Co.at Tallulah Falls, Ga. ( 1st three weeks),Plant Atkinson, Atlanta, Ga. ( 16 Mo. ), Plant Hammond, Rome, Ga. (10 years ), Tugalo Village, Tallulah, Falls, Ga. ( 20 years ), before retiring, January 1, 1987.

Now I'm spending my time, mowing grass, making bread, working on genealogy tracing my roots on this idiot box ( computer ), but it's fun and passes a lot of time.

These records have been acquired by me (W. B. Handley) through several sources, as follows;

BIOGRAPHICAL SKETCHES  
OF THE  
LOVE FAMILY

At the earnest request of many descendants of the Love family that I produce for them the Love history, which I herewith compile from my own memory, family records and traditions,

The Loves were of English descent, Two brothers of whom came to America about 1695 to 1700, landing in MASSACHUSETTS; names not known. A son of one of these brother's (Harvey) moved to Mecklenburg Co., Virginia, about 1725: lived to be 87 years old; date of death not known,. His wife's maiden name not known, To them were born four sons; Thomas, Allen, James and Charles.

Thomas, ALLEN and James removed to South Carolina; no special trace of them since, Charles remained in Vir - ginia; was a soldier in the Revolutionary War; married Susannah Chiles, about 1778 or 1779. To this union were born four sons and four daughters, names as follows: - Charles, William, Allen and Daniel; daughters: Mary, Agnes, Susan and Martha-

Charles, the older brother, married in Mecklenburg Co., Virginia wife's name not known. One daughter, Mary (only child, I think), married: d a Mr. Flournoy, Of them we know nothing further,

Mary, eldest of the four sisters, married a Mr. Burton,

## RELATIVELY SPEAKING

in Mecklenburg Co., Virginia, removed South; trace of them lost many years ago,

William Love and Susannah C. Bream were married in Mecklenburg Co., Virginia, June 16, 1803.

In 1805 Charles, (son of Harvey) and wife, son William and wife, Daniel, and three sisters: Agnes, Susan and Martha, removed from Mecklenburg Co. to Kanawha County on the Big Sandy River, in what is now Wayne County, West Virginia, where the father (Charles) and son, William, bought land and remained there till the year 1814, when they bought land on Mud River five and one-half miles east of Barboursville, in what is now Cabell County West Virginia, where Charles and wife, William and two wives (William was twice married, as will be noted later), lived and died, and lie buried on what is known as the Sheff Hill, near the old Mud River homestead.

Charles and wife died near together, about 1814. Between the years 1805 and 1810, the three daughters, Agnes, Susanna and Martha, married, Agnes married Mr. Ingram Rolfe, Susanna, Dr. Anthony Hampton (1805), Martha, a Mr. Shortridge,

(THE FOLLOWING ACCOUNTS RELATED TO PATRICIA BOWER, WHEN VISITING IN 1988): When he (Richard) needed a birth certificate, he was given a choice of choosing Goodwin after a Brewer boy friend of Aunt Ona's, or Valentine, another of her beaux. He thought Valentine a bit too fancy.

DICK WOULD TIE A ROPE ONTO A PLOW AND PULL IT WHILE grandpa Charles William Handley would plow. He got on well with his grandfather. One day his Grandpa was resting against the corn crib. There was a large puddle before him. Dick (age 12 ) hit the puddle with a large stone hammer, splashing mud and gravel onto his grandpa's face. Grandpa gave Dick a "tongue Lashing". Dick was ever so sorry as he truly loved his grandpa.

Uncle James Saunders worked for the railroad and was away from home frequently. His wife Rachel was fearful of staying alone. Richard would spend the night and leave for school from thier home. He called her his second mom. He had a dog that would go with him. Despite making the dog a comfortable bed on the porch, the dog would return home. However, when he was ready to walk to school in the morning, the dog would be there waiting for him.

He moved to Eaton, OH in 1912, to live with Aunt Ona (whose husband had died in a hunting accident in 1911), calling her his third mom. He attended 2 years high school in Eaton, OH. He was under the legal age to be married so brother Bernard signed for him.

She was born April 28, 1932 in MOUNTAIN CITY, RABUN, GEORGIA, and died January 27, 2000 in RABUN GAP, RABUN, GA..

Notes for WILLIAM BOWYER HANDLEY:

Biographical Sketches of W. B. Handley

I was born in Huntington, W. Va., May 16, 1922. My parents moved to Florida when I was about three years old. My Grandfather, E. J. Bowyer was in the steamship business there (Tampa). Then they moved to Lakeland, Fla., where E. J. had a good size piece of property and ran a cafeteria. That was about 1925 or 26. From there they moved to Gainesville, Fla.. My father Garland Love Handley ran a Graham Paige auto dealership there along with his brother Beniah William (NIDE) Handley. That was in the late 20's and early 30's

About that time my Mother and Father divorced. Due to that situation my Mother had to go to work, to support my Brother and me. This was at the start of the depression.. Along about that time my Great Aunt Louise (Lafontisee) Fielding, wife of Thomas Wesley Fielding, wanted me to stay with her for a couple of weeks while Uncle Tom was off on a trip, (I think it was to get dried out), and I ended up spending eleven years with them. They were unable to have any children.

On January 9, 1942, I enlisted in the Army Air Corps at Jacksonville, Fla.. From there I was sent to Camp Blanding at Stark, Fla. for my induction. Then I was sent to Jefferson Barracks, Mo., just south of St. Louis, Mo. When I stepped off the train, the temperature was 5 degrees above. Don't think that this Florida boy wasn't cold. The next morning they took us to the obstacle course. I made it through, but fell out at the end. Then the next morning I went on sick call with 104 fever and Pneumonia. While in the hospital, there was a Black draftee who was put in my ward in a private room, that had been bitten by a mad dog. He had failed to tell the Army that he had been bitten and was under treatment ( half way through ), for Rabies. That was a mistake and it was a horrible way to die.

## RELATIVELY SPEAKING

After I completed Basic training there and was sent to Chicago for aviation mechanics school, at Aeronautical University on Michigan Ave.. We lived at the Y.M.C.A. on Wabash Ave.. This was in March---July. They don't call Chicago the windy city for nothing! Upon my graduation at A.U., I was sent to Moody Air Force Base, at Valdosta, Ga. . While there almost a year, I suddenly went blind in my right eye, went in the hospital. ( A week after entering the Hospital my shipping orders came out to go to Texas to be assigned to a unit for overseas duty ). They couldn't find the problem and sent me to the Army Hospital at Chamblee, Ga.,LAWSON GENERAL HOSPITAL. After about 25 Doctors examined me they gave me a Medical Discharge, so they could have the bed for the wounded that were coming in from the Pacific by the train load.

After my discharge, Uncle Tom sent me to a specialist (ENT DR. Taylor) in Jacksonville, who found my trouble and operated. After that, I got a job with Martin Aircraft, in Baltimore, MD. inspecting. While there I had another attack in my eye, (the doctor said I probably would have one more). When I went to the personnel office to quit, the draft-dodger sitting behind the desk told me that if I quit the Army would get me. Being a Handley you should know what my response to that would be, "Just watch which way my butt goes when I walk out the door, I'm already a Veteran".

After a three month layoff I got a job at Oak-Ridge, Tenn., where I stayed until the end of the war, ( # 2 ). From that time on I was a;

Hotel desk clerk

Oil Co. delivery-man

Ice Plant Manager at Lake Harbor,Fla.

Aircraft Mechanic at Clewiston, Fla.

" " " Miami International Airport, Miami Fla.

" " " Hollywood, Fla. converting AT-6's into smoke writers ( in the sky ), for Pepsi-Cola.

Then my Brother Bob ( R.H. Tolbert ), drafted me to come to Troy, Ala., to setup, install and maintain Bendix washing machines, in self-service washaterias in south Ala. .

When my Mother retired from the University of Florida, she moved to Mountain City, Ga. . After several years laundering dirty clothes and working on washers I moved to Mountain City, Ga. to raise rabbits and be with Mother, since I was single at that time.

While there, I met the girl of my dreams and married my beautiful wife Martha ( 9/22/1950 ), who has provided me with three beautiful talented daughters. Also they have provided Martha and myself with two beautiful Granddaughters ( one each for Heloise and Lynn ) and two very handsome Grandsons ( by Julia ).

Other jobs held were;

Lessud Window Plant, Clayton, Ga.

S. H. Kirkpatrick ( monorail erection ) Charlotte, NC

Sears Roebuck, Atlanta, Ga.

Reeves Hardware Clayton, Ga.

and finally but not least, Ga. Power Co.at Tallulah Falls, Ga. ( 1st three weeks),Plant Atkinson, Atlanta, Ga. ( 16 Mo. ), Plant Hammond, Rome, Ga. (10 years ), Tugalo Village, Tallulah, Falls, Ga. ( 20 years ), before retiring, January 1, 1987.

Now I'm spending my time, mowing grass, making bread, working on genealogy tracing my roots on this idiot box ( computer ), but it's fun and passes a lot of time.

Notes for WILLIAM SR. MORRIS:

istory of Kanawha County (written in 1876) says this about the Morris family:

"The Morris Family came to Kanawha in 1774, and are now found in every portion of the Valley. They have married and intermarried, until the original Morris blood runs in the veins of thousands of persons who reside in this portion of West Virginia.

William Morris Sr.\*, was the first permanent settler of the Kanawha Valley. Walter Kelly was the first to locate on the Kanawha river, but he was murdered by the Indians a few months after his arrival in the valley. Mr. Morris came here soon after Mr. Kelly's death, and purchased the Kelly's creek tract of land from the widow of Mr. Kelly.

There were nine brothers of the original Morris family, viz: William, or "Billy" as he was always called, Henry, Joshua, Leonard, Levi, Edmund, John, Kellis, and Benjamin. There were but two sisters, viz: Betty and Franky. William, as stated, located at the mouth of Kelly's creek, where Mrs. R.E. Tompkins now resides. John settled on the Kanawha, opposite the mouth of Campbell's creek, five miles above Charleston. Edmund and Joshua secured beautiful homesteads in Teay's Valley, and the other brothers settled at different points along the Kanawha river. There were four "Billy Morris'es," and in referring to them, it was often difficult to distinguish them from each other. "Old Billy" had a son called "Major Billy". Carroll, a son of "Major Billy", had a son whom he called "Little Billy", who was a noted salt-well borer; and Edmund had a son who went by the name of "Falls Billy", because he resided at the Falls of Kanawha."

Notes for RICHARD GOODWIN HANDLEY:

(THE FOLLOWING ACCOUNTS RELATED TO PATRICIA BOWER, WHEN VISITING IN 1988): When he (Richard) needed a birth certificate, he was given a choice of choosing Goodwin after a Brewer boy friend of Aunt Ona's, or Valentine, another of her beaux. He thought Valentine a bit too fancy.

DICK WOULD TIE A ROPE ONTO A PLOW AND PULL IT WHILE grandpa Charles William Handley would plow. He got on well with his grandfather. One day his Grandpa was resting against the corn crib. There was a large puddle before him. Dick (age 12 ) hit the puddle with a large stone hammer, splashing mud and gravel onto his grandpa's face. Grandpa gave Dick a "tongue Lashing". Dick was ever so sorry as he truly loved his grandpa.

Uncle James Saunders worked for the railroad and was away from home frequently. His wife Rachel was fearful of staying alone. Richard would spend the night and leave for school from thier home. He called her his second mom. He had a dog that would go with him. Despite making the dog a comfortable bed on the porch, the dog would return home. However, when he was ready to walk to school in the morning, the dog would be there waiting for him.

He moved to Eaton, OH in 1912, to live with Aunt Ona (whose husband had died in a hunting accident in 1911), calling her his third mom. He attended 2 years high school in Eaton, OH. He was under the legal age to be married so brother Bernard signed for him.

Notes for WILLIAM BOWYER HANDLEY:

Biographical Sketches of W. B. Handley

I was born in Huntington, W. Va., May 16, 1922. My parents moved to Florida when I was about three years old. My Grandfather, E. J. Bowyer was in the steamship business there (Tampa). Then they moved to Lakeland, Fla., where E. J. had a good size piece of property and ran a cafeteria. That was about 1925 or 26. From there they moved to Gainesville, Fla.. My father Garland Love Handley ran a Graham Paige auto dealership there along with his brother Beniah William (NIDE) Handley. That was in the late 20's and early 30's

About that time my Mother and Father divorced. Due to that situation my Mother had to go to work, to support my Brother and me. This was at the start of the depression.. Along about that time my Great Aunt Louise (Lafontisee) Fielding, wife of Thomas Wesley Fielding, wanted me to stay with her for a couple of weeks while Uncle Tom was off on a trip, (I think it was to get dried out), and I ended up spending eleven years with them. They were unable to have any children.

On January 9, 1942, I enlisted in the Army Air Corps at Jacksonville, Fla.. From there I was sent to Camp Blanding at Stark, Fla. for my induction. Then I was sent to Jefferson Barracks, Mo., just south of St. Louis, Mo. When I stepped off the train, the temperature was 5 degrees above. Don't think that this Florida boy wasn't cold. The next morning they took us to the obstacle course. I made it through, but fell out at the end. Then the next morning I went on sick call with 104 fever and Pneumonia. While in the hospital, there was a Black draftee who was put in my ward in a private room, that had been bitten by a mad dog. He had failed to tell the Army that he

## RELATIVELY SPEAKING

had been bitten and was under treatment ( half way through ), for Rabies. That was a mistake and it was a horrible way to die.

After I completed Basic training there and was sent to Chicago for aviation mechanics school, at Aeronautical University on Michigan Ave.. We lived at the Y.M.C.A. on Wabash Ave.. This was in March---July. They don't call Chicago the windy city for nothing! Upon my graduation at A.U., I was sent to Moody Air Force Base, at Valdosta, Ga. . While there almost a year, I suddenly went blind in my right eye, went in the hospital. ( A week after entering the Hospital my shipping orders came out to go to Texas to be assigned to a unit for overseas duty ). They couldn't find the problem and sent me to the Army Hospital at Chamblee, Ga.,LAWSON GENERAL HOSPITAL. After about 25 Doctors examined me they gave me a Medical Discharge, so they could have the bed for the wounded that were coming in from the Pacific by the train load.

After my discharge, Uncle Tom sent me to a specialist (ENT DR. Taylor) in Jacksonville, who found my trouble and operated. After that, I got a job with Martin Aircraft, in Baltimore, MD. inspecting. While there I had another attack in my eye, (the doctor said I probably would have one more). When I went to the personnel office to quit, the draft-dodger sitting behind the desk told me that if I quit the Army would get me. Being a Handley you should know what my response to that would be, "Just watch which way my butt goes when I walk out the door, I'm already a Veteran".

After a three month layoff I got a job at Oak-Ridge, Tenn., where I stayed until the end of the war, ( # 2 ). From that time on I was a;

Hotel desk clerk

Oil Co. delivery-man

Ice Plant Manager at Lake Harbor,Fla.

Aircraft Mechanic at Clewiston, Fla.

" " " Miami International Airport, Miami Fla.

" " " Hollywood, Fla. converting AT-6's into smoke writers ( in the sky ), for Pepsi-Cola.

Then my Brother Bob ( R.H. Tolbert ), drafted me to come to Troy, Ala., to setup, install and maintain Bendix washing machines, in self-service washaterias in south Ala. .

When my Mother retired from the University of Florida, she moved to Mountain City, Ga. . After several years laundering dirty clothes and working on washers I moved to Mountain City, Ga. to raise rabbits and be with Mother, since I was single at that time.

While there, I met the girl of my dreams and married my beautiful wife Martha ( 9/22/1950 ), who has provided me with three beautiful talented daughters. Also they have provided Martha and myself with two beautiful Granddaughters ( one each for Heloise and Lynn ) and two very handsome Grandsons ( by Julia ).

Other jobs held were;

Lessud Window Plant, Clayton, Ga.

S. H. Kirkpatrick ( monorail erection ) Charlotte, NC

Sears Roebuck, Atlanta, Ga.

Reeves Hardware Clayton, Ga.

and finally but not least, Ga. Power Co.at Tallulah Falls, Ga. ( 1st three weeks),Plant Atkinson, Atlanta, Ga. ( 16 Mo. ), Plant Hammond, Rome, Ga. (10 years ), Tugalo Village, Tallulah, Falls, Ga. ( 20 years ), before retiring, January 1, 1987.

Now I'm spending my time, mowing grass, making bread, working on genealogy tracing my roots on this idiot box ( computer ), but it's fun and passes a lot of time.

"Captain Peter"

Peter Powers and Anna Keyes moved to Dunstable, N.H. in 1728. In September, 1730, he started for the Nissitisset wilderness (now Hollis) with axe and gun in hand and a pack on his back to fix his future residence in the then dense and unbroken forests, having previously purchased about thirty - seven acres of land. He commenced clearing a portion of this land and erected a log hut. In January, 1731, he removed his family here, thus becoming the first permanent settler of Hollis. At this time, Peter was 23 and Anna was 22. They had two infant children, Peter and Stephen! They were secluded from the civilized world, in the bosom of a dense forest, at least ten miles from their nearest neighbor.

Peter Powers became a noted backwoodsman and colonial land surveyor. He was employed much of the time in laying out farms and townships, receiving his pay mostly in land. At one time, he owned 1500 acres at the north part of Hollis. He was also distinguished as a militia officer in the old French war, having by his personal efforts raised a company in Dunstable and vicinity. He was commissioned Captain of this company by Governor Wentworth.

Peter died of fever, age 50, in 1757. Anna died in 1798 at age 90.

August 1, 1862. Friday.--A good little drill. Mr. Land-craft, one of the three slaveholders of Monroe County who were true to the Union, and a Mrs. Roberts were arrested and brought into my camp in obedience to orders from headquarters. Mrs. Roberts is a ladylike woman; her husband, a Secesh, is a prisoner at Raleigh. Mrs. Roberts and her uncle, Mr. Landcraft, came over New River and passed into our lines, the pickets admitting them, without proper passes. If this is the whole offense, the arrest is on most insufficient and frivolous grounds. In the case of Mrs. Roberts, who has a nursing child at home, it is as cruel as it is unnecessary. I shall do my best to get them out of the trouble. These needless persecutions of old men and of women, I am ashamed of.

[Page 315]

August 3, 1862. Sunday.--. . . Was glad to be able to release Mr. Landcraft and Mrs. Roberts. This arrest was a foolish business.

To reach cemetery take Co. Rd. 495B off Texas 7 between Marlin and Lott TX. On the right side of the road up in the trees. You can barely see some of the stones from the road and it's very easy to miss.

Cemetery is old and was overgrown with weeds. The only stones that appear to be cared for are the Magee plot. These are all in good shape with many having been replaced.

No one has been buried here in a while. It's up in a farmers field, fenced off from the pasture. About 75 ft. off the road. Many of the stones are broken and unreadable. The area is overgrown with weeds and ivy and may be impossible to find in the spring or summer.

Stones were read 11/2001, when I walked the cemetery. These are all the readable stones.

### Notes for WILLIAM BOWYER HANDLEY:

#### Biographical Sketches of W. B. Handley

I was born in Huntington, W. Va., May 16, 1922. My parents moved to Florida when I was about three years old. My Grandfather, E. J. Bowyer was in the steamship business there (Tampa). Then they moved to Lakeland, Fla., where E. J. had a good size piece of property and ran a cafeteria. That was about 1925 or 26. From there they moved to Gainesville, Fla.. My father Garland Love Handley ran a Graham Paige auto dealership there along with his brother Beniah William (NIDE) Handley. That was in the late 20's and early 30's

About that time my Mother and Father divorced. Due to that situation my Mother had to go to work, to support my Brother and me. This was at the start of the depression.. Along about that time my Great Aunt Louise

## RELATIVELY SPEAKING

(Lafontisee) Fielding, wife of Thomas Wesley Fielding, wanted me to stay with her for a couple of weeks while Uncle Tom was off on a trip, (I think it was to get dried out), and I ended up spending eleven years with them. They were unable to have any children.

On January 9, 1942, I enlisted in the Army Air Corps at Jacksonville, Fla.. From there I was sent to Camp Blanding at Stark, Fla. for my induction. Then I was sent to Jefferson Barracks, Mo., just south of St. Louis, Mo. When I stepped off the train, the temperature was 5 degrees above. Don't think that this Florida boy wasn't cold. The next morning they took us to the obstacle course. I made it through, but fell out at the end. Then the next morning I went on sick call with 104 fever and Pneumonia. While in the hospital, there was a Black draftee who was put in my ward in a private room, that had been bitten by a mad dog. He had failed to tell the Army that he had been bitten and was under treatment ( half way through ), for Rabies. That was a mistake and it was a horrible way to die.

After I completed Basic training there and was sent to Chicago for aviation mechanics school, at Aeronautical University on Michigan Ave.. We lived at the Y.M.C.A. on Wabash Ave.. This was in March---July. They don't call Chicago the windy city for nothing! Upon my graduation at A.U., I was sent to Moody Air Force Base, at Valdosta, Ga. . While there almost a year, I suddenly went blind in my right eye, went in the hospital. ( A week after entering the Hospital my shipping orders came out to go to Texas to be assigned to a unit for overseas duty ). They couldn't find the problem and sent me to the Army Hospital at Chamblee, Ga., LAWSON GENERAL HOSPITAL. After about 25 Doctors examined me they gave me a Medical Discharge, so they could have the bed for the wounded that were coming in from the Pacific by the train load.

After my discharge, Uncle Tom sent me to a specialist (ENT DR. Taylor) in Jacksonville, who found my trouble and operated. After that, I got a job with Martin Aircraft, in Baltimore, MD. inspecting. While there I had another attack in my eye, (the doctor said I probably would have one more). When I went to the personnel office to quit, the draft-dodger sitting behind the desk told me that if I quit the Army would get me. Being a Handley you should know what my response to that would be, "Just watch which way my butt goes when I walk out the door, I'm already a Veteran".

After a three month layoff I got a job at Oak-Ridge, Tenn., where I stayed until the end of the war, ( # 2 ). From that time on I was a;

Hotel desk clerk

Oil Co. delivery-man

Ice Plant Manager at Lake Harbor, Fla.

Aircraft Mechanic at Clewiston, Fla.

" " " Miami International Airport, Miami Fla.

" " " Hollywood, Fla. converting AT-6's into smoke writers ( in the sky ), for Pepsi-Cola.

Then my Brother Bob ( R.H. Tolbert ), drafted me to come to Troy, Ala., to setup, install and maintain Bendix washing machines, in self-service washaterias in south Ala. .

When my Mother retired from the University of Florida, she moved to Mountain City, Ga. . After several years laundering dirty clothes and working on washers I moved to Mountain City, Ga. to raise rabbits and be with Mother, since I was single at that time.

While there, I met the girl of my dreams and married my beautiful wife Martha ( 9/22/1950 ), who has provided me with three beautiful talented daughters. Also they have provided Martha and myself with two beautiful Granddaughters ( one each for Heloise and Lynn ) and two very handsome Grandsons ( by Julia ).

Other jobs held were;

Lessud Window Plant, Clayton, Ga.

S. H. Kirkpatrick ( monorail erection ) Charlotte, NC

Sears Roebuck, Atlanta, Ga.

Reeves Hardware Clayton, Ga.

and finally but not least, Ga. Power Co. at Tallulah Falls, Ga. ( 1st three weeks ), Plant Atkinson, Atlanta, Ga. ( 16 Mo. ), Plant Hammond, Rome, Ga. ( 10 years ), Tugalo Village, Tallulah, Falls, Ga. ( 20 years ), before retiring, January 1, 1987.

Notes for RICHARD GOODWIN HANDLEY:

(THE FOLLOWING ACCOUNTS RELATED TO PATRICIA BOWER, WHEN VISITING IN 1988): When he (Richard) needed a birth certificate, he was given a choice of choosing Goodwin after a Brewer boy friend of Aunt Ona's, or Valentine, another of her beaux. He thought Valentine a bit too fancy.

DICK WOULD TIE A ROPE ONTO A PLOW AND PULL IT WHILE grandpa Charles William Handley would plow. He got on well with his grandfather. One day his Grandpa was resting against the corn crib. There was a large puddle before him. Dick (age 12 ) hit the puddle with a large stone hammer, splashing mud and gravel onto his grandpa's face. Grandpa gave Dick a "tongue Lashing". Dick was ever so sorry as he truly loved his grandpa.

Uncle James Saunders worked for the railroad and was away from home frequently. His wife Rachel was

fearful of staying alone. Richard would spend the night and leave for school from thier home. He called her his second mom. He had a dog that would go with him. Despite making the dog a comfortable bed on the porch, the dog would return home. However, when he was ready to walk to school in the morning, the dog would be there waiting for him.

He moved to Eaton, OH in 1912, to live with Aunt Ona (whose husband had died in a hunting accident in 1911), calling her his third mom. He attended 2 years high school in Eaton, OH. He was under the legal age to be married so brother Bernard signed for him.

Notes for WILLIAM BOWYER HANDLEY:

Biographical Sketches of W. B. Handley

I was born in Huntington, W. Va., May 16, 1922. My parents moved to Florida when I was about three years old. My Grandfather, E. J. Bowyer was in the steamship business there (Tampa). Then they moved to Lakeland, Fla., where E. J. had a good size piece of property and ran a cafeteria. That was about 1925 or 26. From there they moved to Gainesville, Fla.. My father Garland Love Handley ran a Graham Paige auto dealership there along with his brother Beniah William (NIDE) Handley. That was in the late 20's and early 30's

About that time my Mother and Father divorced. Due to that situation my Mother had to go to work, to support my Brother and me. This was at the start of the depression.. Along about that time my Great Aunt Louise (Lafontisee) Fielding, wife of Thomas Wesley Fielding, wanted me to stay with her for a couple of weeks while Uncle Tom was off on a trip, (I think it was to get dried out), and I ended up spending eleven years with them. They were unable to have any children.

On January 9, 1942, I enlisted in the Army Air Corps at Jacksonville, Fla.. From there I was sent to Camp Blanding at Stark, Fla. for my induction. Then I was sent to Jefferson Barracks, Mo., just south of St. Louis, Mo. When I stepped off the train, the temperature was 5 degrees above. Don't think that this Florida boy wasn't cold. The next morning they took us to the obstacle course. I made it through, but fell out at the end. Then the next morning I went on sick call with 104 fever and Pneumonia. While in the hospital, there was a Black draftee who was put in my ward in a private room, that had been bitten by a mad dog. He had failed to tell the Army that he had been bitten and was under treatment ( half way through ), for Rabies. That was a mistake and it was a horrible way to die.

After I completed Basic training there and was sent to Chicago for aviation mechanics school, at Aeronautical University on Michigan Ave.. We lived at the Y.M.C.A. on Wabash Ave.. This was in March---July. They don't call Chicago the windy city for nothing! Upon my graduation at A.U., I was sent to Moody Air Force Base, at Valdosta, Ga. . While there almost a year, I suddenly went blind in my right eye, went in the hospital. ( A week after entering the Hospital my shipping orders came out to go to Texas to be assigned to a unit for overseas duty ). They couldn't find the problem and sent me to the Army Hospital at Chamblee, Ga., LAWSON GENERAL HOSPITAL. After about 25 Doctors examined me they gave me a Medical Discharge, so they could have the bed for the wounded that were coming in from the Pacific by the train load.

After my discharge, Uncle Tom sent me to a specialist (ENT DR. Taylor) in Jacksonville, who found my trouble and operated. After that, I got a job with Martin Aircraft, in Baltimore, MD. inspecting. While there I had another attack in my eye, (the doctor said I probably would have one more). When I went to the personnel office to quit, the draft-dodger sitting behind the desk told me that if I quit the Army would get me. Being a Handley you should know what my response to that would be, "Just watch which way my butt goes when I walk out the door, I'm already a Veteran".

After a three month layoff I got a job at Oak-Ridge, Tenn., where I stayed until the end of the war, ( # 2 ). From that time on I was a;  
Hotel desk clerk

Oil Co. delivery-man

Ice Plant Manager at Lake Harbor, Fla.

Aircraft Mechanic at Clewiston, Fla.

" " " Miami International Airport, Miami Fla.

" " " Hollywood, Fla. converting AT-6's into smoke writers ( in the sky ), for Pepsi-Cola.

Then my Brother Bob ( R.H. Tolbert ), drafted me to come to Troy, Ala., to setup, install and maintain Bendix washing machines, in self-service washaterias in south Ala. .

When my Mother retired from the University of Florida, she moved to Mountain City, Ga. . After several years laundering dirty clothes and working on washers I moved to Mountain City, Ga. to raise rabbits and be with Mother, since I was single at that time.

While there, I met the girl of my dreams and married my beautiful wife Martha ( 9/22/1950 ), who has provided me with three beautiful talented daughters. Also they have provided Martha and myself with two beautiful Granddaughters ( one each for Heloise and Lynn ) and two very handsome Grandsons ( by Julia ).

Other jobs held were;

Lessud Window Plant, Clayton, Ga.

S. H. Kirkpatrick ( monorail erection ) Charlotte, NC

Sears Roebuck, Atlanta, Ga.

Reeves Hardware Clayton, Ga.

and finally but not least, Ga. Power Co.at Tallulah Falls, Ga. ( 1st three weeks), Plant Atkinson, Atlanta, Ga. ( 16 Mo. ), Plant Hammond, Rome, Ga. (10 years ), Tugalo Village, Tallulah, Falls, Ga. ( 20 years ), before retiring, January 1, 1987.

Now I'm spending my time, mowing grass, making bread, working on genealogy tracing my roots on this idiot box ( computer ), but it's fun and passes a lot of time.

(THE FOLLOWING ACCOUNTS RELATED TO PATRICIA BOWER, WHEN VISITING IN 1988): When he (Richard) needed a birth certificate, he was given a choice of choosing Goodwin after a Brewer boy friend of Aunt Ona's, or Valentine, another of her beaux. He thought Valentine a bit too fancy.

DICK WOULD TIE A ROPE ONTO A PLOW AND PULL IT WHILE grandpa Charles William Handley would plow. He got on well with his grandfather. One day his Grandpa was resting against the corn crib. There

was a large puddle before him. Dick (age 12 ) hit the puddle with a large stone hammer, splashing mud and gravel onto his grandpa's face. Grandpa gave Dick a "tongue Lashing". Dick was ever so sorry as he truly loved his grandpa.

Uncle James Saunders worked for the railroad and was away from home frequently. His wife Rachel was fearful of staying alone. Richard would spend the night and leave for school from thier home. He called her his second mom. He had a dog that would go with him. Despite making the dog a comfortable bed on the porch, the dog would return home. However, when he was ready to walk to school in the morning, the dog would be there waiting for him.

He moved to Eaton, OH in 1912, to live with Aunt Ona (whose husband had died in a hunting accident in 1911), calling her his third mom. He attended 2 years high school in Eaton, OH. He was under the legal age to be married so brother Bernard signed for him.

Notes for WILLIAM BOWYER HANDLEY:

Biographical Sketches of W. B. Handley

I was born in Huntington, W. Va., May 16, 1922. My parents moved to Florida when I was about three years old. My Grandfather, E. J. Bowyer was in the steamship business there (Tampa). Then they moved to Lakeland, Fla., where E. J. had a good size piece of property and ran a cafeteria. That was about 1925 or 26. From there they moved to Gainesville, Fla.. My father Garland Love Handley ran a Graham Paige auto dealership there along with his brother Beniah William (NIDE) Handley. That was in the late 20's and early 30's

About that time my Mother and Father divorced. Due to that situation my Mother had to go to work, to support my Brother and me. This was at the start of the depression.. Along about that time my Great Aunt Louise (Lafontisee) Fielding, wife of Thomas Wesley Fielding, wanted me to stay with her for a couple of weeks while Uncle Tom was off on a trip, (I think it was to get dried out), and I ended up spending eleven years with them. They were unable to have any children.

On January 9, 1942, I enlisted in the Army Air Corps at Jacksonville, Fla.. From there I was sent to Camp Blanding at Stark, Fla. for my induction. Then I was sent to Jefferson Barracks, Mo., just south of St. Louis, Mo. When I stepped off the train, the temperature was 5 degrees above. Don't think that this Florida boy wasn't cold. The next morning they took us to the obstacle course. I made it through, but fell out at the end. Then the next morning I went on sick call with 104 fever and Pneumonia. While in the hospital, there was a Black draftee who was put in my ward in a private room, that had been bitten by a mad dog. He had failed to tell the Army that he had been bitten and was under treatment ( half way through ), for Rabies. That was a mistake and it was a horrible way to die.

After I completed Basic training there and was sent to Chicago for aviation mechanics school, at Aeronautical University on Michigan Ave.. We lived at the Y.M.C.A. on Wabash Ave.. This was in March---July. They don't call Chicago the windy city for nothing! Upon my graduation at A.U., I was sent to Moody Air Force Base, at Valdosta, Ga. . While there almost a year, I suddenly went blind in my right eye, went in the hospital. ( A week after entering the Hospital my shipping orders came out to go to Texas to be assigned to a unit for overseas duty ). They couldn't find the problem and sent me to the Army Hospital at Chamblee, Ga., LAWSON GENERAL HOSPITAL. After about 25 Doctors examined me they gave me a Medical Discharge, so they could have the bed for the wounded that were coming in from the Pacific by the train load.

After my discharge, Uncle Tom sent me to a specialist (ENT DR. Taylor) in Jacksonville, who found my trouble and operated. After that, I got a job with Martin Aircraft, in Baltimore, MD. inspecting. While there I had another attack in my eye, (the doctor said I probably would have one more). When I went to the personnel office to quit, the draft-dodger sitting behind the desk told me that if I quit the Army would get me. Being a Handley you should know what my response to that would be, "Just watch which way my butt goes when I walk out the door, I'm already a Veteran".

After a three month layoff I got a job at Oak-Ridge, Tenn., where I stayed until the end of the war, ( # 2 ). From that time on I was a;

Hotel desk clerk

Oil Co. delivery-man

Ice Plant Manager at Lake Harbor, Fla.

## RELATIVELY SPEAKING

Aircraft Mechanic at Clewiston, Fla.

" " " Miami International Airport, Miami Fla.

" " " Hollywood, Fla. converting AT-6's into smoke writers ( in the sky ), for Pepsi-Cola.

Then my Brother Bob ( R.H. Tolbert ), drafted me to come to Troy, Ala., to setup, install and maintain Bendix washing machines, in self-service washaterias in south Ala. .

When my Mother retired from the University of Florida, she moved to Mountain City, Ga. . After several years laundering dirty clothes and working on washers I moved to Mountain City, Ga. to raise rabbits and be with Mother, since I was single at that time.

While there, I met the girl of my dreams and married my beautiful wife Martha ( 9/22/1950 ), who has provided me with three beautiful talented daughters. Also they have provided Martha and myself with two beautiful Granddaughters ( one each for Heloise and Lynn ) and two very handsome Grandsons ( by Julia ).

Other jobs held were;

Lessud Window Plant, Clayton, Ga.

S. H. Kirkpatrick ( monorail erection ) Charlotte, NC

Sears Roebuck, Atlanta, Ga.

Reeves Hardware Clayton, Ga.

and finally but not least, Ga. Power Co.at Tallulah Falls, Ga. ( 1st three weeks),Plant Atkinson, Atlanta, Ga. ( 16 Mo. ), Plant Hammond, Rome, Ga. (10 years ), Tugalo Village, Tallulah, Falls, Ga. ( 20 years ), before retiring, January 1, 1987.

Now I'm spending my time, mowing grass, making bread, working on genealogy tracing my roots on this idiot box ( computer ), but it's fun and passes a lot of time.

Notes for JOHN WILLIAMSON, SR.:

LINEAL DESCENT OF JOHN WILLIAMSON, who was born in Ireland and died in Butts County, Ga. October 9th, 1831.

The said Woodson L. Williamson was the son of George W. Williamson born Feb. 20, 1830, and his legal wife was Almeda Jackson.

The said George W. Williamson was the son of John Williamson, Jr. born March 26, 1780; died October, 1849, and his legal wife was WINFRED (Winnie) Camp born December 18, 1786; died March 1873; married July 27, 1803.

The said John Williamson, Jr. was the son of John Williamson, Sr. who died Oct. 9, 1831, and his legal wife was Margaret Leslie Mitchell ( widow ); he died May 19, 1828; married about 1770.

John Williamson, Sr. is ancestor who assisted in establishing American Independence, while acting in the capacity of soldier.

John Wm'son came from Ireland prior to , or about 1767 and landed in Virginia. he was a dyer and weaver by trade. He wrote a book on dying and weaving soon after the Revolution; it is still in the possession of the family.

He served in Virginia most probably as, according to family traditions he came from there to Georgia. So many men of the same name served with the Virginia troops that there is no way of identifying his service.

He drew 300 acres of land in Wilkes County, Ga., July 12, 1790, as is recorded in Sec'y of State's Office. In that year, Elbert was cut off from Wilkes County and he was left in Elbert. He moved from there to Jackson Co., Ga. in 1799 and from Jackson County to Henry County Co. about 1825 In Vol. 16, 5th report DAR, page 349, list of Revolutionary soldiers in Ga. he is found drawing land in the lottery of 1827, residence Henry Co..

He died in Butts Co., Ga. (cut off from Henry) Oct. 9, 1831; his will being recorded there, and he is buried a few miles from Jackson, the County seat.

John Williamson's wife, Margaret (Leslie) Mitchell, widow sailed from Ireland in 1767 when her son, James Mitchell, was only three weeks old, bringing him and an older son, leaving a twelve year old boy in Ireland; neither of whose names are known to her descendants. James Mitchell died in Jackson Co., Ga., 1853 age 86.

Notes for ROBERT EDWIN WILLIAMSON:

: Uncle Bill,

: I found Uncle Charlie!!! I found where he registered for military service during WW1 between 1917-1918. He was born 24 November 1889 and his name is Charles Mayson Grist, according to the registration card. My employer's wife has a subscription to Ancestry.com and she logged on for me and let me view the record and BAM there he was. I was floored, but I am very sure it is him. It lists him as married, but doesn't give a name to his wife. He would have been about 28 or 29. I know that there is more out there, it is just finding it. Just passing along the information I have found. Pass it along to the others if you would like. I had not looked on the internet for anything on him until now. Maybe there is more out there.

: Love,

: Janet

Notes for WILLIAM BOWYER HANDLEY:

Biographical Sketches of W. B. Handley

I was born in Huntington, W. Va., May 16, 1922. My parents moved to Florida when I was about three years old. My Grandfather, E. J. Bowyer was in the steamship business there (Tampa). Then they moved to Lakeland, Fla., where E. J. had a good size piece of property and ran a cafeteria. That was about 1925 or 26. From there they moved to Gainesville, Fla.. My father Garland Love Handley ran a Graham Paige auto dealership there along with his brother Beniah William (NIDE) Handley. That was in the late 20's and early 30's

About that time my Mother and Father divorced. Due to that situation my Mother had to go to work, to support my Brother and me. This was at the start of the depression.. Along about that time my Great Aunt Louise (Lafontisee) Fielding, wife of Thomas Wesley Fielding, wanted me to stay with her for a couple of weeks while Uncle Tom was off on a trip, (I think it was to get dried out), and I ended up spending eleven years with them. They were unable to have any children.

On January 9, 1942, I enlisted in the Army Air Corps at Jacksonville, Fla.. From there I was sent to Camp Blanding at Stark, Fla. for my induction. Then I was sent to Jefferson Barracks, Mo., just south of St. Louis, Mo. When I stepped off the train, the temperature was 5 degrees above. Don't think that this Florida boy wasn't cold. The next morning they took us to the obstacle course. I made it through, but fell out at the end. Then the next morning I went on sick call with 104 fever and Pneumonia. While in the hospital, there was a Black draftee who was put in my ward in a private room, that had been bitten by a mad dog. He had failed to tell the Army that he had been bitten and was under treatment ( half way through ), for Rabies. That was a mistake and it was a horrible way to die.

After I completed Basic training there and was sent to Chicago for aviation mechanics school, at Aeronautical University on Michigan Ave.. We lived at the Y.M.C.A. on Wabash Ave.. This was in March---July. They don't call Chicago the windy city for nothing! Upon my graduation at A.U., I was sent to Moody Air Force Base, at Valdosta, Ga. . While there almost a year, I suddenly went blind in my right eye, went in the hospital. ( A week after entering the Hospital my shipping orders came out to go to Texas to be assigned to a unit for overseas duty ). They couldn't find the problem and sent me to the Army Hospital at Chamblee, Ga., LAWSON GENERAL HOSPITAL. After about 25 Doctors examined me they gave me a Medical Discharge, so they could have the bed for the wounded that were coming in from the Pacific by the train load.

After my discharge, Uncle Tom sent me to a specialist (ENT DR. Taylor) in Jacksonville, who found my trouble and operated. After that, I got a job with Martin Aircraft, in Baltimore, MD. inspecting. While there I had another attack in my eye, (the doctor said I probably would have one more). When I went to the personnel office to quit, the draft-dodger sitting behind the desk told me that if I quit the Army would get me. Being a Handley you should know what my response to that would be, "Just watch which way my butt goes when I walk out the door, I'm already a Veteran".

After a three month layoff I got a job at Oak-Ridge, Tenn., where I stayed until the end of the war, ( # 2 ). From that time on I was a;

Hotel desk clerk

Oil Co. delivery-man

Ice Plant Manager at Lake Harbor, Fla.

Aircraft Mechanic at Clewiston, Fla.

" " " Miami International Airport, Miami Fla.

" " " Hollywood, Fla. converting AT-6's into smoke writers ( in the sky ), for Pepsi-Cola.

Then my Brother Bob ( R.H. Tolbert ), drafted me to come to Troy, Ala., to setup, install and maintain Bendix washing machines, in self-service washaterias in south Ala. .

When my Mother retired from the University of Florida, she moved to Mountain City, Ga. . After several years laundering dirty clothes and working on washers I moved to Mountain City, Ga. to raise rabbits and be with Mother, since I was single at that time.

## RELATIVELY SPEAKING

While there, I met the girl of my dreams and married my beautiful wife Martha ( 9/22/1950 ), who has provided me with three beautiful talented daughters. Also they have provided Martha and myself with two beautiful Granddaughters ( one each for Heloise and Lynn ) and two very handsome Grandsons ( by Julia ).

Other jobs held were;

Lessud Window Plant, Clayton, Ga.

S. H. Kirkpatrick ( monorail erection ) Charlotte, NC

Sears Roebuck, Atlanta, Ga.

Reeves Hardware Clayton, Ga.

and finally but not least, Ga. Power Co.at Tallulah Falls, Ga. ( 1st three weeks),Plant Atkinson, Atlanta, Ga. ( 16 Mo. ), Plant Hammond, Rome, Ga. (10 years ), Tugalo Village, Tallulah, Falls, Ga. ( 20 years ), before retiring, January 1, 1987.

Now I'm spending my time, mowing grass, making bread, working on genealogy tracing my roots on this idiot box ( computer ), but it's fun and passes a lot of time.
